Owing to stormy weather the farmers institute meeting did not take place at Central Bedouque. A meeting is called for the same purpose on Friday the 14th at 7.30 p. m., in the school house at West Newton, Lot 26. John Sinclair will be present and will give an address on the Pork Industry.

The following address was presented to F. P. Murphy, teacher at Emerald, at the Xmas closing—The season is fast approaching when it is customary for people almost throughout the whole civilized world to exchange their kindest greetings and best wishes. We, your pupils of the Emerald School District, feel that we have many special reasons for extending to you our best wishes at this Christmastide. This is now the third year that we have been associated as teacher and pupils, and during that time you have endeared yourself to us by your kindness, thoughtfulness and patience, and to our parents by your energetic and painstaking efforts on our behalf. We therefore beg of you to accept this small gift, not for its intrinsic value, but as a token of our appreciation of you and your work. We hope you may continue for many years as Principal of this school and we one and all wish you a happy Christmas and many prosperous New Years.

SICK HEADACHE

A Symptom of Troubles Which are Removed by Dr. Morse's Indian Root Pills.

Sick headaches are not merely afflictions to be borne as patiently as possible—they are danger signals. They never come unless the digestive system is out of order, and their regular recurrence is proof positive of serious trouble and a warning that should be heeded promptly.

Sick headaches are caused by Indigestion, Bilelessness or Constipation, and no amount of 'headache powders' will do more than temporarily relieve them. The only way to get rid of them entirely is to cure the Constipation or Indigestion that is causing them, and nothing will do this quicker or more effectively than Dr. Morse's Indian Root Pills.

Dr. Morse's Indian Root Pills are purely vegetable in character, and are free from any harmful drug. For over fifty years they have been in constant use in Canada, and have proved most effective in regulating the bowels, aiding digestion, banishing sick headaches and restoring vigorous health.

Dr. Morse's Indian Root Pills have stood the test for over fifty years. 25c. Wholesale, W. H. Comstock Co., 100, St. John St., Ont.

On the 27th Dec, 1909, a deep sadness spread over O'Leary, when it was learned that Mrs Howard Ramsay had passed away. Deceased had been in failing health for the past two years, and notwithstanding the best medical skill of United States, her former home, and of P.E. Island, her native land, had been procured, she gradually faded away. She was a person of amiable disposition, kind nature, highly esteemed and loved by all who knew her and very much attached to her husband and children. She lived an exemplary Christian life, and a short while before her death she sang, with much expression, 'Only waiting for the morning, etc.' She leaves to mourn, besides a large circle of relatives and friends, a husband and a little daughter, Lois, six years old, and a son, Roy, two years; also her father, Jas R. Stewart, one sister Myrtle, and one brother, Talmage, at home. Her other sisters are: Mrs Alfred Adams, O'Leary; Mrs George Webb, O'Leary; and Mrs B. B. Haywood, Vancouver, B. C. The funeral took place Wednesday afternoon, and was largely attended. Deceased was George Miller, Alberton, and A. Young, officiated, while the mortal remains of one so much loved were laid to rest in the Presbyterian cemetery at Bloomfield, Com.

To Be DYSPEPTIC Is To Be MISERABLE.

Dyspepsia is the prevailing malady of civilized life. It is largely due to gross errors in diet, over-eating, too free indulgence in stimulants and over-taxing the stomach with indigestible food, eating too rapidly without chewing the food sufficiently, indulging in hot biscuits, pastry, pickles, confectionery, etc.

Burdock Blood Bitters has an established reputation, extending over thirty-four years, as a positive cure for dyspepsia in all its forms, and from all diseases arising from it.
