## PRINCE EDWARD ISLAND

And its Attractions to Tourists.

Prince Edward Island's summer climate is delightful, and the scenery is beautiful and quietly picturesque. Surrounded by the Gulf of St. Lawrence, it enjoys all the coolness of the sea breeze and the advantages that can only be derived from sea bathing, at about 65 degrees.

Charlottetown has over 12,000 inhabitants, and is the capital. It has many great retail stores, besides a large wholesale trade. It has a Gas Light and Power Company, two Electric Light plants, and a street railway in embryo. It has a first class water works and sewerage system. It is famed for its wide and shaded streets, its many pleasant drives, the principal of which is the new Park Boulevard, its attractive surroundings, pure water, and clear, cool and bracing air. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House. It also has several fine public buildings and a market which is one of the chief sources of the citizens' pride. It has one of the largest and best equipped pork-packing establishments in the Dominion. On its west side is Victoria Park—a favorite summer resort—while on the east are the magnificent new Exhibition Buildings and Driving Park. Chief among its public squares is Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, fountains, and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davies, Queen, and Revere.

Summerside has about 4000 inhabitants. It is situated on beautiful Bedeque Bay. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores. It has an Electric Light Plant, and a water works system and sewerage are being agitated for. The hotels are—Clifton, Russ, and Campbell.

Georgetown and Souris have a population of about 1,000 each. In the former are the Aitken, and Tupper hotels and in Souris the Sea View. At Cape Traverse, a very pleasant summer resort, is the Lansdowne hotel. In Alberton, the Albion Terrace and Wisner. In Tignish the Railway; in Kensington, Clark's and Commercial; in Montague, McDonald, and in Mount Stewart, Clark's and Manson.

The following hotels open for the summer season: At Hampton, Pleasant View; at Stanhope, Match's; and Cliff. At Brackley Point, Shaw's; at Rustico, Seaside; at Malpeque, North Shore, Acadia; at Alberton, Seaford, Port Hill, Port Hill House, and at Pownal, Florida.

In addition to those already mentioned there are other towns and villages in the Province with hotel accommodation, while many farm houses prepare for the reception of tourists. The rivers and streams team with trout, the bays with mackerel, while game of almost every description abounds.

N. B.—Visitors to Prince Edward Island, who desire full information regarding hotels and boarding houses, trains, boats, livery stables, etc., and how to reach the different seaside and country resorts, fishing places, etc., can obtain the same by writing to or calling on Messrs Johnson & Johnson, Druggists, Prowse Block, Charlottetown, and Mr. D. K. Currie Water St. Summerside, where all information will be cheerfully given free of charge.

All hotels and farm houses having accommodation should register at the above places at once, stating charges, nature of accommodation, locality, and such matters as tourists would like to know about.

#### NEWLY INTRODUCED

Sensation Caused in Barnaby River, New Brunswick, By Dodd's Kidney Pills.

Barnaby River, N. B., Aug 14—Quite a sensation has been caused here lately by the introduction of a new medicine—Dodd's Kidney Pills. Although there has been many deaths in this village and surrounding district from bright's and other kidney troubles, yet strange to say Dodd's Kidney Pills had never been tested. Our people had little faith in patent medicines.

Now however Dodd's Kidney Pills are creating a sensation. A large number of people are using them and expressing surprise and delight at the result. "From the first week I began to improve," says Cornelius Crotie of Barnaby River, who had been given up by the doctors. The fact seems to have surprised him but it is always true where Dodd's Kidney Pills are used.

## WEAK AND... PUNY CHILDREN

Become Strong and Healthy by using Dr. A. W. Chase's Nerve Food.

Children are frequently left weak and sickly as an after result of measles, scarlet fever, etc., and in this state are easy prey to nervous disorders, rickets, spinal disease, or consumption, diseases which do not affect robust, healthy children.

The blood is weak and watery and the nerves improperly nourished. Feed the blood and nerves with Dr. A. W. Chase's Nerve Food, and the pale, pinched faces will soon become rosy and plump, and tiredness and weakness will give way to strength and animation.

Mr. E. W. Day, 62 Close Avenue, Toronto, writes: "My eldest daughter, aged eight, became very much run down. Her fretful, nervous, sleepless condition greatly alarmed her parents. She was taken from school, and in spite of the best nursing, the thin, weakened, bloodless face grew painfully worse. Fortunately we used Dr. Chase's Nerve Food. An improvement became apparent in a few days, it continued, and in a few weeks she returned to school built up anew, and greatly to our joy fully restored to health."
