ANN SOTHERN GIVEN HER MOST ACTIVE ADVENTURES IN "UNDERCOVER MAISIE"

—It's a case of love, laugh and law in Ann Sothorn's latest adventures as the irrepressible Maisie, currently unfurled on the Capitol Summerside, screen in the new M-G-M comedy-drama, "Undercover Maisie."
Having been bled by a "kinky" stranger on a motor trip, the enraged Maisie is persuaded to join the police force as an undercover investigator of widespread confidence games. Lt. Paul Scott (Barry Stone) and Chip Dolan (Mark Daniels), another member of the force, take it upon themselves to train Maisie for her new job as a lady cop, an endeavor which results in some highly amusing emotional entanglements. Moreover, when you've seen Maisie innocently report for her ju-jitsu class in a ballet rehearsal costume and then proceed to hurl about half-a-dozen "husties"—you've seen everything!
Ann Sothorn has made the popular Maisie role all her own, and her new policeman characterization has her at her funniest and wisest. Barry Nelson and Mark Daniels are well cast as the two men in her life, Leon Ames is properly sinister as the phony seer, and other good supporting roles are played by Clinton Sundberg, Dick Semmons, Charles D. Brown and Gloria Holden. Don't miss "Undercover Maisie." It's fast and furious entertainment.

Potato digging is the order of the day in this vicinity, the school being closed for two weeks to afford the children an opportunity of helping in the work of harvesting this all important crop. The intermittent showery days of late means all speed ahead when fine days are at hand so that in case of a spell of wet weather farmers would have less to worry over as they realize all too well now that summer is past and gone and the cold and frost which is bound to come with the approach of autumn has already been greatly in evidence during the past weekend.

Mr. and Mrs. S. J. Dunsford, Bank of Nova Scotia, Victoria, were recent visitors to Murray Harbour, guests of their friends, Mr. and Mrs. Norman Gray and young son Jeffrey. The Gray family are now stationed at Murray Harbour where Mr. Gray is doing survey work.

Mrs. Collings spent the summer months here with her sister, Mrs. Wallace Stewart and Mr. Stewart. Her many friends here regret her departure, for with a pleasing personality such as Mrs. Collings possesses it means a real loss to be deprived of her presence.

Victoria School is being painted during the holidays by Mr. Herbert Gill and Mr. Billy Lord. With its new coat of white paint it should add much to the beauty of the surroundings, situated as it is in a very lovely location, a spot no doubt still dear to the hearts of many who have passed through its doors and gone out to settle and make homes for themselves and their families on Prince Edward Island and throughout this great Canada. Our school is in many parts of the United States as

THANKSGIVING DAY -- OCTOBER 13th

The teachers in charge at the present time and who are now spending the fall vacation at their respective homes are Miss Freda Howatt, Tryon and Miss Christine MacLeod, Bonshaw.

Friends of Mr. Fred Wotton, Crapaud, are sorry to learn it was necessary for him to enter the Prince Edward Island Hospital, Charlottetown last week for treatment. His friends wish him a speedy return to health.

Several from this locality attended the funeral last Sunday in Summerside of Mr. John Y. Phillips whose sudden death occurred in an accident on the new highway at Churchill when the car he was driving left the road and turned over into the ditch. Nearly every day one is reminded through the heavy toll of human life taken in accidents of one sort or another in this age of speed through which the world is passing, that no truer words were ever spoken or penned "that in the midst of life we are in death."

Mr. Stanley Stewart, one of Victoria's enterprising young men has purchased a lot of land from

Mrs. E. H. Wright with the intention of building in the spring a new modern dwelling. It is pleasing to note that this young man intends remaining here and is helping to build up the village for after all "the grass doesn't grow right here in this village by the sea."

NEW LONDON W. I.

The regular meeting of the New London W. I. met at the home of Mrs. Leigh MacEwen on Thursday evening, Sept. 11th, with the President, Mrs. George Cole, presiding.

Minutes of last meeting were read, approved and signed. Business arising out of minutes was in connection with painting of school and fence, etc.

It was decided to take advantage of the music teacher. The school committee reported paper towels and soap. Sick committee reported one call. New committees appointed: Sick

Mrs. Stanley Brown, Mrs. Leigh MacEwen and Mrs. Jas. Cole, Program, Mrs. Wilbur MacKay and Mrs. Earl Carr.

Correspondence consisted of a letter of thanks for a gift, and letters from Salvation Army and Orphanage for funds.

Collectors appointed for Salvation Army are Betty Cole, Lorraine Cole, Norma MacKay, Jean Carr and Mrs. Florrie MacLeod.

The Orphanage letter was discussed and left over for next meeting. The ice cream social held recently increased our funds by \$31.90.

Ways of raising money were discussed and a chicken supper decided on when definite plans will be made at next meeting. It was moved by Mrs. Lorne Campbell and seconded by Mrs. Leigh MacEwen that a bill of \$22.00 for paint and labour; also a fruit bill of \$8c be paid. The every-day cards ordered by the members were distributed. Collection for the evening amounted to \$2.90. The next meeting will be at the home of Mrs. Dan MacKay. Mrs. Lorne Campbell reported the blankets had arrived and

asked members to call for same. A dainty lunch was served by the hostess and committee in charge. Meeting closed by singing the National Anthem.

BELFAST—(CP)—Michael Deigan, 17, couldn't find a taxi after a dance so he helped himself to a double-header bus. He was fined \$5 (48s) for the damage he caused when he ran into a light standard.
