SALISBURY TREATMENT

CHRONIC DISEASES

RUPTURE CURED

CHRONIC DISEASES and RUPTURE CURED BY DR. CLIFT. Diploma registered in United States and Canada. Send stamps for information or call at Ch'town, Friday, Saturday and Sunday.

Charlottetown P. E. Island Canada, Nov. 24th, 1898.

Dr. Clift My Dear Sir, This is indeed my day of THANKSGIVING, for after suffering for 12 years with the most agonizing form of Rupture, as all my friends in Ch'town well know, which could not be cured by any means, YOU HAVE POSITIVELY AND PERMANENTLY CURED ME WITHIN 60 DAYS, as you guaranteed to do, no cure no pay, in spite of a layman's life. My weak side is now stronger than the other, I DID NOT LOSE A DAY FROM MY WORK IN RATTENBURY'S Pork Factory, and in lead of suffering any pain, ALL MY PAINS WERE RELIEVED FROM THE FIRST. I can now testify that you are SUCCESSFUL IN CURE OF MEN, WOMEN AND CHILDREN, and no chance for failure, if your order are obeyed, for NO CASE COULD BE WORSE THAN MINE. You are all assured by my friends that I shall prove the truth of your testimony to anyone enclosing a slip for reply, or by word of mouth or personal investigation. ALL SUFFERERS SHOULD KNOW THAT THEY CAN BE CURED, TO STAY CURED. Your fee is a mere bagatelle to the amount I have thrown away on good for nothing trusses.

Gratefully Yours, FRED WILLIS ROWE. Mr. Rowe is about 45 years of age, a man of family and well known in Ch'town. DR. CLIFT HAS CURED MANY CASES, including a woman of double rupture and a child of 18 months, of whose births of which facts corroborative evidence can be seen at any time. DR. CLIFT IS AT CH'TOWN every Friday, Saturday and Sunday; AT PICTOU, Revere Hotel from Monday noon to Tuesday noon; AT NEW GLASGOW N. S. Wind-or Hotel, Tuesday and Wednesday; AT TREVO, Learment Hotel every Thursday until 9 p.m. Call or send stamp for information.

THE GUARDIAN offices have been removed to the New Prowse Block where communications of all kinds will be received as usual and all business transacted in the same manner as heretofore. The new offices are much superior to the old, being brighter, cleaner and more tastefully arranged. The business and editorial departments will be found on the second floor.

THE following clipping is taken from the recent issue of the Bangor News: The Dominion protect on cruiser Curlew, Commander J. H. Pratt, left Eastport harbor Wednesday, after receiving a thorough overhauling, besides taking aboard water and other supplies. The men on shore duty were hurried on board and it was rumored that the warlike looking steamer was on the lookout for a bold smuggler reported near Schooner Cove—down the bay. Commander Pratt is keeping a close watch in this vicinity for a mysterious looking green schooner which is thought to be engaged in smuggling to the neighboring islands from a southern port.

THERE is a great scarcity of eggs in the Marketon market. Merchants cannot remember when this product was ever so scarce at this particular time of year. The price is accordingly well up and the Sackville people say the Post know how to sympathize with their Marketon friends.

A YOUNG man named Atcheson was placed in Newcastle jail on Tuesday on a charge of attempted murder. It is said he assaulted his wife, father-in-law and a woman named Reid, and beat them severely, about the head and face. The scene of the assault was located some three miles from Newcastle, at a place known as Storan's Gulch.

THE skating on Government Pond was taken advantage of by large numbers on Saturday. The ice is fairly good though not sufficiently thick to guarantee safety from a falling. Charlottetown is fortunate in having such a splendid place available for this delightful means of recreation, but it is regrettable to note, however, that boys were numerous and indulged freely in play at this place yesterday.

AMONG those who dispensed hospitality to a party of friends this week were Mr and Mrs. P. S. McNutt whose charming home at Queen Square was the scene of a whist party given in honor of their guest Miss MacNutt, of P. E. Island and who assisted the hostess in her pleasant duties. Mrs. MacNutt was gowned in green and white brocaded satin, and Miss MacNutt looked very charming in a handsome crimson satin trimmed with white chiffon. The various games were hotly contested and pretty little prizes were awarded those who proved themselves most expert. Mrs. G. B. Cushing and Mr. Kellie Jones were the fortunate winners of the first prizes, while the consolation fell to the lot of Mrs. Stone and Mr. H. A. McKown.—S. John Progress.

For Christmas Baking

Use only JOHNSON'S BAKING POWDER. We guarantee it to be a pure Cream of Tartar Powder containing no alum, ammoniac, or other impurities. It is cheaper to use our Powder, than to use Cream of Tartar and Soda in the old-fashioned way. Our leading Hotels now use it in preference to the higher priced Baking Powders. What's the sense in paying 38c or 50c for a pound of Baking Powder, when you can buy ours from any grocer on the Island for 25c a pound, or 15c for half pound. Prepared only by

Shredded Wheat Biscuits.

We have just received a fresh lot of Shredded Whole Wheat Biscuits direct from the factory. Those Biscuits are recommended by medical men as being one of the most perfect foods made, and are specially recommended to invalids and others suffering from weak stomachs, Dyspepsia, etc. Directions on every package, showing how to prepare them for the table.
