Beavers Give Dartmouth Arrows 5-1 Drubbing

(By The Canadian Press)
 SAINT JOHN, N. B., Oct. 20 — Saint John Beavers gave Dartmouth Arrows a 5-1 drubbing tonight and advanced to second place, below Moncton Hawks, in the Maritime Senior Hockey League while Arrows dropped to the third spot and Halifax St. Mary's remained pointless at the bottom.

Fresh from a 12-3 beating at Moncton, the Dartmouth team fared somewhat better in the final game of its first road trip but was unable to gain a lead in tonight's scoring.

The teams fought on fairly even terms for the first two periods. Beavers shot two goals before Arrows replied. Then the locals tallied three in the final session to leave no doubt of a winning margin.

The comparatively clean game was in contrast with the last one on Saint John ice, when Beavers and Hawks renewed their traditional rivalry in the form of rough play and flaring tempers.

Lineups:—
 Dartmouth: Goal, Dargavel; defence, McEwan, Smith; centre, McKendry; wings, Milani, Peros; subs, Lay, Mosenko, Sorrell, Fonso, Myke, Robertson, Redmond, O'Grady.

Skating Ass'n To Meet Nov. 20 In Montreal

MONTREAL, Oct. 21 — (CP)—Champlain Provencher, honorary secretary and treasurer of the Amateur Skating Association of Canada, announced today that the 61st annual convention will be held in Montreal Nov. 20.

Arrangements for the 1948-49 season will be made and sanctions for holding the Canadian speed and fancy skating championships, as well as sectional and provincial championships, will be dealt with.

Mr. Provencher said it is unlikely the 1949 national outdoor skating championships, for both men and women, will be held at Saskatoon. The indoor title events may take place at Saint John, N. B.

Edmonton may be the venue of the Western Canada outdoor championships, while Sudbury, Ont., may make a bid for the Eastern Canada open speed skating events.

James S. Neil of Saint John will report on an interview with the president of the International Skating Union regarding a protest lodged by the A. S. A. against what is considered an unconstitutional manner of admitting members into the union.

Commend Louis For Timing In Fight Announcement

By WHITNEY MARTIN
 NEW YORK, Oct. 21 — (AP)—Joe Louis, with his usual fine timing, like innumerable other champions shows he has a little of the comeback spirit in him by announcing he will fight again next year.

It's true the big guy never has been away, but at the same time he announced from the ring after his last bout against Jersey Joe Walcott that he was through, only neglecting to say "positively."

The timing element is noted in his current announcement comes on the eve of an exhibition tour.

There are two schools of thought as to the wisdom of the champion fighting again.

Those who don't like the idea probably are influenced by sentimental reasons. They want to remember Louis as the great fighter he unquestionably was, not as a slow, creaking relic that wasn't even a reasonable facsimile of his hero. They recall that in his last two fights, with Walcott, Louis' slip was showing more than a little.

The other school takes the "and why not?" attitude. The students figure that as fighters go, the champion has taken comparatively little punishment, and would not endanger his well-being by continuing to fight.

Fighting is his business, and a business man doesn't make money by retiring. Louis has a plush standard of living, which takes an income much greater than his would be in retirement.

On top of that, who does he have to fear right now? Faded as he is, he still would be an odds-on favorite against any fighter currently on the horizon.

He got by the man who probably was his most dangerous opponent at this stage of his career, Walcott, a running, bobbing cutesy has a style calculated to make any opponent look bad, and Louis was no exception.

The men mentioned as the possible opponent in the next fight are Joe Baksi, Ezard Charles and Lee Savold. Only Charles, a much younger and faster man, might conceivably give the champion trouble and Charles is a light heavyweight.

Baseball History To Be Made At S'side

Sport Echoes From Prince County

For the first time in local baseball history a Maritime Intermediate championship will be decided in Summerside. Tomorrow afternoon on the high school diamond Summerside All-Stars and the Woodside Combines will square off for the second game in the best of three series. Summerside took the first game by a 9 to 4 score at the Summerside R. C. A. F. station diamond on Sunday afternoon.

Coach Charlie Hogan has not decided whether he will give the pitching assignment to Pony Daley or Cecil Powell but it will be one of them and if there is a game on Sunday Joe Bernard will likely be selected to duplicate his feat of last Saturday. Les Gaudet, third baseman who attends Mount Allison University and who has become almost indispensable for his heavy hitting will be on hand.

Fans are hoping for a reasonably warm day on Saturday, although the chances are against it this time of year. There is no doubt that it is the feeling of all that these playoffs should be over not later than the last of September. October is not baseball time in Prince Edward Island. However, weather or no weather the fans are all behind the All-Stars to come through and bring the trophy emblematic of Maritime Intermediate baseball supremacy to Summerside.

Saturday is not an ideal time to have a baseball game in Summerside, but there was no way of avoiding it, and doubtless all baseball fans who can possibly be at the High School diamond will be there. They are likely to see a stirring struggle, because Summerside fans who saw the game in Dartmouth are of one mind in the belief that the two teams are very evenly matched despite the 9-4 score. A home run with the bases loaded can make a lot of difference in a ball game, and those timely bingles don't happen every day. We're going to have Les Gaudet on hand, however, just in case he has another of those circuit blows up his sleeve.

MacKay, who played such a fine game in Dartmouth will probably not be on hand for Saturday's tilt, but reports have it that Hank Landry's knee is once more in shape, and he will be out there doing his old magic in short field.

Russ Phaneuf, who couldn't get away for the first game will also be available for this crucial contest.

The P. E. I. Bag Factory offered the members of the All-Stars who worked for them one dollar for a single, two simoleons for a double and three bucks for a triple in the game at Dartmouth. Syl Bernard collected three dollars for his single and double, and Jimmie Grady was richer to the extent of one dollar for his single.

The Summerside All-Star hockey club has decided to play the Charlottetown City League again this year. The Charlottetown Forum management has been most generous with our regards hockey key practices, and the Charlottetown members of the League executive have also met us more than half way as far as financial help to keep us functioning is concerned. We are to have the same split of the box-office receipts as last year, and in addition the Charlottetown team are guaranteed one league game each in Summerside if the rink is operating here, and in Kensington if our rink fails to operate, and providing satisfactory arrangements can be made with the Kensington Rink authorities.

It is expected that most of our last year's Island champions will be manipulating a stick again this year, and there is a chance that there will be one new forward line. Benny Grady may play for the intermediates, and it is possible Frankie Outway and Garth Gay will be persuaded to stay in Summerside this winter.

It is expected the Charlottetown City League will get started about the middle of November, but, of course, no Prince County games can be played until about two months, probably not till after Christmas. The Summerside team will practice in the Charlottetown Forum on Wednesday, these boys having the first work of the week. It is to be hoped they will be able to get in shape for the opening of the league, although the fact that the boys of the other teams will be able to skate three or four nights a week will give them some advantage.

The Summerside High School boys are busy every day exchanging right and left hooks and getting ready for the boxing meet to be held in Charlottetown in the near future. The boys have been off boxing for so long it will take quite a bit of practice to get them into the savvy of the pugilist's technique. Foot practice is also being held every day, with the view to holding a series of games with Queen Square School in Charlottetown.

Enthusiasm For Community Horse Project Continues

Continued interest was shown in the purchase of a community horse at the sale held in the City Hall last evening. Jimmy Power, who is promoting the project, reported 10 subscriptions of \$100 each, and quite a number of \$25 amounts.

It was decided to make a canvass of interested persons in the City and surrounding country this week and early next week and it is confidently expected that a sum sufficient will be obtained. Permission has been received to secure American funds so that there will be no difficulty in that respect. A lot of good horses are being sold at the moment held in the City Hall last evening. Jimmy Power, who is promoting the project, reported 10 subscriptions of \$100 each, and quite a number of \$25 amounts.

Curling enthusiasts were also stimulated to get things underway for the coming winter, and judging from Wednesday night's enthusiasm at the annual meeting of the P.E.I. Curling Association, everything points towards a big year for the "Roarin' game."

One of the special events scheduled for this winter, will be a series of matches between teams picked from the Association and two rinks (8 players) of a group of 50 Scottish curlers who will visit Canada during the month of January. The two rinks of Scottish curlers will be the guests of the Association on January 1st and 2nd.

The Confederation Bospital will also be held at the Charlottetown Curling Club this year, during the week of February 14th. Play will be in sections with 32 rinks taking part from Monday until Thursday. Thursday night and Friday 20 rinks will join in competition with a similar number participating Saturday.

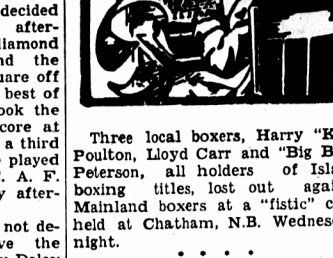

Much credit is due again this year to the members of the Charlottetown Kennel Club who put on such a fine show in their annual Hun Trials which were concluded here on Wednesday.

This annual event, which was held for the first time last year, has grown in such wide popularity in that short space of time, that this year bird dogs and owners from many points throughout the United States were here to participate in the trials, and despite the keen outside competition, our local dogs made a remarkably fine showing, for which much credit is due to local breeders and owners.

If the Charlottetown Kennel Club, which sponsors this annual event, continue on as it has in the past year, who knows but some day in the not too distant future, this event which has gained momentum in such widespread popularity, will develop here as a National event.

With the coming of the cold weather, Badminton enthusiasts are getting ready to launch their winter sessions, and although the regular season's play has not yet gotten underway, many of the players of the Garrison Officers Club were getting in some pre-season practice at the Armouries on Wednesday night, and just as soon as the annual meeting has been held, which is to come up in the next week or two, the sport is expected to be launched into full swing.

In local football circles, the lat-

Three local boxers, Harry "Kid" Poulton, Lloyd Carr and "Big Boy" Peterson, all holders of Island boxing titles, lost out against Mainland boxers at a "fistic" card held at Chatham, N.B. Wednesday night.

In the feature bout of the evening, Arnold Fleiger, hard-hitting welterweight from Chatham, K. O'd Harry Poulton, Island welterweight champ, in the second round, while Carr and Peterson, Island lightweight and heavyweight title holders respectively, lost out by judges decisions.

Carr lost the decision to Billy Snowball, N.B. North Shore champion, while Peterson bowed before a Chatham heavyweight, Gordie Snodgrass.

This is the second set-back for Island boxers competing in Mainland circles during the past week, the other being a team of five amateur fighters from Charlottetown who lost-out on all five decisions against a team of miltlingers at Kentville last Saturday.

Still on the topic of boxing, however, local fans will be in for a full evening of boxing entertainment on Friday, October 23rd, when the Island Amateur Championships will be staged at the Armouries under the Department of Physical Fitness.

Entries are rolling in for all of the nine weight divisions which will be open for competitors all over the Province, and everything points towards a full bill of boxing entertainment.

Canadiens Score 5-0 Shutout Over Maple Leafs To Head National League

Joe O'Brien Wins With Peter Song

WESTBURY, N. Y., Oct. 21 — (CP)—Joe O'Brien of New Glasgow, N. S., and Alberton, P. E. I., drove Peter Song to victory tonight in the \$1,000 Albany Trot at Roosevelt Raceway.

The entry of William E. Erving of Haledon, N. J., caught Wendell Washburn's Chit Song a few yards from the wire to win the mile test in 2:08 2-5. Second Front was third. The winner paid \$15.10, \$5.00 and \$3.50.

MONTREAL, Oct. 21 — (CP)—Montreal Canadiens flashed a sustained offensive tonight to blank Toronto Maple Leafs 5-0 and give goalie Bill Durnan his first shut-out of the National Hockey League season before a Forum crowd of 11,203.

The victory sent Canadiens to the top of the League with five points, against four for Detroit Red Wings, who play here Saturday night, and Boston Bruins.

It was the second straight loss for the Leafs in as many games. They appeared far below the form that carried them to the League championship and Stanley Cup honors last year.

Leafs could seldom get an attack organized, and when they did they ran into a stubborn Canadian defence and Durnan's smart goal-tending.

They appeared particularly to miss Syl Apps, their centre-line general for many years, and at times floundered about inside their own blue line.

There was plenty of rugged play and close-checking. Thirteen penalties were handed out, the Leafs drawing seven, Bill Barliko and Murph Chamberlain drew majors for fighting late in the third period. It was Chamberlain's fourth penalty of the game.

Canadiens' superiority was shown in saves—28 by Turk Broda against 13 by Durnan.

Toronto—Goal, Broda; defence, Boesch, Barliko; centre, Klukay; wings, Ezinicki, Watson; subs, Mortson, Bentley, Thomson, Kennedy, Meeker, Lynn, Costello, Mackell, Mathers, Dawson.

Montreal—Goal, Durnan; defence, Reardon, Bouchard; centre, Reay; wings, Carveth, Dussault; subs, Harvey, Harmon, Lach, Richard, Robertson, Modell, Fillion, Chamberlain, Dorohy.

Referee: Bill Chadwick. Linesmen—Sam Babcock and Geo. Hayes.

Summary:—

First Period	
1—Montreal, Lach (Reay) 1:14	
Penalties: Ezinicki, Lach, Chamberlain, Kennedy.	
Second Period	
2—Montreal, Dussault (Reay, Harvey) 1:18	
3—Montreal, Carveth (Reay, Harvey) 6:28	
4—Montreal, Bentley (Dussault) 18:40	
Penalties: Mathers, Robertson, Chamberlain, Ezinicki.	
Third Period	
5—Montreal, Harmon (Reay) 14:51	
Penalties: Mortson, Chamberlain (minor and major), Barliko (minor and major).	

Fusari Stops Tippy Larkin In Sixth

JERSEY CITY, N. J., Oct. 21 — (AP)—Charley Fusari, blond Irvington, N. J., welter weight contender, stopped the veteran Tippy Larkin of Garfield, N. J., tonight in the sixth round of a scheduled 10-rounder at the Jersey City Armory. Fusari weighed 147, Larkin, 143 1/2.

Larkin, showing little of his old master boxing form, never went down in the all-Jersey finale which ended with the 31-year-old vet collapsing against the ropes. Referee Paul Cavalier stopped the bout to save Larkin further punishment.

The winner, who is supposed to have a "promise" of a title shot at welter king Ray Robinson, hit Larkin at will after the second round. He had flattened Tippy in the ninth round of a previous meeting at Madison Square Garden Feb. 14, 1947.

In a six-round preliminary bout, Tito Valles of New York outpointed the veteran Jimmy Callura of Hamilton, Ont. Each weighed 128.

The Tournament of Champions attraction drew 7,687 paid and gate grossed \$28,538. Larkin getting a \$15,000 guarantee and Fusari drawing down 30 per cent of the gate, there was little profit for the promoters who are the last east threat to Mike Jacobs' ring empire.
