Golds Hold Spotlight On Toronto Exchange

TORONTO, Feb. 1 (CP)—Golds held the spotlight on the Toronto Stock Exchange today, moving upwards for the second successive day to the best level since mid-January. Seniors edged upwards late in the session and junior producers showed gains ranging up to 15 cents.

Base metals were in an almost one-way downward movement. Western oils opened stronger but weakened as the session progressed.

Golds opened under mild profit-taking, slowed to a crawl and then lifted under buying demand to continue yesterday's advance. Kerr Addison, Lake Shore and Dome showed fractional advances in seniors.

Waite Amulet turned steadily in base metals for a gain of 3-5 at 11-1-8. The advance was reflected in broker trade in Wilsey-Coghlan, a neighboring property in the Rouyn district of Northern Quebec.

Smelters dropped 1-1/2 at 111-1-2 and International Nickel, Hudson Bay, and East Sullivan were among the wide list of losers.

Anglo-Canadian and Pacific Petroleum rose five cents in western oils while Potash, Calgary and Edmonton, Globe Oil and Okalta weakened.

At New York

NEW YORK, Feb. 1 (AP)—Breaking out of a narrow range, the stock market moved higher today under the leadership of motors and steels.

The late rally sent prices from fractions to more than a point higher after almost an entire day of drifting about in a mixed manner.

Almost all of the major groups ended higher except aircraft shares which closed with fractional losses. The overall rise was equal to the best in more than three weeks.

WINNIPEG, Feb. 1 (CP)—Rye

showed big losses as new seasonal low levels were recorded in coarse grain futures prices on the Winnipeg Grain Exchange today. Fairly general selling in oats, barley and rye was stimulated by weaknesses on the Chicago market.

All Winnipeg grains found support thin in moderately active trading.

Rye saw liberal offerings and only a few buying orders attributed to seaboard accounts on recessions. Losses ranged almost to eight cents.

Support in oats and barley was limited to modest shipper demand. Range in prices on oats was 5-8 to 1-4 cent lower; on barley 1-1-4 to 2 cents lower; and on rye 5-8 to 4-1-2 cents lower. Flax prices remained unchanged.
