DAILY SELECTIONS FOR GUARDIAN READERS

THE CALL TO THE NATION.

By the Poet Laureate.

Thou careless, awake!
Thou, peacemaker fight!
Stand, England, for honour
And God guards the right.

Thy mirth lay aside,
Thy caviar and play,
The foe is upon thee
And grave is the day.

The Monarch, Ambition,
Has harnessed his slaves,
But the folk of the ocean
Are free as the waves.

For peace thou art armed,
Thy freedom to hold
Thy courage as iron,
Thy good faith as gold.

Through fire, air and water
Thy trial must be
But they that love life best
Die gladly for thee.

The love of their mother
Is strong to command;
The fame of their father
It might to their hand.

Much suffering shall cleanse thee,
But thou through the flood
Shalt win to salvation
To beauty through blood.

Up, careless, awake!
Yes, peacemaker, fight!
England stands for honour,
God defend the right.

—Robert Bridges.

THE CENTRAL GUARDIAN

IT PAYS to buy in this province.

PAINTING THE POST OFFICE.—The General Post Office, Charlottetown, is now in the hands of the painters. The interior is being thoroughly repainted.

RED CROSS WORK.—The branch of the Red Cross Society organized in Pownal last Tuesday is doing splendidly. Already considerable work has been put through and the goods delivered to the proper agent in Charlottetown.

FOX MARKET.—The Farm Stock and Fox Exchange has received from investors the considerable sum of \$10,000 for investment in the Anglo-American Silver Black Fox Company. One of the facts that the money market is tied up as a result of the war the investment of such a large amount in foxes proves beyond question the stability of the industry.

ENGINE DISABLED.—The engine drawing the train from Charlottetown to Murray Harbor which left the city yesterday afternoon, became disabled at Hopefield, while running for Murray Harbor. A special was sent out from Charlottetown leaving at 10.30 o'clock last night, to take the train and its "startled" passengers into Murray Harbor.

OLD COINS FOUND.—Mr. Patrick Trainor, Kelly's Cross, while engaged in plowing in a field on his farm, in the vicinity, where many years ago stood a dwelling, picked up two coins, one an old copper, the other a very old French coin, dated 1410. On one side is the picture of a lion. The coin is quite a curiosity, being over five centuries old, and is thought to be very rare and valuable.

PREPARING FOR THE CALL.—Dr. Thoomb, Mt. Stewart, had a letter recently from his brother Rev. H. Toombs of Nanton, Alberta. He says that every little town in the province is having daily rifle practice and holding themselves in readiness for the Empire's call. Rev. Mr. Toombs is not the only minister in Nanton that shoots six days of the week and preaches on the seventh.—L.

ROAD MAKING.—A much needed piece of work is being done on the wharf road in Mt. Stewart. Over a hundred loads of stone were hauled and now a number of men are engaged breaking it. This with a good layer of gravel on top will make a good road and will be of service in the shipping season this fall. Mr. D. McWilliams is superintending the work.—L.

PATRIOTIC MEETING.—A patriotic meeting was held last evening in St. Paul's Hall, Summerside, in connection with the Army Field Service Fund. The attendance was not what it might have been, but all who were present subscribed liberally for the cause. Hon. John Richards in a patriotic speech asked those who are unable to go to the front to help those who are so nobly fighting our battles, as well as their own. He mentioned the fact that the farmers of P. E. Island were asked to contribute 100,000 bushels of oats, and he thought it was necessary they would give 200,000 bushels. To buy the bags and deliver this contribution to the port in France designated by the Government it would require about \$10,000. Mayor Saunders spoke of the love we Canadians have for the Union Jack, and mentioned the fact that it is our duty to play our part in fighting for the freedom we enjoy under the British flag. Rev. Dr. Gauthier pointed out that the gift of the farmers of P. E. Island would amount to about \$50,000 if they did their duty as they always did in the past. Rev. H. J. Fraser compared the days of fate through which we are now passing to those of Napoleon. Never, he declared, had this Empire striven for a great motive with cleaner hands and conscience. "The day the Germans had so long boasted and looked forward to had arrived and it is our duty now to make that "day" so memorable to the Germans that they will never want to see or hear of it again. Fact that our Mother Country had done so much for us in the past, that we in turn should show our gratitude by contributing liberally, as money will play a very important part in this war. Brief but eloquent speeches were made by Hon. A. E. McNeill, Mr. Neil McLeod, Dr. Alex. McNeill, Dr. A. A. McLellan, Captain Jos. Reid, Mr. E. H. Raynor, Mr. Wm. Stewart and many others. Mayor Saunders was appointed treasurer of the fund for the present time. A committee of two was appointed to solicit subscriptions for the fund in each ward of Summerside, to report in a week's time. The following are the subscriptions up to date: Bruce McKay Co., Ltd., \$500; B. I. Raynor, \$500; Sinclair and Stewart, \$250; E. H. Raynor, \$250; R. T. Holman, Ltd., \$250; Hon. John Richards, \$200, including \$150 he gave in Charlottetown; Jos. Reid and Co., \$100; Mayor Saunders, \$50; Neil McLeod, \$50; J. H. Bell, \$50; Dr. J. F. McNeill, \$25; Neil Sinclair, \$25; Dr. A. A. McLellan, \$25; Dr. Alex. McNeill, \$25; Mr. Chas. Hensley, \$20; Mr. Percy Tanton, \$20; Rev. J. McLean, \$20; Mr. W. W. Smith, \$5; Mr. Major Huestis, \$5; Mr. G. W. Warren, \$5; Mr. G. Henry Walker, \$5; Mr. A. J. McCormick, \$5; Mr. R. H. Morrison, \$2; Mr. B. R. Donald, \$2; Mr. Joseph L. Murhead, \$2; Mr. Dunce Shaw, \$1; Mr. John Pond, \$1; Mr. Hartz Godkin, \$1; Mr. Morley Bell, \$1; Mr. John F. McNeill, \$1; Mr. R. B. Rogers, \$1; Mr. Wm. Steves, \$1; Mr. W. H. Cannon, \$1; Mr. H. Warren, \$1; Mr. R. H. McDonald, two bags of oats. Total up to date, \$2,745.

BAYSIDE.—The school is now in session after the summer holidays. Miss Sadie Egan, teacher, has again resumed her duties at Bayside school. Mr. John McIntyre, of Boston, is visiting at his home in Bayside.

PAINFUL ACCIDENT.—Mr. Ernest Innes, Hazelbrook, met with a painful accident last Thursday. While a team of horses were passing through a gateway he put his hand on one of the horses, with the result that the beast kicked him over the eye, making an ugly gash that required medical attendance.

S. S. HARLAND.—The S. S. Harland arrived in Victoria, Wednesday evening at about 8 o'clock. She was two hours late, having met with an accident to her propeller while on her trip to Orwell. She had a cargo of mixed freight for merchants in Victoria and vicinity. On Thursday she left Victoria at 7.00 a. m., returning at 6.00 p. m. Besides some small freight she had on board seventy barrels of flour. After discharging freight she left on return to Charlottetown at about 6.30.—V.

FUNERAL HELD.—The funeral of the late Miss Gertrude Soucy who died in Scammon, Worcester, Mass., took place on Friday afternoon from the residence of her father, Mr. Shearlin, 48 Longworth Avenue, and was largely attended by friends who wished to pay a last tribute to one they had greatly esteemed. The impressive funeral services at the house and grave were taken by Rev. D. McLean who spoke words of comfort and sympathy to the bereaved relatives. The floral tributes were very handsome and were silent tokens of the deep sympathy of all.

SCOTCHFORTH.—Mr. John A. McDonald, Scotchfort, is having his house painted and when finished will present an up-to-date appearance. Miss Blanche Dougan, teacher at Newtown Cross, spent Labor Day at her home in Tracadie. On the eve of her departure for the West, a number of young people gathered at the home of Mr. Aeneas McAdam, West St. Peters, on Monday night last to make fun and merriment and drive dull care away. Dancing was freely indulged in till the wee small hours when all departed thanking Mr. McAdam for the most enjoyable time and wishing him the best of good luck and a safe return to the West.—Mrs. Montague McKay, Glenroy, has returned home after spending the past three weeks visiting friends in Nova Scotia.—S.

MARKET FOR APPLES.—Apples are likely to be very cheap this year. Nova Scotia has nearly one million barrels and Ontario has a bigger crop than usual. Nearly all of these are to be exported to the British Isles, but this year, on account of the war, the majority of the output will have to be marketed locally. It might be advisable therefore for fruit growers in this province and farmers who have surplus apples to convert them into jams and jellies for winter use. The price of sugar is undoubtedly high but every year there is thousands of dollars' worth of jams and jellies brought into the province and these apples, which would otherwise be wasted, might well take their place, to a limited extent at least.

INSTITUTE MEETING.—The monthly meeting of the Cornwall-York Institute was held in the school house at York Point on Monday Sept. 7th. There was quite a number present and after the regular business of the Institute was disposed of the work of the Red Cross Society was discussed and the members of the Institute showed their patriotism

by donating \$27.00 to the interests of that Society. The subject under discussion was Canning and Pickling and many useful recipes were interchanged. The next meeting of the institute will be held in Cornwall school-house on Monday, Oct. 5th, at 2.30. A practical demonstration on sawing will be given by one of the members.
