THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Pro-
vince within which it is published more
fully and completely than any other news-
paper printed in Canada.
With a daily circulation of its morning
and rural edition now about 8,000 and
growing from day to day, it has broken
all records for a daily publication in a
small community.
Charlottetown has a population of 12,000
and Prince Edward Island has 103,000. The
Guardian's daily circulation is therefore
1 to 14 of population in the city
which it is published, or 1 to 14 of the
population of the Province. This is, the
management believe, unequalled by any
daily newspaper published in Canada.
Take one or two comparisons with other
existing newspapers in other cities and
Provinces.
St. John has a population of 40,000 and
the Province of New Brunswick 230,000.
St. John has five newspapers and among
these The Telegraph and The Sun are
perhaps the foremost. Each claims a cir-
culation of about 8,000 or say as 1 to 5 of
the population of that city and 1 to 40 of
the population of the Province.
Or again: Toronto has a population of
some 250,000 and the Province of Ontario
about 2,225,000. The Toronto Globe is a
great Canadian newspaper, known all
over the world as one of the foremost
journals. The Globe's published daily cir-
culation is slightly under 50,000. That is
as 1 to 5 of the population of Toronto and
1 to 44 of the population of Ontario.
The point is this that The Guardian
covers the field of its circulation three
and a half times as well, if compared
with population in the city and over
three times as well, taking the popula-
tion of its Province, as the best New
Brunswick and Ontario daily newspapers,
and these are admittedly among the best
in Canada.
These facts are printed in no spirit of
boasting, but for the satisfaction of
Guardian readers and advertising patron-
age. They have a right to know how
completely their favorite Journal's cir-
culation it circulates and how completely
it covers the field as an advertising
medium in this Great Province.

Women's Pains
I received your sample of Zutoo
Tablets, and took them for severe pain
(monthly) and headache. At the end of
30 minutes I was entirely free from pain
and experienced no more throughout
the period. I suffer a great deal at
these times and feel grateful that I now
have a remedy which affords quick re-
lief. Every woman in the land should
know about Zutoo Tablets and what
they will do.
