

Westclox

Making clocks for you

FROM the time the material is selected and tested, through the process of manufacture, through the rigid tests of finished clocks, every one in the Westclox factory has one person in mind—the person who is to use the clock.

If, over a period of years, it fails to show you the right time, providing it has had proper care, we have failed. If it fails to call you at the proper time we have failed. During a period of forty years the percentage of such failures is surprisingly small. That is why Westclox have such an excellent name. That is why clock buyers who know look for the name Westclox on the dial. Booklet on request.

party. Mrs. McNair will no doubt give some of her impressions at an early meeting of the Caledonian Club when the subject is under discussion.

PRESENTATION—A Sherbrooke correspondent writing to the Halifax Herald says:—A surprise party was given Miss Ina Muir on the evening of Wednesday last by her fellow students of the high school at the home of Mrs. William Fraser when she was presented by Miss Jean McGrath with a solid silver napkin ring as a token of the love and esteem in which she is held by all her fellow students. After the presentation a most enjoyable evening was spent. Miss Muir, who leaves for Charlottetown next week, where her father has been called to St. James' Presbyterian Church, has been very popular in Sherbrooke, having been president of the Mission Band. She is a fine singer and has often delighted her many friends by her solo singing in the Church.

To Make Pine Cough Syrup at Home

Has no equal for prompt results. Takes but a moment to make. Saves about \$2.

You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membranes of the throat and chest.

Pine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain sugar syrup.

To make the best pine cough remedy that money can buy, put 2 1/2 ounces of Pinex in a 16-oz. bottle, and fill up with home-made sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you make 16 ounces—more than you can buy ready-made for \$2.50. It is pure, good and pleasant—children like it.

You can feel the take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—infamed membranes—and this Pinex and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment.

Pinex is a highly concentrated compound of genuine Norway pine extract, and is famous the world over for its prompt effect upon coughs. Beware of substitutes. Ask your druggist for "2 1/2 ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Toronto, Ont.

End Catarrh Germs In Three Minutes

Chronic catarrh, no matter how bad, and cases of bronchial asthma now yield instantly to the amazing discovery of a French scientist. This drugless method called Lavex eliminates the germs in three minutes, yet is positively harmless. No cold and lungs are cleared like magic. Sufferers are relieved in a single night.

To prove it and to introduce Lavex to ten thousand sufferers in one month, I offer to send a treatment free and postpaid, to any one who will write to me. No obligation. No cost. If it banishes your Catarrh you can repay the favor by telling your friends—no the less I am sure. No matter what you have tried, just send me your name and address for this generous free treatment and prove that you can be rid of catarrh.
