DR. FOWLER'S
Extract of
Wild Strawberry

is an instantaneous cure. It has been used in thousands of homes for sixty years, and has never failed to give satisfaction. Every home should have a bottle so as to be ready in case of emergency.

Mrs. GEORGE N. HARVEY, Roseneath, Ont., writes: "I can recommend Dr. Fowler's Extract of Wild Strawberry as the best medicine I have ever used for Diarrhoea and all summer complaints. I always keep it in the house and praise it highly to all my friends."

Hewson Tweeds for Careful Dressers

—strong, soft, pure—
perfect as the best
Scotch Tweeds.

Men who are particular about their clothes are finding this out every day—but we want every man in Canada to realise it fully—and to appreciate what a saving it means in the cost of his tweed suit.

The men in the United States who value the style and worth of good Tweed have found that there is no Scotch Tweed made better than the exquisite Hewson fabrics. The latter hold the market in the United States equally with the product of Scotland.

Hewson Tweeds are as dependable as they are delightful in pattern and fine in texture. The designs are in keeping with the latest vogue and combine good taste with captivating style, presenting a wide and exclusive choice. There are heathers and checks, in-checks and over-checks, warm-coloured and cool-looking—every sort for every fancy.

They are dyed by a special process which does not harm the fibre or injure the strength of the wool. The shades are absolutely fast. There's not the least fear of rubbing off, or fading. They wear the same rich colours to the end.

Firm, sound, light or heavy as desired, they possess a durability that is remarkable.

Before you select your next suit, just let your dealer show you some of the Hewson Tweeds. Feel them—hold them to the light—and, if you are a judge of woollen goods, you won't be long in satisfying yourself they are excellent in every way.

When you remember that wool is the most health-preserving material you can wear, and the most economical, you will be glad we have asked you to take a little notice of these pure-wool Tweeds. If your dealer can't show you them, send us his name, and we'll mail you samples.
