WAS CURED OF ASTHMA

"I first used Dr. Chase's Syrup of Linseed and Turpentine with my daughter who suffered from a severe form of asthma. The first exposure to cold would lay her up and she would nearly suffocate for want of breath. I must say I found it to be a most satisfactory treatment and it has entirely cured her."—Mrs. A. A. STARTED TO GAIN

As Soon as he began to use Dodd's Kidney Pills—Story of Amos Stewart.

GERBERICH, Ont., Oct. 24.—(Special)—Mr. Amos Stewart, flour miller of this town, has proved the value of Dodd's Kidney Pills as a tonic.

"I had been very poorly for about a year," says Mr. Stewart, "and though I was treated by two doctors I kept losing flesh all the time. Then I commenced using Dodd's Kidney Pills, and in ten days gained six pounds. I am still gaining a little every day, and I am feeling better in every way. I feel that I owe it all to Dodd's Kidney Pills." Dodd's Kidney Pills ensure sound Kidneys; sound Kidneys give pure blood, pure blood means health and strength all over the body.

The White Man's Burden

Would be considerably lightened, if his wife would only buy all her own and her daughter's gowns, jackets, hats, furs and dry goods generally from us, as we strive always to give you the best possible materials at the lowest possible prices. Our goods are always priced at a fair living profit only, and—qualities considered—are the most reasonable to be found.

A WOMAN'S DUTY

is—to be as well dressed as her purse and her taste will permit her, without extravagant expenditure. We can help her out in this, with our correct and exclusive designs in

READY-MADE SKIRTS

in black, navy, green, browns, greys and flaked effects, made and trimmed in manner to do credit to a first-class dressmaker.

Ready-made Blouses and Shirt Waists

in black, navy, sky, pink, pale green and cardinal silks, some simply tucked, others most elaborately trimmed. Also a nice range in cashmere, lustre, French flannel and flannelette. We also show a superior assortment of

Ladies' Coats and Mantles

in black and all the fashionable shades and mixtures. The styles are all strictly fresh this season, not a "has been" masquerading as new among them, and the stock is very complete as to sizes. Then we have here in abundance the most

Bewitching Creations in Headwear

both from our own workrooms and in the ready-to-wear felt hats. The appearance of an otherwise elegant toilet is often marred by a common place hat. The kind we make have a style, an individuality suited to the wearer, and no woman wearing one of these really artistic hats, can help looking well dressed. Our

Elegant Fur Ruffs and Setts

are selling fast, and although our assortments are large—first comers always have first choice—so it will be to your advantage to come early. Our range of Fur Jackets are the best we have ever shown, and we will appreciate your interest if you will call and see the display.
