

MY DEAR!

Are you aware that an ointment applied to the skin is absorbed into the system just as surely as medicine that is swallowed? It is! You see, therefore, how necessary it is we should use a pure ointment; and the purest you can get for yourself and your children is Zam-Buk

Dr. Scott, the great English analyst, says: "I have analysed Zam-Buk. It is composed entirely of natural essences; is free from the harmful mineral drugs and animal fats found in ordinary ointments, and I have no hesitation in certifying its purity." There is another reason why you should prefer Zam-Buk. It is of such a refined nature that it can penetrate to the very seat of skin diseases; whereas ordinary ointments, owing to their coarse ingredients, remain on the surface skin. Skin diseases, like plants, have their "roots." Zam-Buk can get down to the very root of the disease, kill all the germs and thus effect lasting cures. There is nothing like it for curing eczema, bid sores, eruptions, or any of the skin diseases which occur at times in every family. Proof: Mrs. A. J. Cameron of Melita, Man., writes: "My

little son's head and hands were completely covered with eczema, and the agony he suffered with the burning and irritation was terrible. I tried numerous ointments and medicinal soaps, and he was under doctor's treatment for some time, but nothing would cure him. One day a friend said "Why don't you use Zam-Buk?" I procured some and commenced applying it. After a week's treatment I noticed an improvement, and perseverance with Zam-Buk resulted in a complete and permanent cure." Mrs. Deason of Peterboro writes: "Zam-Buk healed a bad cut on my little girl's foot, caused by broken glass." All druggists and stores. 50c. box of Zam-Buk Co., Toronto, for price.

LAI D TO REST.—The funeral of the late Judge Reddin took place from his residence Upper Prince Street yesterday morning and was quite largely attended. The services were conducted at St. Dunstan's Cathedral by Rev. Pius McDonald, the pall-bearers being Judge Hassard, Messrs A. B. Warburton, Alex McDonald, J. B. McDonald, L. E. Frowse and T. B. Riley.

PRICE WEBBER COMING BACK.—The announcement that Price Webber, after a long illness, is again to be seen in the Maritime Province territory, will delight many thousands, as probably no other theatrical man has quite reached that peculiar niche in the affections of the public enjoyed by the estimable Price. Mr. and Mrs. Webber with their excellent company will be in Fredericton, May 24th, and will spend the entire summer in the lower provinces, doubtless receiving in every place visited a hearty welcome.

YOUNG LAD DIES.—The young lad, Albert Morrison of Georgetown, who was accidentally shot in the back some days ago by the discharge of a 22 calibre rifle in the hands of another young friend with whom he was trying his skill as a marksman, passed away at the Charlottetown Hospital yesterday morning, notwithstanding the best of medical skill and tender nursing. The remains accompanied by his grandfather Mr. Peter Morrison, were forwarded to his home in Georgetown yesterday afternoon. The sympathy of the entire community will go out to the bereaved parents and friends in their sudden and sad bereavement.

CONTINUING THE GOOD WORK.—The ladies of the Patriotic Society of Hampton have forwarded a box of Red Cross supplies valued at \$40.00 to Headquarters in Toronto, besides sending 50 pairs of socks to Mrs. (Col.) Ings.

CAPTAIN HOLMES SAFE.—Not long ago it was reported in St. John's Nfld., that Captain Holmes, late of the steamer Morwenna and now of the steamer Scottish Hero, well known in Charlottetown, had been missing with his ship and the beller was entertained that she had been torpedoed. As a matter of fact since this report gained currency the ship has made another voyage from Louisburg to Harve, France, with wire etc., and should have arrived at her destination by this time. Captain Holmes recently wrote a friend in St. John's, that he and his ship were all right, says a Halifax Exc.

CELEBRATION.—On April 26th the Odd Fellows of Charlottetown will celebrate the 97th Anniversary of the Order by giving an entertainment in the Prince of Wales College Hall, the proceeds to be devoted entirely to Patriotic purposes. The early part of the evening is to be taken up by a carefully selected musical programme, to be followed by whist, dancing and refreshments. One of the features of the evening will be the presentation of a number of Veteran Jewels to members of St. Lawrence and Wilbey Lodges. These Jewels are presented by the Lodges to members who have attained twenty-five years continuous membership in good standing, and are rightly considered in mark of distinction. 8186-21.

Every Stiff Joint Limbered, Rheumatism Cured!

That Old Family Remedy "Nerviline" is Guaranteed for the Worst Cases

CURES NEURALGIA, BACKACHE, LUMBAGO, RHEUMATISM. Rheumatism today is unnecessary. It is so well understood and so readily curable that every day we have reports of old chronics being freed of their tormentor.

"I can speak confidently of the Nerviline treatment, for the simple reason that it cured me," writes Albert B. Cornelius, from Kingston. You can't imagine how stiff and lame and sore I was. Nights at a time I couldn't sleep well. I followed the Nerviline directions carefully—had it rubbed into the sore regions four or five times every day. Every rubbing helped to reduce the swelling. The swelling went down. I got a fair measure of relief in a week. I also took two Ferrozene Tablets with my meals. They increased my appetite and spirits, purified my blood and toned up my system generally.

"I am as well today as a man could be—perfect good health. I give Nerviline all the credit." A large family size bottle of Nerviline costs only 50c., or the trial size 25c., and is useful in a hundred ills in the family. Whether it's toothache, earache, headache, neuralgia, lame back or a cold, Nerviline will cure just as readily as it will cure rheumatism. For family use nothing equals Nerviline.

In Making Grape-Nuts

honest whole wheat flour and malted barley are blended, made into dough, moulded into loaves, and baked. The loaves are then sliced and baked a second time—in all about twenty hours thorough baking.

Grape-Nuts possesses all the rich, nourishing elements of the grains including the vital mineral salts so necessary for vigorous mental and physical activity. Many foods lack these essential elements—especially is this true of white bread and white flour products, because in making flour white most of the emergizing mineral salts of the grain are thrown out in the milling process.

With Grape-Nuts it is different, for all the nutriment of the grain is retained. Then the long baking renders the food easily and quickly digestible

Always ready to serve direct from its sanitary, tight-sealed carton, Grape-Nuts is in the form of granules of tender crispness that have a delicious, nut-like flavour. Four teaspoonfuls of Grape-Nuts with a little cream alongside is a splendid, well-balanced part of any meal and gives a wonderful return in sturdy brain, nerve and muscle.
