It Works! Try It
Tells how to loosen a sore,
tender corn so it lifts
out without pain.

Good news spreads rapidly and
druggists here are kept busy dispens-
ing freezone, the other discovery of
a Cincinnati man, which is said to
loosen any corn so it lifts out with
the fingers.
Ask at any pharmacy for a quarter
ounce of freezone, which will cost very
little, but is said to be sufficient to
rid one's feet of every hard or soft
corn or callus.
You apply just a few drops on the
tender, aching corn and instantly the
soreness is relieved, and soon the corn
is so shriveled that it lifts out with-
out pain. It is a sticky substance
which dries when applied and never
inflames or even irritates the adjoin-
ing tissue.
This discovery will prevent thou-
sands of deaths annually from lock-
jaw and infection heretofore resulting
from the suicidal habit of cutting
corns.

**DRINK HOT WATER
IF YOU DESIRE A
ROSY COMPLEXION**
Says we can't help but look
better and feel better
after an inside bath.

To look one's best and feel one's
best is to enjoy an inside bath each
morning to flush from the system the
previous day's waste, sour fermenta-
tions and poisonous toxins before
they are absorbed into the blood. Just as
coal, when it burns, leaves behind a
certain amount of incombustible
material in the form of ashes, so the
food and drink taken each day leave
in the alimentary organs a certain
amount of indigestible material, which if
not eliminated, form toxins and poi-
sons which are then sucked into the
blood through the very ducts which
are intended to suck in only nourish-
ment to sustain the body.

If you want to see the glow of
healthy bloom in your cheeks, to see
your skin get clearer and clearer, you
are told to drink every morning upon
arising, a glass of hot water with a
teaspoonful of limestone phosphate in
it, which is a harmless means of wash-
ing the waste materials and
toxins from the stomach, liver, kid-
neys and bowels, before putting more
food into the stomach.

Men and women with sallow skins,
fiver spots, pimples or pallid com-
plexion, are those who wake up with
a coated tongue, bad taste, nasty
breath, others who are bothered with
headaches, bilious spells, acid stom-
ach or constipation should begin this
phosphated hot water drinking.

A quarter pound of limestone phos-
phate costs very little at the dru-
store but is sufficient to demon-
strate that just as soap and hot water
cleanses, purifies and freshens the
skin on the outside, so hot water and
limestone phosphate act on the in-
side organs.

**Our Price Is So Low
That "Ready-Made" Clothiers
Would Call It A Sale**

It is a Distinct Point in Favor of Our
Made-To-Measure Garments

It is true that our custom tailored Made-to-Measure Suits and Overcoats are
more substantial values that can be obtained at double our price, or even
at higher prices, in Ready-Made clothes, the best reason for Made-to-Measure
tailoring is—individuality.

Ready-Made clothes are designed and made half-a-year before, they are
sold to the wearer. English & Scotch Woollen Co.
Made-to-Measure Garments are fashioned after the
models of the day—why not step out of the rut—
with our help?—a Salesman at any one of our 22
Stores and Tailor Shops will gladly show you the
fine imported fabrics of quality, he will take your
measure, and the garments will be made for you,
as you want them.

More Quality Less Money

Contractors to the
British and Canadian
Governments

If you really think well of yourself, you should show it
by wearing Made-to-Measure Clothes. You should
look upon yourself as something more than a unit for the
census-taker. The man who has a proper sense of per-
sonal worth will take pains to be individually dressed.
Democracy may have made the sack suit a symbol of
equality, but the man who refuses to be merely one of the
crowd, will always find the way to express the fact by
having his clothes Made-to-Measure. An English &
Scotch Woollen Co. Made-to-Measure Suit or Overcoat
his season is a real investment in comfort, quality, and
at our price, they will re-
turn dividends of pleasure
and will increase in value.
