CHRISTMAS AT POST OFFICE—Christmas has already made its appearance at the Post Office. During the past week a large number of parcels have gone forward both to overseas points and to Western Canada. All Special arrangements for handling the mail will be in operation from today. A number of extra men have been put to work in the Charlottetown Office and also in the railway mail service. It is anticipated that the volume of mail will be just as great this year as any previous Christmas season. A special full postal car will run between Halifax and Bangor from now till Christmas Eve.

Looking 'Em Over

(BY TEC)

Good Idea

Jim Power in the Halifax Herald says:

The Bathurst Papermakers, like Truro Bearcats, have the names of the players on the backs of their sweaters. They are certainly a great aid to the spectators in distinguishing the players if they are placed or worn properly.

After the Abegweits get down to "brass tacks" and the "powers that be" have a fair idea of the personnel of the team for the season, would it not be a good idea to follow the lead of Bathurst and Truro and have the names of the local boys on the backs of their sweaters. No doubt with the advent of the Forum this season there are hundreds of new fans added to the list, and if for nothing else, they alone would appreciate this distinguishing factor, and at the same time would create more enthusiasm all round. In fact it might have a tendency to spur the players on to greater endeavor. Who would want to make a poor showing with his "monicker" tagged on his back? The Abegweits expect to play a great number of games away from home this winter—again the names on the sweaters would be welcomed by outside lovers of the game.

Nice Design

Mr. Walter A. Smith, President of the Abegweit Club, is more or less of an artist, in his own right. The large crest on the sweaters of the Abegweits of this year was designed by Walter, and judging by remarks heard here and there, said design is the real thing.

Crystals Appreciative

Ralph Silliphant, coach of the Summerside Crystals, who had his team on the Forum ice for a workout Friday morning, spoke in glowing terms of the generosity and many courtesies extended to his boys by the Forum management.

Likely Looking Lot

By the way, the writer had a glimpse of the Western boys in their first brush on Friday morning, and believe me, this outfit of puck chasers are going to be hard to beat this winter.

McVeigh hit a hand, and drew a major penalty along with Clapper.

"Paste It In Your Hat"

Elsewhere on this page the attention of skating enthusiasts and hockey fans is called to the "Forum Calendar," giving the complete program of doings at the Forum.

To Encourage The Younger Players

In an effort to encourage the younger hockey players of Charlottetown and develop superior material without importing players from Upper Canada, a meeting will be held in the Y.M.C.A. at 8 p. m. sharp on Monday, December 15th. The plan is to form three teams to be coached by former hockey players, and form a league along the lines of the Junior Ontario Hockey Association. The only qualifications a player needs is hockey ability and that he has not passed his twentieth birthday on Dec. 31st, 1930.

It is hoped that a large attendance will be on hand at the "Y" tonight.

Well Patronized

The restaurant in the Forum operated by Messrs. James Power and William Michael did a great business at last Friday night's hockey game, and since opening have catered to the wants of the patrons in an up-to-date and very courteous manner. All the latest fixtures have been installed and a visit to Jim and Bill's counter is to be convinced. The Restaurant is located to the left of the main entrance of the Forum—and strictly adhering to the Forum's motto "Courtesy & Service" is first, last and always in this Restaurant.

Getting Ready For Bearcats

Abegweits are working hard these days and nights with an eye to giving the Truro Bearcat a warm reception here next Friday night. Coach Frowse was well satisfied with his team's showing against the well conditioned Montserratians and looks forward to sending a much improved lineup against the Cats.

DANIEL MCGREGOR

Daniel McGregor of this city died suddenly in Boston Sunday night. He was born in Southport, Prince Edward Island, Dec. 25, 1847, a son of Alexander and Elizabeth (Dewar) McGregor.

Mr. McGregor came to Keene in 1869 and was engaged in the harness business for many years. On March 4, 1879, he married Ida Barrett of this city.

He is survived by a widow, a son in Providence, a son and two daughters in this city, also two sisters and three brothers in Canada.

Funeral service will be private and a request is made that flowers will be omitted.—Keene Evening Sentinel.
