

Take no chances—Use Helmix Capsules!

The safest, most efficient and least expensive capsule for ROUND and HOOK worms in foxes on the market. Made in Canada

- 1. The Helmix Capsules eliminate all danger of asphyxiation in case a capsule breaks in the mouth of the fox.
- 2. They may consequently be given in a small piece of meat, and need not be administered by hand, making the catching and handling of the fox unnecessary. (This, of course, does not apply to small pups.)
- 3. They are not absorbed by the intestines, and therefore do not injure the internal organs, as for instance liver and lungs.
- 4. They may safely be given to pregnant vixens, if necessary, without fear of abortion, provided they are given in a piece of meat.
- 5. They are guaranteed to remove ROUND and HOOK worms completely.
- 6. They require no laxative with after treatment.

PRICES:

Box of 24	Box of 100

HOLD SWEEPSTAKE TICKETS—Five Nova Scotians, two of them in Halifax, and one Prince Edward Island resident, are many dollars richer today, they having drawn teams in charity sweepstakes conducted under the auspices of the E. P. O. Elks and the Army and Navy Veterans of Canada in connection with the National Hockey League and Stanley Cup play-offs. Murray Freeman, of Mahone Bay, drew "Canadiens" in the Elks sweep. The amount of his winning is not known, but is believed to exceed several thousand dollars. Other ticket-holders in this sweep who win money are: C. F. Gray, Halifax, ("Boston"); Waldo MacMillan, New Waterford, ("Detroit"); Mikel Dwyer, Stellarton, ("Maroons"); G. P. Arsenault, Bloomfield, P. E. I., ("Toronto").—Halifax Chronicle.

MONKEY PERFORMANCE FATAL

When an Italian organ grinder was exhibiting a performing monkey before an admiring audience of young and old in a street in Belfast, Ireland, recently, a motor truck dashed into the crowd. Several persons were knocked down. Daniel McShane, 32, was run over and killed and many others were seriously injured.

INSTITUTE NEWS—The members of Vernon River Women's Institute held their regular monthly meeting at the home of the President, Mrs. John Currie. The meeting opened by singing the Institute Ode, followed by repeating the Creed in unison. Fourteen members and three visitors were present. The roll call was answered by "Time Saving Devices." The minutes of the previous meeting were read and adopted. All unfinished business was discussed and settled. The reports were heard from the sick and school committees and new ones appointed. The Secretary reported having received the Government Grant. It was moved and seconded that books be purchased for the school. The program for the evening consisted of instrumental music by Miss P. Richards; duet, by Misses Walker and Westherbie, and a contest, put on by Miss G. MacMillan. Lunch was served by the hostess. The meeting closed by singing the National Anthem.

ELECTED COUNCILLOR

Through an error, the name of Mrs. F. McKearney was inadvertently omitted from the list of councillors elected at the C. W. L. annual meeting.

ENJOYABLE SOCIAL EVENING

The first of a series of social evenings including auction forty-fives was held Wednesday evening in the new hall of the Benevolent Irish Society, Canadian Bank of Commerce Building, with upwards of two hundred people, and needless to say enjoyed by all. It is the intention of the B. I. S. to hold these social evenings for the next two months on Wednesdays of each week. First ladies prize was won by Miss Cecelia Cronin, second ladies, Miss Annie Bradley, first gent, Mrs. Pius Clarkin, second gent, James Brown, lucky table, James Monaghan.

GLENROY INSTITUTE—The April meeting of Glenroy Women's Institute was held at the home of Mrs. Emmett McKenna on Wednesday evening, April 15th, with eight members and three visitors in attendance. The President presided, the program consisted of gramophone selections. Roll call responded to by paying a nickel. The minutes of the March meeting were read and approved. The sick committee was absent, but School Committee reported one visit to the school. No new business was undertaken for the present. Meeting closed with God Save the King. Lunch was then served by the hostess and the remainder of the evening was spent in social chat. Mrs. Joseph Barrett invited the next meeting to her home, roll call to be answered to by paying a nickel.

HUNTER RIVER AND VICINITY

The Wheatley River Institute was delightfully entertained at the home of Mrs. Ivo MacDonald with a large attendance of members and visitors present. Dainty refreshments were served by the hostess assisted by her sister Miss Cassie Ratway.

A delightful farewell party and dance was given at the home of Mr. Russel Vesey, Hunter River, Chief Section Man of the Canadian National Railway who had been transferred to Emerald, by many of his Hunter River friends and acquaintances who all regret the departure of Mr. and Mrs. Vesey from their midst. What is one community's loss is Emerald's gain. At a late hour all declaring they had a lovely time and wishing Mr. and Mrs. Vesey much happiness in their new home.

Messrs Alder and Richard Dickison, New Glasgow, were visitors to the provincial capital on Monday.

Mr. James Stevenson, Rustico was a visitor to Charlottetown.

PURE MAPLE PRODUCTS

One effect already noticeable in connection with the 1931 maple products crop is marked improvement in the purity and quality of the syrup and sugar coming onto the market. This is attributed to the provisions of the new Maple Sugar Industry Act and Regulations which came into effect March 1. Under its provisions commercial manufacturing and packing plants selling their product outside the province in which the plant is located require to be licensed, and all other commercial plants require

WHAT ARE SCREENINGS

The Seed Branch of the Dominion Department of Agriculture has authorized the following specifications for screenings:

- First: "No 1 Feed Screenings"—consisting of broken and shrunken wheat mixed with wild buckwheat and which may not contain more than 3 per cent by weight of small valueless weed seeds.
- Second: "Mixed Feed Oats"—consisting largely of wild oats but with small percentage of domestic oats and barley.
- Third: "Refuse Screenings"—which are made up of chaff and injurious weed seeds and so are unsuitable for feed purposes.

HELPS SHEEP BREEDERS

One of the outstanding advantages of Ram Grading in connection with Federal assistance to sheep breeding through the Live Stock Branch at Ottawa, is the fact that individual farmers, clubs or associations can now either buy by mail order, by individual selection at the breeder's farm, or in the sale ring with greater assurance that the graded animal possesses most of the essentials of a good sire. The value of ram grading to the industry is reflected in the steady improvement which is noted in pure bred flocks throughout the Dominion.

BEDEQUE

Mr. and Mrs. Frank Newsome, Rose Valley, have returned to their home after attending the funeral of the former's uncle, Mr. Artemus Collett, Centreville, Bedeque.

Mr. Peter Clark, Emerald, was a recent visitor to Charlottetown, visiting some immediate friends and relatives.

Mr. Charles Leard, student of the Mount Allison Academy, Sackville, N. B., spent his Easter holidays with his parents Mr. and Mrs. Wright Leard Central Bedeque.

Mrs. Emmett Dunn and Miss Ella Dunn of Springfield, were welcome visitors to Kinkora, last Sunday.

The many friends of Mr. Fenwick Lefuray North Bedeque, are very pleased to see him out and about again after his serious indisposition.

The lobster men are taking advantage of the present limited quantity of snow to purchase their season's supplies and getting them to their places such as, wood, rope, factory and cookhouse supplies as heavy groceries, like barrels of beef, pork, etc. It seems all of the fishermen are making present arrangements to continue their fishing and canning as usual. At one time the immediate thought arose that few or none would operate in the fishing business, this year, but the prospects have brightened considerably. At the many sacrificed sales of lobsters, canned and whole, last fall, the market has been cleared up and it is not believed many cases were carried over winter.

Mr. T. J. Inman, Central Bedeque, was a recent visitor to Tyron, visiting some former friends and relatives.

Mr. Nathan Ramsay, of Kinkora, spent a very pleasant week holiday in Knutsford visiting old friends, acquaintances and relatives.

The Bedeque Bay and the Sum-April 10th. This is a somewhat earlier ice on Wednesday, making it almost ready for the Bedeque ferry to commence her work for the summer. The ferry was officially tried out by her crew and was expected to make her first trip of the season on Friday, April 10th. This is somewhat earlier date than for some years. Owing to the slight frost this winter the ice on the Bay and harbour never hardened, as in previous winters and travelling on it was only safe for about two months, this winter. There was considerable ice around the Sum-

meride wharf and the Bedeque wharf which is expected will be gone by Friday. The fishermen report a lot of ice still in the river. The lobster fishermen are busily engaged in getting fishing supplies, and gear ready for the season's fishing, which opens on May 1st. The fishermen, anticipate the market in general will be somewhat lower from that of last year.

Mr. Mynard Schurman, Summerside, has returned to his home, after spending some time with his brother, Mr. Fenwick Lefuray North Bedeque.

Mr. Charles Sharkey and daughter, Miss Edith, of Centreville Bedeque, spent Sunday in Aikany, visiting some friends.

Miss Edith Keefe, Kinkora, attended the Teachers Convention in Charlottetown.

It is expected that many of our energetic farmers in all parts of the Island will be ready to accept the invitation to participate in the World's Grain Exhibition and Conference, which meets in the City of Regina, beginning July 25th, to August 6, 1932. The Regina, Alberta Exhibition grounds where the Exhibition and Conference will be held, are some ninety acres in extent. They are within walking distance of the centre of the great city. It is hoped

that our farmers will begin to prepare their entries as early as possible and that in the end they will be able to produce varieties which will be successful enough to bring honors back to our already prosperous "Garden of the Gulf."

Mrs. Fidele Perry of Summerside, spending a very pleasant week's holiday visiting her many relatives and acquaintances in Kinkora.

The Young People's Society of the Centreville Bedeque United Church was held in the vestry of Church on Wednesday evening. A good attendance of young people being present a very successful meeting was enjoyed by the members. The president presided. After the business portion and devotional period of the meeting was over, to the great pleasure of the members of this society, a very interesting and instructive address on the "Red Cross Clinic" was ably given by Miss L. Price, R. N. Red Cross Nurse, of Charlottetown. A vote of thanks, on behalf of the members was cordially extended to Miss Price. The meeting was then brought to a close. Rev. A. J. Reynolds, is the honorary leader of this society, and in his efficient manner, has gathered together a large number of Young People, who have been successful in making a very popular society and carry on splendid religious and social work.—B.
