Some persons may be desig-  
nated "eye strain pessimists."  
Their eyes being abnormal  
cause a never-ending strain,  
with nerve force depletion, ir-  
ritability, and conditions that  
produce pessimism.  
Many have been quickly and  
permanently cheered up by the  
results of an examination of  
their eyes.

**Scout  
News  
and  
Notices**

The Governor General, who is  
the Chief Scout for Canada, as  
challenged the Scout leaders to in-  
crease the number of Scouts and  
Cubs to 100,000 within the next few  
years.

At a meeting of the Executive on  
Thursday it was decided that Prince  
Edward Island would do its share  
and we have set 500 Scouts as a  
goal five years hence.

To place before the public the  
real facts of Scouting, a Provincial  
publicity committee has been formed  
with Messrs. J. J. Lightbaker and  
A. R. Brennan, joint chairmen.  
Other members of the committee  
are J. O. Hyndman, Prov. Presi-  
dent, ex officio, Hon. Adrien Arsen-  
ault, J. LeRoy Holman, Rev. A. G.  
Crowe, Rev. Wm. Phillips and  
Provincial Commissioner Wm. War-  
ren.

The Rover Scouts held their us-  
ual meeting on Wednesday even-  
ing at the Rover Den. The Den is  
a new place they have procured for  
the winter. It is much larger than  
the former one and the Rovers  
should be comfortable there  
throughout the winter.

Several new members were pre-  
sent at last Wednesday's meeting.  
Mr. J. R. Burnet visited the Den  
and gave to the Rovers the task of  
handling the Santa Fe Christmas  
gifts the same as they did last  
year. After this a debate was held  
on the subject "Resolved that machi-  
nery is detrimental to the physical,  
mental and moral status of man-  
kind." Some interesting points were  
brought up but the judges refused  
to give a decision. The meeting  
closed with the Scout silence.

**HOLY REDEEMER TROOP**

A very successful supper was  
organized by Father Fleming for the  
Scouts and Altar Boys of the Holy  
Redeemer Parish last Monday.  
About fifty boys and visitors sat  
down to a bountiful supper pre-  
pared by the Ladies Auxiliary. The  
apple pie was scrumptious. Among  
the visitors present were the Pro-  
vincial President, Prov. Commissioner  
and Prov. Secretary. Diaries were  
presented to Bill McCarthy, Bill  
Toombs, and Harry Pineau for their  
part in Apple Day.

A Sing Song, led by Father  
O'Hara. After the supper a sealed  
order hike was held, covering a  
route of four miles. This proved  
very exciting. With this Troop test  
passing is going ahead in real earnest.

**1ST. ALBERTON**

This Troop is keeping up their  
good work beginning in test work  
Badge certificates received at the  
provincial office during the week

Carleton, A. Ross, Arthur Wells,  
and Muriel McAlduff; second class

don Purdy and Fireman for Roy  
Leard.

Some discussion on ways and means

**MONTHS** ago we began sending you motorists of the Dominion  
the new third edition of "The Proving Ground of Public Opinion"  
—asking what you want in next year's cars. Through Canada's largest  
automobile dealer organization we are cocking another sensitive ear to  
"listen in". We do this because we believe that in building cars for the  
public, we should be guided by the public.

And by the thousands you are replying to our questionnaires, telling  
us the things you want in even better General Motors cars for 1935.

What will these cars be like? Let us answer that by asking another  
question. What are the outstanding features of 1934 motor cars that  
everywhere have swept the country?

Are not the first three: Knee-Action Wheels, No-Draft Ventilation  
and the streamlined, Fisher-body beauty of General Motors cars?

Just as these were outstanding triumphs in 1934, so you can count  
on it—General Motors will have something decidedly interesting to  
say in 1935.

And just as we produced Canada's sales-leading automobiles in this  
year—certain it is that our cars will win you again in the next.

For the reason that General Motors always works with an eye to the  
future and an ear to the ground—aware of your wishes well in advance  
and ably fitted to meet them.

to be answered by "how women  
can save."

**EIGHT RENDER HOMELESS**

DOMINION, N. S., Dec. 7. — Fire  
left a widow and seven children  
homeless today. The blaze, believed  
to have originated in the attic, level-  
led the residence of Mrs. Michael  
Anzelo, and only a few household  
effects were saved. Tonight the fam-  
ily are being quartered at the home  
of Mrs. Angelo's mother—Mrs. Angus  
McVicar.
