**Pure Wool Versus Shoddy**

Everybody sees the folly of buying clothes made from shoddy cloth but the large majority of consumers not being experts do not know until after they have worn them "what was in them" and then it is too late.

People buy shoddy cloth and clothing chiefly because the merchant forces the sale of such stuff, there being more profit in it.

**FOR HIM**

And the purchaser thinks they are cheaper not being able to discriminate between shoddy and pure wool.

**We Use No Shoddy In Our Factories**
