"The Remedy You Breathe"

PEPS are the finest protection you can have for Throat, Chest and Lungs this weather.

You simply divest a Peps of its silver-jacket then dissolve the tablet in your mouth. The powerful medicinal fumes given off are *breathed* through the throat and air-passages deep into the chest and lungs. In this way weak spots are soothed, strengthened and healed, coughs and colds quickly arrested.

Peps are powerfully *germicidal* and speedily effective. They exterminate the germs that bring bronchitis, throat troubles, influenza, pneumonia, etc. Free from all harmful drugs, splendid for all weak-chested children.

50c. box all chemists.

FREE SAMPLE can be had from Peps Co., Toronto, if this paper is mentioned

It was a first prize winner at the provincial exhibition and was shipped Saturday morning to Toronto, where it will compete at the royal show. It is a registered Yorkshire and is known by the name of "Keppock Roy."

COME TO THE P. E. I. Orphanage, for supper on Tuesday evening.

COLD WEATHER is coming. Buy a Caloric Pipeless Furnace. Fred H. Trainor, Agent. 3i.

Clyde Industry In Terrible Depression

(By Dominion News Service)

GLASGOW, Nov. 11.—A special sitting of the Glasgow Burgh Valuation Count was held to consider appeals by 11 of the leading ship building and engineering firms in Glasgow against the proposed valuation of the assessor.

A. G. Campbell, general manager of Messrs. William Beardmore & Co., (Ltd.) in reply to T. A. Gentle, K .C., who appeared for the appellants, stated that in the 40 shipbuilding and 127 engineering establishments on the Clyde, the pre-war average of the number employed was 96,185. The aggregate of the highest number employed subsequent to 1914 was 152,891. The total number for which there was capacity in the existing premises was 151,228. The total average number employed during the first three months of the present year was 50,400.

The legislation at Washington, he said, had practically cut off their shipbuilding programme in regard to warships, and that considerably affected the amount of the plant they had.

Sir Thomas Bell, K. B. E., managing director of Messrs. John Brown & Co., (Limited), Clydebank, said the shipbuilding and engineering industries were in a state of terrible depression, and he had never known the industries to have a future so black in prospect as at present. He indicated that while his firm had a capacity for employing 10,000, there were only 3000 in employment during the first three months of the current year. Theer was no appearance of any improvement in the near future.

Sir Frederick Henderson, Chairman of Messrs. D. & W. Henderson & Co., Ltd., pointed out that there had been an enormous extension of shipbuilding and ship-repairing in Holland, where large sums of money had been spent on the industry. The result was that a number of ships had been spent on the industry. The result wa sthat a number of ships that were in a damaged condition in our own ports had been transported across the North Sea for repairs in foreign countries.

The difficulties in this country were the higher wages ruling strikes, and demarcation troubles. In Holland the working hours had been increased from 48 to 55 at the 43 hours wage, which made the competition even keener.

GRAVE OF BISHOP, LOST 200 YEARS FOUND NEAR PEKING

PEAKING, Nov. 9—The body of Bernadin della Chiesa, first Christain Bishop of Peking, who died December 31, 1721, has been disinterred and reburied with fitting ceremonies at Hungchialou, a suburb of Tsinan, after being lost for two centuries.

Bishop della Chiesa was born May 8, 1644, at Venice where he later joined the Franciscan order. He belonged to the same family as the late pope, Giacomo della Chiesa. This relationship was largely responsible for the efforts to locate articles in Chinese papers.

When della Chiesa became bishop of Peking there was bitter contention between the Jesuits on one hand and the Dominicans, Franciscans and other orders on the other. As a result of the strife, so the story goes, Bishop della Chiesa did not reside in Peking but lived at Lintsing, where he He was buried in a large Christan cemetery four and a half miles south of the city.

The headstone and oratory at the grave disappeared; the mound sank and became neglected, and all trace of the burial place was lost.

A TALK TO WOMEN

When you spend your money, don't you like to get the best possible value? If so, when next you need a household ointment, buy Zam-Buk. Why? Here are a few reasons.

How long will a jar of dripping keep good? When it turns rancid would you like to apply it to a sore place? Now most ordinary ointments have animal fats and oils as a base. These are disguised by perfumes and coloring matter, but that does not make matters better. Zam-Buk, on the contrary, is free from all fats and oils and animal products that may go rancid. Zam-Buk is made from pure herbal essences and juices—Natural Healers; Nature's own remedies.

Many ointments contain mineral compounds such as lead, zinc, etc., and coloring matters. Zam-Buk does not. Its coloring is the green of the herbs of the field.

Zam-Buk being made from nature's own healing balms, is more powerful than ordinary ointments—better value. It can heal where other remedies fail. Read the extraordinary case of Mrs. Jeffrey in panel No. 4.

Zam-Buk, as soon as applied to an injury or skin trouble, kills all disease germs and prevents blood poison, inflammation, etc. Professor Scott, the great English Chemist, experimented with Zam-Buk in this connection. Read his findings in panel No. 1.

Zam-Buk draws from a wound or sore all the poison before healing. Read how it thus saved Mr. Evans' hand, (panel No. 2.)

Zam-Buk, if applied to skin diseases, injuries, etc., will save you money, pain, and perhaps save a limb, as in the case reported in panel No. 5.

Zam-Buk is best for children. Scores of mothers have proved this. In a nut-shell, here are Zam-Buk's points of superiority—It is herbal—not fatty. It is pure—not adulterated by minerals hidden by cheap perfume. It is antiseptic—kills all germs. It is the most powerful known healer. It does more and goes further. It keeps indefinitely—never goes bad. It is suitable alike for the skin of adults and of children—even babies. It cures old and stubborn skin diseases as well as injuries and diseases of recent date. Its price brings it within the reach of everybody. Only 50c box, 3 for $1.25. Zam-Buk, like diamonds, is imitated. Protect yourself, insist on the genuine Zam-Buk.

USE ZAM-BUK FOR

Eczema, Ulcers, Blood Poison, Piles, Cold Sores, Chapped Hands, Festering Cuts, Bruises Scalds and Burns. All druggists and stores sell at 50c box or post free for price from Zam-Buk Co., Toronto.

WHAT SCIENCE SAYS

Mr. W. Lascelles Scott, the great English chemist, says; "After exhaustive analysis I have no hesitation in certifying absolutely purity and herbal nature of Zam-Buk. It contains none of the impure animal fats and irritating minerals found in ordinary ointments. The antiseptic and bactericidal (germ-destroying) powers of Zam-Buk exceed those of carbolic acid," without inflaming, the most tender skin. 1

"IT SAVED MY HAND"

"A sore on my finger turned to blood-poisoning. After frightful agony the doctors amputated the finger. The hand and arm became terribly swollen and inflamed. Doctors again operated, scraped the bone—in vain. Said hand must be amputated. I refused and tried Zam-Buk. I persevered and complete healing resulted. I believe if I had used Zam-Buk first I would have saved my finger."—(Sgd.) John Evans, 87 Lawrence St., Halifax, N.S. 2

A MINISTER'S TRIBUTE

Rev. A. D. McLeod, of Harcourt, N.B., writes: I know of nothing like Zam-Buk. Visiting throughout an extensive mission, I see many sick and afflicted people, and have been amazed at the good Zam-Buk is doing daily. For old wounds, bad ulcers, eczema, and all skin diseases, it is unexcelled." 3

ULCER FOR 30 YEARS

Mrs. Jeffrey of 31 French St., Methuen, writes: "For thirty years I suffered intensely with an ulcer which commenced on my ankle and spread to my knee. I used every known remedy, and had medical treatment, but only got temporary relief. Some days I could not walk! I had despaired of ever finding a cure when I heard of Zam-Buk. I persevered with this remedy and the ulcer is healed." 4

$4 SPENT ON IT SAVED 2 FINGERS

"I cannot express my gratitude for what Zam-Buk has done for me," writes Mr. J. V. Besnard, of 539 Craig St. E., Montreal. "In an accident at work my hand was so badly crushed the doctor said he would have to amputate two fingers. Naturally I didn't want this, so decided to try Zam-Buk first. I applied Zam-Buk daily, and by the time I had used $4 worth, the injury was completely healed. My fingers were saved" Just another illustration of the healing power of Zam-Buk. Accidents will happen. It may be your turn next. Better get a box and keep it handy. Send coupon below and receive a free trial box. 5

SUMMARY SHOWS AUSTRIAN FINANCES GROWING HEALTHY

VIENNA, Nov. 9—In a report issued in Vienna, Dr. Zimmermann sums up the following features as evidence of satisfactory progress towards the restoration of Austria's finances:

The deficit of the budget has been reduced 760 billion kronen in six months; the nation's savings have been increased from; 32 to 400 billions in the past twelve months; the controller has been required to advance 800 billions less for the half year than the funds in hand allowed of; unemployment has decreased 54 percent compared with Febuary.

The report goes on to say, "The credit of the country has been fully restored, the kronen has been stabilized, foreign capital is flowing in and Austrian capital stored abroad is returning, the circulation is covered to the extent of 50 percent by gold reserves of the National Bank and production is increasing."

A single teaspoonful of DR. CALDWELL'S LAXATIVE SYRUP PEPSIN *Will restore good humor*

Mothers! Apply Common Sense

THIS is the era of the *prevention* of disease and sensible people do not wait until sickness has actually come before remedying the trouble. The crowded hospitals everywhere are sad examples of the results of neglect. Be especially watchful of children. Restlessness, lack of normal appetite and feverishness usually indicate constipation. Stop it that instant with a spoonful of Dr. Caldwell's Laxative Syrup Pepsin and you will have prevented real sickness. Mrs. C. S. Bungay, 19 Cnatham Av., Halifax, N. S. and Mrs. W. F. Hunter, Biggar, Sask., seldom have illness in the family because of their prompt use of Laxative Syrup Pepsin.

A Great Family Laxative

It may be difficult to decide just what medicine to use out of the many that are offered, but it would not be if you knew the facts. There are laxatives, cathartics, purgatives and physics, and they vary in their reaction on the system. Naturally, the stronger the medicine the more it shocks the system, so wise parents never give anything but a laxative to children. Dr. Caldwell's Laxative Syrup compound of Egyptian senna with pepsin and desirable aromatics, and so appreciated that it is now the largest selling preparation of its kind in the world, over 10 million bottles being used annually. The formula is on every package.

Three Rules of Health

Purchase a bottle of Laxative Syrup Pepsin at a drug store and always keep one in the family medicine chest. Give it to anyone from infant to grandparent, for it is safe, and the cost is less than a cent a dose. You can keep a family healthy with just this simple medicine. Give it for constipation, torpid liver, indigestion, biliousness, headaches, colds and other evidence of bowel obstruction. Dr. Caldwell, who was a practicing physician for 47 years and who originated this formula, had three rules of health that he found very effective among his patients and which you can follow with great benefit: Keep the head cool, the feet warm, and the bowels open.

If You Want to Try It Free Before Buying

"Syrup Pepsin," 24 Caldwell Bldg., Toronto, Ont.

I need a good laxative and would like to prove what you say about Dr. Caldwell's Laxative Syrup Pepsin by actual test. Send me a free trial bottle. Address to

Name

That croupy cough in the night

WHEN you are awakened in the night by the hoarse, choking cough of croup in the children's room, will the fact that you neglected to put rubbers on the children add self-reproach to your anxiety?

School nurses and other health authorities agree that rubbers are the best protection against the bad effects of wet feet.

Active, scuffling, heedless little feet of boys and girls give rubber footwear its severest test. All DOMINION brand rubber footwear is made with the wear quality and durability to withstand the hardest kind of wear and tear—to protect the feet and health of children and grownups.

Because of their splendid wearing quality DOMINION brand Rubbers are the most economical to buy.

Wear Dominion Rubbers

REGARDING MARKETING LIVE HOGS

We wish to inform the farmers at points where live hogs have been sold, that the majority of the live hogs are not sufficiently fatted, are altogether too THIN and will seriously injure the Island Hog business if this is continued.

We further advise that we will pay top prices for live hogs up to 240 pounds, so farmers need not fe ar to lose by extra feeding.

The market at present looks reasonably firm.
