AN UNPUBLISHED POEM OF BYRON

HALIFAX, Nov. 14.—Arthur Allesworth, who up to two months ago was a Luna Park office boy, but now is a real actor with a small part in "Via Wireless" at the Liberty theatre, has showed to Frederick Thompson an old family album which is said to contain an original poem by Lord Byron never before printed and in the famous poet's own handwriting.

Ellsworth, who was educated in Germany came into Mr. Thompson's office in New Amsterdam theatre building yesterday and unwrapped an old book which, he said, belonged to his mother and was originally owned by her grandmother, Lady Harbury.

The book was an album in which curious old wood engravings fill the alternate pages and the rest of the volume is given over to autographs and poems written by friends and admirers of the owner.

The most important contribution in the book is the poem referred to. It is entitled "Love," and is signed "Byron." The handwriting is identical with that of the great poet. The verses read:

LOVE.

Art thou not dear unto my heart?
Oh, search that place and see,
And from that bosom tear that part
That does not beat for thee.

Yes, thou are dear unto my heart,
As dear as tongue can tell,
And if I'm guilty of a fault
'Tis loving thee too well.

TURNED OUT A FALSE ALARM

EMERSON, Man., Nov. 14—What was thought at firse to be a deliberate attempt to blow up the Emerson railway and traffic bridge was unearthed by the discovery recently of a case of dynamite sticks lying against the centre pier of the bridge, but the rather startling discovery has been since explained. Workmen at the bridge last winter had intended to use dynamite in removing the stone from the breakwater and finding it unnecessary to bring the explosive into play had dumped the whole case in the river and it found a resting place beside the pier.

At the time of the finding last week the dynamite was perfectly harmless owing to its long stay in the water. The entire absence of any wire or fuse to set off the explosion was a mystery, and the conjecture was expressed that those who were responsible had been disturbed in their preparations and hurried away.

JAP SEALERS SHOT BY RUSSIAN GUARDS

VICTORIA, B. C., Nov. 14.— Word has been received of further tragedes at the Copper Islands as a result of the rading by Japanese sealing schooners. Advices from Copper Islands, by way of Vladivostok, state that nine sealers of the crew of the Japanese sealer Boso Maru were shot and killed by the Russian guards at the seal rookery on Copper Island, and nine of the crew of the schooner Toyo Maru which attempted a raid at Copper Island, when homebound from Behring Sea, where the rookeries were too closely guarded this year to allow of such operations, were captured by the Russian guards.

The sealing schooner Boso Maru on her return to Japan reported having lost two boats' crews at the Russian rookery and those on board had no knowledge of the fate of the men who were abandoned on the seal island when the schooner slipped her anchor and ran to avoid capture by the Russian guardship Shilka.

Wonderful Cure of A. F. Richard, Who was Tortured by Rheumatism and Kindred Pains, Sets Kent County Talking.

ST. IGNACE, KENT CO., N. B. — Nov. 16. — (Special). — After being tortured for four years with Backache, Rheumatism, Stiffness of the Joints and Pains in the Loins, and getting no relief from five doctors whom he called in, Mr. Antoine F. Richard, a well-known farmer living near here, is spreading the good news that he is once more a well man, and that he owes his cure to Dodd's Kidney Pills. Speaking of his wonderful cure Mr. Richard says: — "I was a helpless man in July, 1907. For four years I had endured the greatest torture from Backache, Rheumatism, Stiffness of the Joints and Pains in the Loins. I had dark circles under my eyes, my head ached and I was often dizzy. I was attended by five doctors, but not one of them could help me.

"Then I began to use Dodd's Kidney Pills and after the first few doses I began to improve. I used four boxes in all and now I am working every day on the farm a well man. I owe my wonderful cure to Dodd's Kidney Pills and nothing else."

There is no case or kind of Kidney Disease that Dodd's Kidney Pills will not cure.

Bauer was a member of the firm of Green and Bauer, of Hartford, Conn. His disease which was contracted eight years ago, was brought on through his failure to understand the intense penetrating of the rays.
