Address and Presentation

On Friday, October 19th, the people of Donagh assembled at the former home of Mr. and Mrs. Joseph Murnaghan, to bid farewell to them before their departure to their new home in Charlottetown. Mr. Francis Traillor, sponsor, Mr. Laurence Heron as chairman and the address was read by Mr. Freddie McAdam, a presentation of a well filled purse was made by Mr. Leo Travers.

Mr. Leo Travers presented their thanks to their hosts and all then joined in singing "They are Jolly Good Fellows."

Mr. Leo Travers was served to all, and the remainder of the evening was spent in card playing and songs by Mr. Leo Travers. Mr. Travers also presented a beautiful picture to Mr. Murnaghan and Mr. Murnaghan and Mr. Murnaghan.

The following is the address: To Mr. and Mrs. Joseph Murnaghan and daughter, Irene.

It was with profound regret that we learned a short time ago that you had departed to your new home and farm and decided to take up your residence in Charlottetown.

We, therefore, meet tonight to bid you a kind but reluctant farewell. To Mrs. Murnaghan, we would say that we have known her from boyhood as a straightforward, kind, obliging, and generous neighbor. He counted on her for the betterment or upbuilding of the community.

Ever alive to the advancement of farming he was always in the forefront in the improvement of livestock and methods of cultivation.

Kind, good natured and companionable he will be a distinct loss to the community.

To Mrs. Murnaghan we would say that she was a neighbor and in womanhood a friend. Kind, courteous and considerate, she has endeared herself to all with whom she has come in contact and enjoys the love and respect of the whole community.

She was ever foremost in all movements for the welfare of the District. As a member of the Women's Institute for a number of years after its inception together with her daughter, Irene, who was also a member, she worked hard for its furtherance and was always a champion of progress.

Your loyalty to the best things of life and sympathy and practical help in times of sickness and death will ever linger in our memory. We will always look forward to your presence from time to time in our homes and when you are settled in your new home, we are not going to wait for a formal invitation for us to know as in the past we will be your hospitable door, and now dear friends you are about to leave us accept this gift, small perhaps in value, but rich in the spirit of God bless you and your family with health and happiness and prosperity in your new home. Signed in behalf of the residents of Donagh.

Lawrence Heron, Francis Traillor, John McNally, Fred McAdam.

EMERGENCY HOUSING

Due to the evident acute shortage of housing in Charlottetown, tentative plans are being made to take over certain buildings at the airport to relieve the present congestion.

These buildings are suitable for conversion into two room, three room, and four room apartments, fully equipped with electric light, heat, and water.

Arrangements are also being made for bus service.

Please address your enquiries to EMERGENCY HOUSING Ground Floor, City Building (Adjacent to Fire Station)

These enquiries must be sent in at once, as only a sufficient demand will justify the City going ahead with this project. PHONE 58
