

Remembrance Day In S' Side

Services Appropriate To The Occasion Celebrated By Various Churches.

(Special to The Guardian)
Remembrance Day was fittingly observed in Summerside yesterday with services in the churches and a special memorial service at the soldiers' monument in Dominion Square under the auspices of the Canadian Legion. A slight drizzle of rain at the commencement of the service seemed as if it would mar the beautiful program which had been arranged, but in a short while the sun came through the clouds and shone on the great gathering of people who had assembled there to do honour to those dear ones who had died in the cause of liberty and peace. The scene was very impressive.

At the four corners of the monument stood a soldier of the armed Guard of Honor in full battle order resting at arms reversed. Lieut. J. S. Wright bearing the colors of the Highlanders (Black Watch) stood immediately in front of the monument. The Highlanders and returned men formed a hollow square on three sides and at the back were massed the Boy Scouts, Wolf Cubs, school children and nurses. The people all wearing poppies stood quietly around. The band stood draped in red, white and blue was occupied by the speakers, clergy, Mayor and Town Council and the band. This great silent concourse of people of all ages and creeds had come to this spot on this Memorial Day with the same purpose, that of paying tribute to their heroes and also to give thanks to God that after fourteen years the nations were still keeping faith with their dead.

The ceremony was opened by Mayor Manson with a few remarks befitting the occasion. "O Canada" was then sung by the school children, followed by prayer, by Rev. J. B. Wilson. Rev. C. J. St. Clair Jeans was the first speaker. In a short but eloquent address, he reminded all of their duty on this memorial occasion that once at least every year we must pause in our daily tasks to remember those who died on Flanders Fields and fellowship and brotherhood, all classes and creeds offer up to God a prayer of thankfulness that these lives were not offered in vain.

The speaker said that there were some people who say that we should not keep this day, there are even those who say it interferes with business. But, said the speaker, "a nation who does not remember its heroes is not fit to live." The children too have a duty to perform. The ranks of the Legion are growing thinner and soon none would be left who were comrades of those who had passed on and it would be the duty of the children of today to see that this day will not be forgotten and that it is remembered by them and their children and their children's children in to perpetuity. The stirring hymn "O God Our Help in Ages Past" followed. Rev. G. J. McLellan, D.D., opened his address with the text, "Greater love hath no man than he who lays down his life for his friends." In speaking of that great sacrifice that was made by millions of our fellowmen in order that we might live in peace and enjoy the comforts of home and children. Rev. Father McLellan said in part that we have come here today to pay tribute to these heroes, and we trust that never again may humanity be called upon to make such a sacrifice, but are we living and educating ourselves for peace, are the powers that be, doing all they can to prevent peace? That is the question. Many view with grave concern the economic conditions of the day. The pitiful circumstances of the masses which will lead to revolution unless a remedy is found to relieve the situation. It is the duty of the state to see to these things, but they alone cannot secure for us that peace which every nation prays for unless we come nearer to the doctrine of Christ the Prince of Peace, and strive to live in charity, one with the other to work in harmony with our fellows, we will never be free from strife and the horrors of war and it is the duty of every Minister of God, of whatever creed to teach the doctrine of Christ, so that all may come to live in such love and charity one with the other, that there will be no more war.

Rev. L. B. Campbell offered prayer for those who had lost dear ones in the war. The ceremony of laying the wreaths then took place as follows: The Legion, placed by Comrade B. W. Robinson, President of the local branch; town of Summerside, placed by Councillor Sampson Grady; Summerside High School, placed by Harry Darby; St. Mary's Academy, placed by Miss Helen McPhee; Daughters of the Empire, placed by the Regent, Miss Hunt; Catholic Women's League,

placed by the President, Mrs. Parnell MacMahon; Loyal Orange Order, placed by the Grand Master, W. W. Muttart; Boy Scouts, placed by patrol leader James McInnis, on behalf of the first and second Summerside troops.
Two minutes silence during the sounding of the Last Post. The General Salute was given by the Colours and Armed Guard. Blessing by Rev. Dr. McLellan, children's flag salute and the King.

THE PARADE

The parade formed at the armory at 9.45 a. m. in the following order: Lieut. Col. U. G. Dawson, N. D., as Marshall of the parade; detachment of Royal Canadian Mounted Police; town police, the colours, borne by J. S. Wright; Guard of Honour in full battle order under command of Lieut. A. R. Saunders; Pipe Band of P. E. Islanders; Black Watch, under direction of Pipe Major Burke; local branch Canadian Legion, under command of Major T. H. E. Inman; C. Company Highlanders, under command of Major E. H. Strong, M. C.; Wolf Cubs, and Boy Scouts, under command of Scout Master E. J. Hallett; Miscouche Band, under direction of Band Master Mr. Poirier; Fire Brigade, School children and nurses.

The parade marched up Summer Street to High School and from there via Green Street to St. Mary's Academy on Central Street, from there to Prince County Hospital, following down to Water Street, turning up Summer St. again to the monument. The bands played selections during the march. Citizens lined the streets and watched the procession.

In the evening a banquet was held in the curling rink for the members of the Canadian Legion and ex-service men. About eighty were present. The tables arranged horse shoe fashion, were decorated with poppies. A vacant chair, draped in black with a cross of poppies had the place of honour. The dinner was presided over by Com. B. W. Robinson, President of the Summerside Legion, Major E. H. Strong, M.C., as Toastmaster was on his right and Lt. Col. U. G. Dawson, V.D., on his left.

The principal speakers were: Lieut. Col. J. A. McPhee, M. D., of the Army Medical Corp; Capt. C. J. Simpson, M.D., of the Aviation Corp, and Lieut. Com. T. H. S. Jackson, of the Royal Navy. Others present were Major F. F. May, Major T. H. E. Inman and Com. E. W. Johnson, President of the Kensington Branch of the Canadian Legion.

CHURCH SERVICES

Yesterday morning, there were services in the churches attended by large congregations. Requiem High Mass was said in St. Paul's Church for the soldiers who died in the Great War, at the request of the local branch of the Catholic Women's League.

In St. Mary's Church, there was a celebration of the Holy Eucharist. The congregations of the Presbyterian, Baptist and United Churches united in a service in Trinity United Church, the different ministers taking part.—S.

Oldest Golfer Dies Suddenly

SAINT JOHN, Nov. 11.—John White, the oldest active golfer in the British Empire, died today at his home here. He would have been 91 in January.

He was the only honorary member of the Riverside Golf Club, the only honorary member of the St. Andrew's Society, and honorary president of the St. Andrew's Curling Club.

He had been, for half a century—up until the time of his retirement in 1907—a prominent figure in the business life of Saint John.

Although he had not been feeling well for the last few days, Mr. White was up and around yesterday. Only last week he played golf, the game he is given credit for having introduced in this city. He had said in the course of an interview recently, that he would play golf to the end.

Mr. White was born in the parish of Largo, Fifeshire, Scotland, on January 12, 1842. As a young man he entered the service of the National Bank of Scotland, remaining with the institution six years.

Meteors Swarm Toward Earth

TOWA CITY, Ia., Nov. 11.—The possibility of a big meteor or two bursting into view in daylight on Wednesday forenoon, November 16 is forecast by D. C. C. Wylie, astronomer of the University of Iowa.

Dr. Wylie heads an expedition which left yesterday for Arizona to watch for the hoped-for climax of the great tri-centenary return of the Leonid meteors, or shooting stars, of which the rare daylight spectacle would be part.

Whether the Leonids will come back astronomers say they do not know but Dr. Wylie cites evidence accumulating since 1920 that once

ARMISTICE EVE DANCES—The dances held on Armistice Eve at the Canadian National Hotel and at Dixon's Hall under the auspices of the Canadian Legion were very largely attended. The functions took place under the distinguished patronage of His Honour Lieut. Governor Dalton and Mrs. Dalton and His Worship Mayor Stewart and Mrs. Stewart. The chaperones at Dixon's Hall were Mrs. W. A. MacLaren and Mrs. W. C. Cook, and those at the Canadian National, Mrs. W. J. MacDonald, Mrs. W. S. Stewart and Mrs. F. B. Conrad.

Bargain Trip Successful

MONTON N. B., Nov. 11.—Over seven hundred Bostonians, for the most part former Canadians took advantage of the special bargain trip from Boston and vicinity to the Maritime Provinces which left Boston last night and passed through Moncton this afternoon. The numbers were about evenly divided between points in Nova Scotia and New Brunswick. 137 were for Moncton alone and 127 are destined to points in Prince Edward Island and several for points in Cape Breton.

Twenty-seven are for Halifax. Comments upon the results of the presidential election ran generally from "great" to "well everybody felt a change was needed." Some were inclined to the view that Hoover as Congress and the Senate stood could not be expected to accomplish anything worthwhile and approved of the change.

The slogan going the rounds as gleaned from an enquiry made among the excursionists is "beer and wine for Christmas." This it seems is the general expectation. There was some doubt as to whether hard liquor would come back. Absences from Canada range all the way from three to forty years. Many of these have made periodical trips back since they left originally. As with other similar excursions operated in Canada the same peculiarity exists of the predominance of members of the fair sex over the male. About two thirds were women. In a few cases the whole family took the trip, father, mother and the baby, the latter doubtless to see grandpa and grandma. All were highly pleased with the trip and the opportunity afforded to make a visit at such low fares. Practically every person on the trip had some Canadian connection.

more they are on their way. The Leonids are a stream so vast that it takes them several years to pass the point in space where the earth intersects their orbit each November.

"The advance guard in 1920," says Dr. Wylie, "was better than usual, meteors falling at the rate of two per minute, an occasional one lighting the sky as if by a flash of lightning."

"Last year the count reached three per minute with many brilliant meteors, some leaving trails visible for ten minutes. The years 1922 and 1923 should be most favorable for the return.

"We hope for and expect a better display than last year, but we will be agreeably surprised if the spectacle proves equal to that of 1927 the last time when these

Ladies Night At Y's Men's Club

A very enjoyable Ladies' night was held by the Y's Men's Club on Thursday evening in the Y. M. C. A. social hall which was attractively decorated for the occasion.

The Ladies' Auxiliary of the Y. M. C. A. served a delicious and appetizing chicken dinner. At the conclusion of the meal Y's Man Dr. Archibald led the assemblage in a series of club songs.

At this time chairman J. M. MacFadyen introduced each of the Y's Menettes and Dr. and Mrs. Clark, who were the guests of the Club. Y's Man E. E. Clawson, chairman of the programme committee and his able assistants, Y's Men Jack McNair and Geo. Craig had prepared a programme of delightful entertainment which consisted of vocal solos by Y's Menettes Mrs. N. D. McLean and Y's Man T. W. Bentley, cornet solos by Lloyd Ward, accompanied by Miss Thelma Burns, harmonica selections, by Y's Man Alton Burke, accompanied by Y's Menettes Mrs. Burke, all of which were greatly appreciated and met with hearty applause.

An added feature, that was the cause of much amusement was a balloon bursting contest for the Y's Menettes, which was won by Y's Menettes, Mrs. G. Hutchison.

President T. W. Bentley addressed the Y's Menettes in a few well-chosen remarks, also thanking them for their loyal support and assistance with the many activities sponsored by the club. Regional Director N. D. McLean gave a brief explanation of World Y's Week. Y's Men's International has been invited to send a delegate to Geneva next June to sit with the National Council of Young Men. This week had been set aside for the various clubs to each do their share to help financially toward this.

Dr. Clark, President of the Y. M. C. A. voiced his pleasure at being present and gave a brief survey of the Y. M. C. A. financial standing to date.

President T. W. Bentley on behalf of the club presented Y's Man Geo. Johnson who is about to join the ranks of the benefactors with a silver cake and extended the very best wishes of the club.

Y's Man Jack McNair presented each lady with a souvenir card of Ladies' Night each card being numbered. Dr. Clark then drew a duplicate card for the lucky number. Y's Menettes Mrs. W. Livingstone having the number, was presented with a box of chocolates.

Y's Man Cleaver McLean who was fines master for the evening then made his report which, while costly to the offenders, was gratifying to treasurer Roy Cudmore. Y's Man Rouel LePage, chairman of the games committee, reported that their would be bowling at the close of the meeting with a prize for the Y's Menette with the high single and high double, these were won respectively by Y's Menettes Mrs. H. Cudmore and Mrs. A. M. Douglass. And so closed a most successful Ladies' Night.

ROLLO BAY EAST INSTITUTE

Members held their September meeting at the home of Mrs. Frank J. Peters with seven members and four visitors present. Meeting opened by reciting "A Club Woman's Creed," and the Roll Call answer was: "Different Ways of Destroying Moths." Minutes of last meeting were read and approved. Members decided to give \$5 to help pay School Fair prizes and to buy fruit for a sick member. The same school committee was appointed. A delicious lunch was served by the Misses Mary and Margaret Peters. Meeting adjourned by singing the National Anthem. Mrs. W. H. Keefe kindly invited the members to her home for next meeting when Roll Call answer will be: "My Earliest Recollection."

The October meeting of the Rollo Bay East Women's Institute was held at the home of Mrs. W. H. Keefe with ten members and two visitors present. The president being unable to attend, the vice president presided. Meeting opened by singing O Canada and the response to Roll Call was: "My Earliest Recollection." Minutes of last meeting were read and approved. Victrola selections formed part of programme, also piano duets by Mrs. Andrew F. Peters and Minnie A. Chaisson. A tasty lunch was served by the hostess assisted by Miss Mary Cheverie and the meeting adjourned by singing the National Anthem. Next meeting to be held at the home of Mrs. Frank Keefe when Roll Call answer will be: "Where I Would Like to Travel." Members are requested to pay their annual fees at this meeting.

sold by H. Stacy Smith, Newark, N. J., to Alex. Finn, Milan, Italy. Maid McElwain was expected to be the dominating figure on the Grand Circuit this year but did not measure up to expected form. Smith is the owner of Zombro Hanover 2:00 1-2. He is a very big man weighing over 250 pounds.

The Cumberland Maine Fair features a race to high wheel sulkes and for the second consecutive year Charles Wilson age 75 has won the event with Evening Express. It is a miracle where they dig up the sulkes.

Dufferin Race Track, Toronto, is filled with race horses ready to take part in the Friday and Saturday afternoon races which will be held weekly until after January 1st. The purses range from two to four hundred dollars and how they do race for these amounts! Just as if life or death depended upon the result. Usually the track is inches deep in mud, being a running course with loose earth.

The opening races at Dufferin Race track referred to above took place Saturday, Nov. 5th. The 2:17 pace purse \$400. was won by Hoyle, driven by Vic Fleming, Sir Oliver Rose second, Dufferin Guy third, nine other starters, best time 2:15 1-4.

The classified trot purse \$250. was won by Ulysses Dillon, Lee Mac second, Roy C. Todd third, nine other starters, best time 2:15 3-4. The Free-For-All, purse \$250. was won by Bertha Patch with Willys Grettan second, four other starters, best time 2:13.

An attempt was made by Toll Gate to break the track record of 2:09 1-2, but the heavy footing anchored him, his best time being 2:15. The fact that Toll Gate could only step the track in 2:15 shows what is condition must have been like. He has been pacing the parlor—The American tracks in 2:05 and 2:06 quite easily this season.

The writer remembers an islander racing over Dufferin track in the fall of 1927. He arrived at the track just a few minutes before the race to get up behind a horse purchased the previous day. The position drawn was eighth, four horses scoring ahead. When they said go, a big hunk of mud plastered his face, sealing the gaze completely. Believing that discretion was the better part of valour he kept wide, hugging the fence and holding on for dear life to a pulling horse, landing 8th. Getting off the sulky he could not recognize himself, being plastered from head to foot with goopy mud. Next day the newspapers reported said the driver of Fred Medium drove a very long mile, destroying his chance of winning the heat.

Bertha Patch 2:07 3-4, winner of the Free-For-All, has now a string of nineteen wins to her credit as near as we can figure it. She has everything in America backed off the map as regards greatest number of firsts, the nearest in the U. S. A. being Mc I Win 1:59 3-4 with fifteen firsts.

Here is something that will be of interest to local horsemen. At a meeting of the directors of the Canadian National Trotting Association, Toronto, the matter regarding the placing of the horse McKenney the Great in the 2:14 pace at London Western Fair after he had been distanced in the first heat, was fully discussed and it was decided that the Judges erred in allowing the horse to start back in the next heat, and consequently redistributed the money among the other horses that were entitled to it.

The rules which govern this are as follows: Rule 169. All horses whose heads have not reached the distance stand as soon as the leading horse arrives at the winning post, shall be declared distanced except in cases otherwise provided for. Rule 172. A horse distanced is out of the race and not entitled to any portion of the premium.

It has been the custom locally sometimes to allow a horse distanced to start again where that horse has been given a bad start. It would appear from the above that this is incorrect and if a protest is lodged the winnings would be ordered distributed as above.

Back to the days of long ago. We have before us a copy of an Island paper giving an account of races held on the Summerside Driving Park, August 30, 1909. Quite an interesting account which stated that the attendance was large and the meeting very successful. There were

three races on the program and all were won in straight heats. The Free-For-All, purse \$200. was won by Mamie P. owned by R. H. Sterns, Charlottetown, with Ozan D. owned by Gordon Ives, three times second. Tom Trim was four, three-three and Queen Marie four, four, four, best time 2:24 1-4. The 240 pace, purse \$100. was won by Perpillan by Parkside, owned by Dr. J. D. McIntyre of Montague, Pictou, Mike O'Brien, Charlottetown, was two, three, three, Ozna was six, three, two, Longboat, owned by the late Hammond Kelly, three, five, five, Moneymaker and Lena Wood also started. Best time 2:29 1-2.

An interesting feature of the above race was the fact that Perpillan was driven that day by George McIntyre, now so active in connection with the Montague race track. George was just a kid but drove in masterly style, winning from a good field of horses in time no doubt many seconds faster than the 2:29 1-4 announced.

One, one of the starters in the above race was afterwards raced by the late Henry Hooper and then sold to parties in Sydney, N. S. Longboat won quite a string of races for Mr. Kelly that same fall, principally he believe at Halifax, or it may have been the next year. We understand his training was given by swimming him and he won six or seven races after that method of preparation.

Moneymaker was by Princeton and afterwards became quite famous, being one of the first horses campaigned by Peter Conroy, who gave him a record of 2:18 1-4.

The 2:40 class trot, purse \$100. was won by Parker S., by Parkside, owned by Charles Staver, Summerside. Three, two, two to him in Baby Logan by Bradlian, owned by Dr. F. W. Christopher, Tignish. Minnie Mac, Acquiri, Parkline, Lady Coughlin were the other starters, best time 2:29 1-4.

Baby Logan was a beautiful little trotter and won several races for Peter Conroy, taking a record of 2:18 1-4. She was sold by Dr. Christopher to Dr. J. A. Johnston of Tignish, and was turned over to the late Jack Irving of Cape Traverse, to train. A race we remember her particularly in under the above ownership was against Billy C. in Halifax the fall of 1912, when she was second to Billy C. in 2:15 1-2, a new Maritime trotting record.

Last week we wrote about John E. Madden, whose son Joseph E. committed suicide in New York recently and in the same paper which contains an account of the above races we find a splendid writeup of the famous duel between Hamburg Belle, owned by Madden, and Ulian which took place at Northan Randall, Ohio, August 30th. According to the newspaper account the excitement was almost unbearable. Here is the paragraph. "The women chattered incessantly until the announcement, the next race will be the first heat between Hamburg Belle and Ulian, then quiet settled down softly as a mother spreads a blanket over her sleeping babe. How they cheered as the rivals, their coats glistening like the sheen on new fallen snow, trotted back and forth in the scoring, etc."

Here is another. "I have seen men and women lose control of themselves in tense situations, but I have never witnessed a more spontaneous outburst than the scene in that grandstand. Men stood up and shouted, waving hats and programs. Women became hysterical laughing and crying in a delirium of excitement. It was a sea of waving things."

Hamburg Belle won, time 2:01, 2:01 1-4, the first the fastest mile ever trotted in a race, the second the fastest second heat ever trotted and the two heats being the fastest two heats ever trotted.

The following table of records of trotters from 1906 to mark set by Hamburg Belle, 1909, may prove interesting. In 1906, Yankey trotted a mile in 2:59. On down the years were Boston Horse, 2:48 1-2, Dublin 2:43 1-2, Sally Miller 2:37, Edwin Forest 2:36 1-2, Confidence, 2:36, Dutchman 2:32, Lady Suffolk 2:30, Flora Tample 2:21 1-2, Dexter 2:17 1-2, Goldsmith Maid 2:14, Rarus 2:13 3-4, St. Julien 2:12 3-4, Jay Eye See 2:10, Maude S. 2:08 3-4, Sunol 2:08 1-2, Nancy Hanks 2:04, Alix 2:03 3-4, The Abbott 2:03 1-4, Creceus 2:02 1-4. The last were hitched to bike sulkes.

Among the drivers in the races at Summerside on that midsummer day 1909, was Danny Steele, who handled the ribbons over Parker S. Danny had been driving horses for

HAS BECOME DOMESTIC PRELATE

Rev. J. A. H. Blaquiere Of Magdalene Islands Received Purple Robes Of Office. Solemn Mass Celebrated By Bishop O'Sullivan.

An interesting event took place last Tuesday, Nov. 8th, at St. Peter's Church, Laverriere, M. I., when Rev. J. A. H. Blaquiere was raised to the dignity of Domestic Prelate to his Holiness, Pope Pius XI. The beautiful parish church was crowded with people who were anxious to see their beloved pastor receive the purple robes of office, and fully 2000 witnessed the ceremony. Promptly at 9 o'clock the Bishop of Charlottetown began the solemn mass at which he was assisted by Rev. J. A. MacDonald, P. P. of Grand River, P. E. I. who acted as arch-priest; Rev. P. Gallant, of Basin, M. I., and P. Chouinard of Grand Entree, M. I. were deacons of honor; and Rev. Nazaire Poirier, of St. Dunstan's University and Rev. Andre Arsenault, Rector of St. Peter's Academy, Laverriere, were deacon and subdeacon respectively. An eloquent sermon was preached by Father Poirier, and the papal brief was read in Latin and French by Rev. Alphonse Arsenault, P. P. of Havre aux Maisons. The document was dated at Rome, August 22nd last, and was signed by Cardinal Pacelli, papal secretary of State. At the conclusion of the Mass, the new Monsignor was tendered an ovation by the parishioners and addresses were read from the clergy and laity, to which he replied very graciously. As Monsignor Blaquiere is Vicar Forane of the parishes in the Magdalene Islands, a series of receptions has been arranged in the different parish churches, and on Tuesday afternoon the pupils of Notre Dame Convent, Havre aux Maisons, presented a splendid program of music and recitations in honor of this beloved priest, whose long years of service in the Magdalens has endeared him to all.

Pin Money For President's Wives

PHILADELPHIA, Nov. 11.—It might be a wise thing for mothers to raise their daughters to become future "first ladies of the land" if a provision in the will of Henry G. Freeman, Jr., is upheld.

The will, disposing of an estate of \$2,000,000 provides a "pin money" fund of \$1,200 a year for the wife of the President of the United States after the death of other beneficiaries, "because" Freeman wrote, "I feel that the President receives such a miserable pittance for a man holding the greatest position on earth."

Parents of a grandnephew of Freeman's are contesting the bequest.

quite a number of years previous to that. He is now located at or near Boston, Mass., still engaged in the same occupation.

How different were things twenty years ago. Then a Russian could pay \$40,000 for Baden 2:05 1-4, and were said to have offered \$50,000 for Billy Burke 2:03 1-4. Today the Bolshies are in full control and we do not hear of them buying any race horses. As a matter of fact they are carrying on racing under state management and it is said have enormous crowds in attendance, but the racing is limited to Russian owned horses.
