The Crow of Croup.

It strikes terror to a mother's heart to have her child wake up at night with a croupy cough.

Child can scarcely speak, can hardly breathe—seems to be choking.

There is no time for delay—apply hot poultices to the throat and upper part of the chest, and give Dr. Wood's Norway Pine Syrup—nothing like it for giving prompt relief—will save a child when nothing else will.

Mrs. Wm. Young, Frome, Ont., says: "One year ago our little boy had a severe attack of inflammation of the lungs and croup, which left a bad wheeze in his chest."

"We were advised to use Dr. Wood's Norway Pine Syrup, which we did, and it cured him completely."

"Now we always keep this remedy in the house, as it excels all others for the severest kinds of coughs or colds."

MR. A. E. WILLIAMS was the recipient of a valuable pin presented by his Ma-onic brethren of Mt. Lebanon Lodge Saturday, as a souvenir of the lodge.

MISS CUTLER, head milliner for Messrs. Sinclair & Stewart, left Saturday morning for her home in Point de Buve, N. B., where she will spend the winter. After visiting the millinery opening in St. John and Boston in the spring she will resume her position here.

THE farewell dinner tendered to Mr. A. E. Williams at the Clifton, Friday evening was attended by about 44 guests and was a very enjoyable affair throughout. Stipendiary Magistrate McQuarrie presided. The following is the toast list: The Queen "God save Queen." Pres. of United States, responded to by Consular Agent R. Hunt. The Guest, responded to by Mr. Williams. The Governor General and Parliament of Canada, Hon. Senator Yeo and J. H. Bell, Esq., M.P. Army and Navy and Canadian Volunteers, Rev. J. M. Withycombe and D. The speeches were all of a high order and while touching on questions of general interest contained strong expressions of goodwill toward the guest, with regret for his departure from Summerside. Mr. Williams in response to the toast to his honor spoke feelingly of his pleasant and friendly associations, with the people of Summerside, whom he had long ago found to be among his nearest and dearest friends. Letters of regret were received from Hon. W. Richards and Messrs. R. Tuplin, of Kensington, and the staff of the Bank of Nova Scotia Charlottetown. The toast list was interspersed by a number of well rendered songs. Pro. Whitsey presided at Piano. Mr. Williams leaves tomorrow for Berlin, Ontario, where he will take the management of a new branch to be opened by the Bank of Nova Scotia.

How The London Press Sees It.

LONDON, Dec. 14.—The following paragraphs from Monday's leading news papers shows the feeling in London over the disaster to General Gatacre's brigade.

The Daily Mail says: "Quite apart from the loss of 600 fighting men, the unexpected Boer success will probably cause a far more general and serious movement among the Cape Dutch. The Government must promptly face this by the immediate despatch of further troops."

The Daily News says: "The reverse Gen. Gatacre has suffered is a sadly emphatic commentary on the peculiar difficulty of military operations in a semi-disaffected country. The enemy's spies are everywhere, and nowhere can we rely confidently on any counter-information. General Gatacre seems to have been completely trapped. Of course he will be immediately reinforced."

The Daily Chronicle says: "There is only too much reason to fear that this is the worst illustration we have yet of inadequate equipment and insufficient scouting. How far this disaster was due to lack of judgement on the spot, and how far to lack of artillery, is not quite clear, but the patient public cannot help recalling that General Methuen's victory at Modder River was won by artillery reinforcement at the critical moment. All they would like to know is, how many times this particular lesson is to be learned."

The Standard says: "The event is in the highest degree deplorable. It will tell against us unfavorably in the Free State, among the colonial Dutch and even among the natives. A great deal of evidence has been accumulating during the past weeks to show how deeply the colony, or, at least, the northern and western portions of it, is honey-combed by disaffection. Our generals have to cope with a rebel colony as well as with hostile republics, and must take measures to lay their plan in accordance with the details."

Don't Chide the Children.

Don't scold the little ones if the bed is wet in the morning. It isn't the child's fault. It is suffering from a weakness of the kidneys and bladder, and weak kidneys need strengthening—that's all. You can't afford to risk delay. Neglect may entail a lifetime of suffering and misery.

DOAN'S KIDNEY PILLS

strengthen the kidneys and bladder, then all trouble is at an end. Mrs. E. Kidner, a London, Ont., mother, living at 499 Grey St., tells of her little daughter's cure as follows: "My little daughter, six years old, has had weak kidneys since birth. Last February I got a box of Doan's Kidney Pills at Strong's drug store. Since taking them she has had no more kidney trouble of any kind. I gladly make this statement because of the benefit my child has received from this medicine."

Doan's Kidney Pills are the only never-failing cure for backache, weak or lame back, and all forms of kidney disease, urinary trouble or bladder weakness in children or adults. Remember the name, Doan's, and refuse all imitations. The Doan Kidney Pill Co., Toronto, Ont.

"Do you think a neat desk indicates character?" "Well, it sometimes shows that a man hasn't much business to attend to."

BACKACHE

Weak, Lame, Aching Backs, the Result of Stagnant, Inactive Kidneys.

Backache is in reality kidney ache. The kidneys become clogged, and fail in their work of filtering the blood. Backache is nature's warning that the kidneys are on strike, and that the blood is going through the system laden with foul poisons, which will cause Bright's disease, dropsy, diabetes, rheumatism or other equally painful and fatal complications.

Prudence tells everyone suffering with backache to set their kidneys right. The experience of tens of thousands of people tells them that to accomplish this there is no means so successful as the use of Dr. Chase's Kidney-Liver Pills—the world's greatest kidney cure.

Dr. Chase's Kidney-Liver Pills cure permanently by making the kidneys healthy, active and vigorous. They are purely vegetable, act naturally and directly on the kidneys, and are wonderfully efficacious. As a prompt and positive cure for kidney disease, liver complaint and all the complications of these filtering organs, they are unapproached by any remedy ever discovered.

One pill a dose; 25c. a box at all dealers, or EDWARDS, BATES & Co., Toronto.

He—I always say what I think. She—Oh; Then that must be the reason that you often sit around for an hour at a time without saying a word.

It is Healthy Trees.

There is no use disputing the fact that the kidneys control the health of the entire system. Their is the task of taking out the poisons from the blood and discharging it from the system.

If the kidneys do not eject, discharge or drive out these poisonous elements, the body becomes corrupt and as "a little leaven leaveneth the whole loaf" so a little kidney trouble poisons the entire system, and moreover leaves it open to the attacks of germs and bacilli which constantly lurk in wait for an opportunity to invade the body, either through the air or by contact with the skin.

Here is an account of the effects of kidney trouble which is well worth reading: I suffered greatly from a pain in my left side for over a quarter of a century. Physicians said that my left kidney was seriously diseased. I know that I suffered much from nervousness, loss of sleep and appetite, general debility, weakness, both of body, and especially in the action of my kidneys for the trouble. I was dizzy headed, my sight was blurred, my blood became weak and watery, and I had frequent muscular pain. As a matter of fact I never expected to recover health, and when I began taking Doctor Ward's Blood and Nerve Pills two months ago it was with great doubtfulness and very little hope, but I never took any medicine in all my life that did me so much good and did it so quickly. Before I had taken one box of these pills the pain in my back had vanished and I was feeling like my old self again. I have used three boxes in all. My urine is now right in color and I have no urinary difficulties. I enjoy natural, restful sleep. I am free from any kind of pain and do not suffer from any nervous trouble whatever. My blood seems to be full of strength and vitality and my health is better than I have known it to be in 25 years. I have great pleasure in commending this remedy to those who suffer as I did. Yours truly, A. ZIEHR, 113 Chestnut St., Toronto, Ont.

Berlin Gets Ahead of Chicago.

If Chicago expects to hold its reputation as the first among great cities in adopting the latest and most modern methods of doing business, it must look to its laurels. Bids have been asked for automobiles to be used in carrying the mails in Chicago. It is true, but Berlin has already put six automobiles into use as mail carriers, and has ordered a number of others for the same purpose. The picture shows one of these Berlin "autos" bearing on his front the imperial arms of Germany. The "Gesellschaft fur Automobiles Wagenbau" of Berlin is working on orders which are to be used in supplying a number of other large German cities with the same service. In the land of the Kaiser the automobile mail wagon has already ceased to be an experiment.

JAPANESE CATARRH CURE CURED. Mr. Thos. Crawford, Sergeant Vancouver Police Force, writes: "I have been a great sufferer from catarrh, which I contracted over 12 years ago in Winnipeg. I tried many so-called catarrh cures, consulted physicians, catarrh specialists, and not one of them gave me more than a little temporary relief. About two years ago I tried Japs. BE CURED OF CATARRH.

It is quite easy to cure yourself of Catarrh or Asthma. If you use Catarrhoxone, the medicated air treatment for all diseases of the nasal and respiratory organs caused by germ life. Catarrhoxone will cure—absolutely cure—Catarrh, and is a very pleasant remedy that can be used without any danger or risk whatever. When inhaled it rapidly volatilizes and finds its way to the very seat of the disease, where it kills the microscopic life that causes catarrh and at the same time restores all irritated membranes of their normal condition, effecting a permanent cure. You simply breathe the Catarrhoxone dose the rest. One trial will demonstrate its worth. For sale at all druggists or by mail, price \$1.00. For trial outfit send 10c in stamps to N. C. KRUGER'S MALADY.

Bright's Disease, the Formerly incurable Malady That has Fastened itself upon the Boer President.

Cape Town, Dec. 15.—Bright's Disease, the disease which a trust worthy report states has attacked President Kruger, of the South African Republic, is considered incurable here. It is an affliction of the kidneys and doctors state that it is invariably fatal. The disease was first diagnosed as a distinct disease by Dr. Bright, from whom it takes its name.

It is understood that a remedy has been discovered for Bright's Disease in America of recent years called Dodd's Kidney Pills, and reports reach Africa to the effect that cures are being made in England and Australia by the same medicine.

It is unlikely that the Dutch of the Transvaal are acquainted with Dodd's Kidney Pills, however, they being slow to take with things that are new.

Smith aged 78)—Yes; I found I was getting a bit old for lawn tennis.
