"Father Morriscy's No. 10" (Lung Tonic) Goes a Step Further Than Other Cough Medicines.

Left to themselves, most "Common Colds" will run their course and depart. But they leave reminders in the shape of lingering, irritating coughs and weak throats and lungs.

There are many cough medicines on the market that help to stop a cold, but they do it because they contain Opium, Morphine or similar drugs that simply quiet or deaden the irritation, but do not remove the cause. Such medicines do little or no permanent good and often a great deal of harm, particularly to children.

"Father Morriscy's No. 10" is made of Roots, Herbs and Balsams, without a trace of Morphine or any other harmful drug. It goes straight to the root of the trouble and removes the cause of the cough. It restores lungs and throat to a healthy condition, tones them up, and makes them stronger than ever to resist colds and more serious diseases. Trial bottle, 25c. Regular size, 50c. At your dealer's or from Father Morriscy Medicine Co., Ltd., Chatham, N.B. 12

THE MORNING PAPER

Some Reasons Why it Makes the Best Advertising Medium.

A woman's curiosity to know about society, marriages, births, deaths, forces her to read it.

The Morning Paper is before her all day long, and it is when she is doing her household duties, arranging and improving the appearance of her home, that the missing and necessary articles of furniture, rugs, carpets, curtains or other necessities, show up the plainest, and there could be no more opportune time for a dealer to tell about the new designs, the new styles and the bargains offered, for the day or week.

In a majority of homes the newspaper it practically the bulk of the reading matter, and the long, all-day life from 5 a. m. to 10 p. m. of The Morning Paper gives not only the housewife but every member of the family an opportunity to read it.

The Morning Paper is read at the breakfast table, again at home at noon, on the trains, in the restaurants. It is read in doctor's offices, professional offices, clubs, hotels, cafes, barber shops. It is read by daylight everywhere you go by both employer and employee.

It is a known fact that throughout the world, possibly with a half-dozen exceptions, the papers with editorial influence and national reputation are Morning Papers.

With these facts in mind, the business man who is looking after the real money-spenders of the family to interest in his goods will consult his best interests by placing his announcements where the women will read them.
