CANADA DEFEATS POLISH HOCKEY TEAM 8-1

Thomson Leading Scorer As Canadians Triumph In Swirling Snowstorm

Coach Albert Pudas Expresses Satisfaction Over Team's Showing, Canucks Meet Latvia Today.

GARMISCH-PARTENKIRCHEN, Germany, Feb. 6.—Paced by the fast and elusive Bill Thomson, ace wingman of Port Arthur Bearcats, the Canadian Olympic hockey team had little trouble today in overcoming Poland's preliminary opponents, 8-1.

Puck Obscured
Despite an army of men employed to scrape and shovel the snow off the surface, the ice was covered by snow throughout the game. In the latter stages it became so deep the puck was frequently lost momentarily.

Canadiens Defeated By Bruins 4-3

(C. P. By Guardian's Special Wire) MONTREAL, Feb. 6.—A second period goal was the margin of victory tonight as Boston Bruins downed Canadiens 4-3 in a National Hockey League game that saw Canadiens battle from behind to tie the count twice before losing out. Bruins took third place in the League's American division over the New York Rangers by winning.

The game was a little more than underway when Red Beattie and Dit Clapper combined for the first Boston goal. Clapper took a pass from Beattie close in and the Red-head darted in like a flash to shoot home the rebound of the right-winger's hard shot. Young Polly Drouin matched that goal midway through the period when Jeff Desjardis set him up with a scoring pass 15 feet out.

Johnny Gagnon gave Canadiens a lead when he drew Tiny Thompson after a brilliant combination play with Sylvio Mantha and Aurel Joliat. Graham's slip from the goal ceased after taking O'Neill's pass sent them into the second period in a 2-2 deadlock.

Babe Siebert got the only goal of the middle session on Bill Cowley's pass after a rush in which Lorne Dewald joined.

Will Cude saved Siebert's initial hard driven puck but Babe took the rebound in his stride for another hard shot to the corner. Cude could not handle it.

Jack McGill tied the score midway through the third period on a play with Paul Haynes and Armand Mendou but scarcely more than a minute later Graham's second goal of the game gave Boston victory.

O'Neill relieved Duguid's pass in front of the net and Graham's short flip gave Cude no chance. About 5,000 saw the game. The loss dropped Canadiens into the Canadian section cellar. New York Americans climbed into third place by defeating Toronto Maple Leafs.

LEAF DEFENCEMAN SERIOUSLY INJURED

Red Horner Removed To Hospital

MADISON SQUARE GARDEN, New York Feb. 6.—Reginald "Red" Horner, fiery defenceman of the Toronto Maple Leafs, suffered concussion of the brain and a probable skull fracture, when cross-checked here tonight by Mervin "Red" Dutton, Manager and hard-hitting defenceman of New York Americans.

Horner, bleeding profusely from the wounds on the back of his head, was carried away in a hospital ambulance. The Toronto player was checked high by Dutton when leading a three man attack on the Amerk goal. Dutton's stick seemed to catch the Leaf star about the neck. He fell backward with a thud and after being carried off in a semi-conscious condition, stitches were required to close the wound that ran laterally across his head and more to close a wound that ran vertically.

Dr. Henry O. Clauss, Garden medical official, attended the Leaf player.

The motion was moved yesterday by Stewart Scott of Galt, who said he felt best interests of breeders would be met by amalgamation of the two associations and the use of one eligibility card for entries.

Schriner Gives Americans 4-3 Victory Over Leafs: Redwings Blank Chihawks

MADISON SQUARE GARDEN, New York, Feb. 6.—A sparkling goal by Dave "Sweeney" Schriner, the National Hockey League's leading marksman, in the final minutes of the game gave New York Americans a well-earned 4-3 triumph over Toronto Maple Leafs in a fast and hard-hitting game before 12,000 fans here tonight.

The victory was particularly fruitful for the Americans as it hoisted them into third place in the Canadian division. It was equally disastrous for the Leafs, who, besides being unable to forge ahead of Montreal Maroons, saw two of their ace defencemen carried off from the battle front.

Reginald "Red" Horner, had man of the league, was injured late in the first frame when cross-checked by Mervin "Red" Dutton, New York manager and defenceman. They carried Horner away in a stretcher with the Garden medico saying he suffered concussion, probable fracture of the skull and in addition to head lacerations. Late in the final period Frank "King" Clancy, defenceman and spark plug of the Leafs was carried off after a collision with an American.

Four goals were scored in the first period of the wide open game, Nick Metz and Charlie Conacher counting for Toronto and Eddie Wiseman and Red Doran for Americans.

Each team notched a marker in the middle frame with the honors going to Bill Thomas of the Leafs and Carl Voss of the Amerks, the latter with Toronto shy a man. Schriner then rang up the final goal in the late stages of the last frame when Leafs were again a man short.

A. Jackson, Clancy, Davidson in the first, Day, Jackson and Clancy in the second earned assists on the Toronto goals, while Voss, Klein, Wiseman in the first period and Wiseman, Klein, Schriner in the second and Carr and Chapman in the final frame were credited with assists on the Amerk tallies.

May Waive Suspension Of Players

(C. P. By Guardian's Special Wire) GARMISCH-PARTENKIRCHEN, Germany, Feb. 6.—It was reported late tonight that Canadian hockey officials were willing to waive the suspension of James Foster and Alex Archer temporarily and that the two Canadian-trained players might line up with the English team against Sweden in tomorrow's Olympic program.

British hockey association officials admitted they had heard the report that the Canadian team was willing to play against the suspended players if the International Hockey Federation was agreeable. Beyond that they would not comment. Canadian spokesmen could not be reached immediately for comment.

Because of the suspensions, voted Wednesday night by the I. H. F. in upholding the transfer rule of the Canadian Amateur Hockey Association, the British association was known to be considering withdrawal of the English hockey team from competition.

While the English early tonight had not gone beyond mild threats, Olympic officials were still apprehensive lest the Britons stage a last minute surprise and withdraw from the hockey series.

From one quarter came the statement that final decision on the advisability of continuing in the hockey tourney would not be made by the English authorities until tomorrow. The English team is scheduled to play its first game against Sweden tomorrow evening.

Jimmy Foster, goalkeeper once of Winnipeg and Moncton, and wingman Alex Archer, formerly of Winnipeg, were suspended indefinitely for transferring to English clubs without gaining consent of the Canadian Amateur Hockey Association.

The Canadian authorities were upset over reflections cast on their sportsmanship. At the same time the English expressed concern over the suspensions, which they termed an injustice and for which they held the Canadians to blame.

Secretary Ahearne of the British Association declared "it was preposterous" that the Canadian method should be preferred to the International rule which allows players to leave a country during the off-season without obtaining permission.

Delegates of Britain also expressed the belief that Canada received support in its contention that the players were ineligible because the other competing countries "are apprehensive over Great Britain's chances of winning the Olympic title."

English Team Threatens To Withdraw As Result Of Players' Suspension

(C. P. By Guardian's Special Wire) GARMISCH-PARTENKIRCHEN, Germany, Feb. 6.—Hockey warriors of Canada and the United States, co-favorites in advance calculations, whipped the weatherman and their initial opponents today as the fourth winter Olympics opened to the accompaniment of a blaze of ceremony, a swirling snow blizzard and renewal of eligibility arguments.

Featured in an opening day's program devoted entirely to hockey, the Canadian team defending the Olympic title pushed over five goals in the first period and crushed Poland 8-1. Starting with four goals Mr. G. W. MacLeod, skipper of the various teams are asked to have their players on hand for play.

The following is the schedule of today's play:
Jr. Bonspeil At Curling Rink Today
The Junior curling tournament will get underway at the rink today with the holding of a series of elimination matches. The members of the winning rink will be the recipients of medals donated by Mr. G. W. MacLeod, skipper of the various teams are asked to have their players on hand for play.

Threaten to Withdraw
Overshadowing competitive developments tonight, however, was the English hockey team's threat to withdraw as the result of the blacklisting of two of its leading players.—James Foster and Alex Archer, both formerly of Winnipeg.

The players were suspended last night by the International Hockey Federation for breach of the Canadian Amateur Hockey Association's transfer rule. A spokesman for the English team said application of the Canadian "local rule" wasn't "playing the international game."

Final decision as to whether England would continue in the hockey tourney would be made tomorrow, shortly before the British team is scheduled to meet Sweden, it was said.

Despite the terrific storm, fully 80,000 spectators poured into this picturesque resort for the opening ceremonies, with Chancellor Hitler speaking the short formula that officially launched the games.

Parade of Nations
Most impressive and colorful was the parade of nations in the ski stadium—fully 1,500 athletes from 38 nations passing in review before the Reichsfuehrer.

As each national delegation marched past Hitler with flag lowered, the Fuehrer gave the Nazi salute. Most of the competitors from foreign lands returned the salute, in kind, the Americans were among those who did not, but they turned eyes right as they passed the official stands.

The Canadian contingent, in red and white Olympic uniforms, were considered by many to have cut the naughtiest figure of all the marching men and women.

While the hockey competition was getting under way, the bobsledders ran into another series of accidents in practicing runs. Fears were expressed that this branch of competition might have to be postponed, if not cancelled entirely, due to uncertain conditions.

J. Hubert Stevens of Lake Placid, N. Y., and other American sledders were unanimous in declaring the curve, where several two-man sleds cracked up yesterday, was structurally unsound.

Tomorrow's schedule is marked by a seven-game hockey schedule, as well as the downhill ski-race for men and women.

In hockey, the Canadian squad meets Latvia while the Americans will face the Swiss team, European champions in 1935.
