"In my opinion, no other medicine is so curative for Constipation and Indigestion as 'Fruit-a-tives'."

I was induced to try 'Fruit-a-tives' and now for six months I have been entirely well". A. ROSENBERG, 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

THE PROMOTER'S WIFE
BY JANE PELTS

LORRAINE MORTON AND BARBARA DINE WITH MR. FREDERICK

CHAPTER XXIII.

The next morning I packed Neil's bag and sent Tonko down with it. I slipped in a little note telling Neil how I loved him; and how even the two days he was to be away would be interminable. Then I kept busy so that I should not think too much of his refusal to allow me to accompany him.

Lorraine Morton called me up on the phone and asked me to tea in the afternoon. When she found out I was alone she proposed that we be "real sports" and stay out to dinner.

"We'll go to the Vanderbilt or the Waldorf for dinner, get tickets for some good show, and make an evening of it."

"I heartily agreed. I knew that, should I stay at home alone, I would be depressed and blue. So we were quite gay as we sat down to a secluded table in the Della Robbia room of the Vanderbilt. We had ordered, when to my surprise I saw Mr. Frederick making his way toward us. I had no idea he was still in New York, and told him so.

"Business matters detained me. And"—he hesitated—"if I won't intrude, and you are expecting no one else, won't you ladies take pity on a lonely mining man and dine with me?"

"But we have ordered," Lorraine said, then kicked me under the table. I knew she meant for me to accept.

"Make that order for three, and bring me a wine card. We'll have a bottle of very light wine. Something that won't hurt you," he added noting the refusal on my face.

Don't Scold, Mother! The Cross Child is Bilious, Feverish

LOOK AT TONGUE! IF COATED CLEAN LITTLE STOMACH, LIVER, BOWELS.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign his little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little insides clean and sweet.

Keep it handy, Mother! A little give on today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups.

The scholars were examined by their teacher, Miss Jeanette McDonald, assisted by Miss Minnie McKay, teacher Argyle Shore, Mr. William Carson, formerly Principal of Murray Harbor School, Miss Frances McManus, student of P. W. C. and Miss Blanche Beaton.

After the program, the pupils treated the visitors with cake and cocoa while Santa Claus who appeared upon the scene, proceeded to unload the "mas Tree" which was well laden with bags of candy for the scholars. He also found on the tree a very dainty and suitable gift for the teacher.

Before the close, remarks were made by the trustees and several there present, expressing their satisfaction with the active and painstaking work being done by the teacher.

DISPERSAL SALE OF Holstein-Friesian Cattle AT BUNBURY FARM, CHARLOTTETOWN

3 grade heifers, 3 months.

Almost all the heifers are sired by Sir Fairview Korndyke, a son of Pontiac Korndyke, out of a full sister of Rag Apple Korndyke 8th, who is at the head of the world's greatest herd.

Nearly all over a year old are in calf to Sir Dekol Pontiac Jewel, a son of King Pontiac Jewel with over 70 tested daughters, who is sired by King of the Pontiacs with 235 tested daughters and 129 proven sons, twice as many as any bull of any breed. His dam's, 7 nearest dams average over 28 lbs. butter in 7 days. A considerable proportion freshen in April.

The imported bull King Walker Pietertje will be sold. He is right every way and is heartily recommended to any group who purpose organizing a Holstein center. His place in the herd has been taken by the 10-months-old calf—Roycoff Pietje Echo, recently bought from W. S. Shaw, Newmarket, Ontario.

There are no worn-out cows, reactors nor 3 teasers as far as known. The Bunbury Farm herd is tested, with the temperature test, spring and autumn for tuberculosis. Last test there were no reactors whatever. All animals purchased are tested before they come in to the herd.

The only reason for selling is that our barn is overcrowded and we intend to carry only pure bred cattle hereafter. We are holding some 25 head of registered stock for a foundation.

TRAIN ARRANGEMENTS.
