

NOT HER FEET WET CAUGHT BAD COLD

Mrs. Ernest Hall, Cardinal, Ont., writes: "Last winter I got my feet wet and I caught a terrible cold. I tried different kinds of medicine, but it did me any good and I seemed to be getting worse all the time."

One day I was reading about what medicine had done for others, so I bought a bottle. After I had taken a few doses I found it was helping me, so I took a few bottles and was completely restored to health. I cannot praise

Dr. Wood's Norway Pine Syrup highly, as I believe that if it were for it I would be an invalid to

Titled Master Of Ceremonies

(By British United Press.) LONDON, April 14.—Sir Robert Peel, Bart., grandson of the Prime Minister of that name who repealed the Corn Laws, will in future be seen on three nights a week on the floor of the Palace ballroom, Birmingham.

Chiefly he will be Master of Ceremonies, but occasionally he will dance with women and girls who come without partners.

Sir Robert, who is the husband of Esau Lillie, the actress, has gone into partnership with a local entertainment caterer in organizing dances, and the ballroom, which accommodates 400 persons, was opened recently.

He denies that his idea is to augment his income. "I am simply doing it as a hobby," he said. "I wanted something to occupy my time."

Tone Up The Blood And Nerves Now

Dr. Williams' Pink Pills Have No Equal for This Purpose

Anaemia, or lack of good blood causes not only pale faces and white lips; it is the root of many pains and miseries. It is the cause of shattered nerves, headaches and backaches, and the always tired feeling from which so many women and girls suffer.

To regain new health and strength the blood should be enriched through the tonic treatment with Dr. Williams' Pink Pills. This medicine has brought new health and strength to thousands of weak dependant people.

Among those who have found new health through the use of this medicine is Mrs. Gregory J. Murphy, East Ship Harbor, N. S., who says: "I bless the day I heard of Dr. Williams' Pink Pills. Before I began their use I was in a run-down and very weak condition. The least exertion would leave me breathless and tired out. Housework was a trial, and at times I felt very despondent. A friend advised me to try Dr. Williams' Pink Pills and I got six boxes. I had not been taking the pills very long until I began to improve in health, and continuing their use they restored me to my former good health."

Also gave the pills to my daughter, who was anaemic and run-down with the same good results. Now I always have the pills in the house, and would not like to be without them."

Get a box of Dr. Williams' Pink Pills from your druggist to-day, or send 50 cents to The Dr. Williams' Medicine Co., Brockville, Ont., and a box will be sent you post paid. A little book, "Building Up The Blood," which explains the treatment, will be sent free on request.

Yolks of eggs may be kept for several days by covering them with milk or olive oil.

Before filling cushions or pillows, the inside of the case should be rubbed with beeswax to make them down-proof.

FAMOUS PICTURE.—Those who attended Zion Church last Sabbath evening, saw a picture that has attracted much attention in recent years by the celebrated English artist, Herbert Schmalz. The plan of this picture, "The Return From Calvary," was suggested to his mind no doubt, by the beautiful passage in John's Gospel, Chapter 19, 25-27. "Now There stood by the Cross of Jesus His Mother..." The subject had been in his mind for a long time only as "while at work I suddenly realized the entire scene and at once made a rough pastel sketch." He found himself handicapped, however, by lack of knowledge, as to atmosphere, local setting, costumes, etc., to do full justice to his subject he visited the Holy Land and the Holy City. He spent an entire year there making various sketches all of which he used in the final painting as we have it. Weather permitting, this picture may be on view at Zion Presbyterian Church, corner of Prince and Grafton Streets, Friday and Saturday of this week. It will be the topic of the Ministers Sermon Sabbath evening.

Tinting Tips

Here's the secret of giving lingerie, stockings, etc., the most gorgeous tints. All tints are really colors. So use real dyes. Get an envelope of the actual dye powder at any drugstore, for fifteen cents. Do your own diluting, which saves money and gives you the exact shade you want.

Diamond dyes do perfectly beautiful tinting—in cold water. A dip, and it's done. And true dyes don't streak! Dye-tinting doesn't look weak, however delicate a tone you use; nor does it wash out unevenly. When you want the tint to be permanent, just use boiling water instead of cold!

Regular dyeing of all dress materials, drapes, etc., just as easy. Ask druggist for color cards and suggestions. Or, a wealth of ideas in full colors, in the book Color Craft free and postpaid; write DIAMOND DYES, Dept. N30, Windsor, Ontario.
