## IN MEMORIAM

The deepest sympathy of the people of Charlottetown and North Milton goes out to Mr. and Mrs. John McQuarrie and family in the sorrow over the death of their darling daughter at the early age of 25 years. Maria had been in failing health for some time, but her death came as a great shock to her friends and relatives. Her disease developed into appendicitis. Her condition appeared to be all that could be desired, but the best medical skill and tender nursing proved fatal.

In the morning hours of Friday, November 29th she passed to her eternal reward, God called her to her everlasting home. Her sweet Christian character will long be remembered by her friends and relatives who mourn her early passing.

Maria was an exceptionally bright and loving girl, a favorite with everybody who knew her and more especially in her home where she was the youngest of the family, and her passing at such an early age leaves a sadness in the home. How sad to see her cut off so suddenly when life seemed so promising and full of jolliness; how hard to realize that no more can be heard that sweet voice of our dear one, that is still forever. Many were the tears shed over her as she lay in her last resting place, her dear face so sweet in death as it was in her brightest hours. The ways of God are strange but His will be done and some day we will understand why this all should be.

She leaves to mourn besides a heart-brother, a mother and father, one lonely sister, Mrs. James Ford of this city, two loving brothers, James of this city and William of North Milton.

The funeral which took place at the home of her parents on December the first was largely attended. The service was conducted by Dr. A. C. Vincent, pastor of the Baptist Church, assisted by Mr. Outhouse of the Christian Church. Interment took place at Fairview Cemetery where all that was mortal of darling Maria was laid to rest. The service at the grave was conducted by Rev. Mr. Outhouse. Many of her school mates were given the last look at one they loved, and it touched the tender spot of all who stood by her grave on that cold December day.

Many beautiful floral offerings were received as well as messages and letters of sympathy from friends at home and abroad, all offering deepest sympathy to the grief stricken parents in their most sad and sudden bereavement.

The following hymns which were favorites of the deceased, were sung: "My hope is built on nothing less"; "Jesus paid it all"; "Safe in the arms of Jesus".

The pallbearers were Messrs Angus McInnis, Johnny McInnis, Harry Cudmore, Tomie Cudmore, James Harper, Russell Bernard.

The floral tributes were as follows:

SPRAYS.  
Mr. and Mrs. William McQuarrie, Mr. and Mrs. James Ford, Mr. and Mrs. William Casford, Mr. and Mrs. A. J. Wa, Mr. Harper and family, Katie and Mary Duffy, Falconwood friends, Mr. and Mrs. John Cudmore.

CRESCENTS.  
Mr. and Mrs. C. A. Ford and Grace Baptist Church.

How we miss thee, dearest daughter Not a soul save God can tell, Yet we strive to show thy teaching, Trust in God and all will be well.

Still our hearts will not cease aching, And our eyes with tears grow dim, Still our cross we must bear with patience, Since our loss is thine immortal gain.

There's not a single moment, Through the livelong day, That our thoughts are not of you dear, Since you've passed away.

And you've gone and left us, How we miss your smiling face, But you have left us to remember No one can take your place.

You are not forgotten sister dear, Your memory will never fade, Our thoughts will always linger, In Fairview where you're laid.

Inserted by the family.

Meeting opened by reading of Creed and roll call was answered with name of Allied Leaders in the Great War. A Halloween party was held at the home of Mrs. V. H. Dockendorff on November 1st, and the sum of fifteen dollars was realized. The following officers were elected: President, Mrs. Dan McKay; Vice-president, Mrs. James P. McLeod; Sec.-Treasurer, Mrs. A. G. Judson; Directors, Mrs. John M. McLeod, Mrs. Lincoln Currie, Miss Muriel Munn; Auditors, Mrs. V. H. Dockendorff, Mrs. Angus McDonald.

HEAVY SNOW—The Souris Line Road is filled with snow from one end to the other, and the road all through the eight miles to the North Side, goes in the fields. The snow fell very level and there are few banks, but on the sleigh track there is almost an average of fifteen inches of snow, making a very heavy road, but rapidly becoming good as it is taken down by traffic. On McInnis' Hill is more snow than ever before for some unexplained reason. The snow-shovellers were forced to shovel out a canal fully 200 feet, to make a track for the sleighs. All the other hills are fairly passable without shovelling.

PRESENTATION—Last week two representatives of the Cardigan and Lorne Valley Presbyterian Congregations called at the Manse, and on behalf of the churches presented the Rev. and Mrs. W. E. Davies with a new and most beautiful sleigh, as a token of their esteem and appreciation of the work done by the minister and his wife since they came into the Parish in July last. The same week, several members of the Cardigan congregation visited the manse and gave the Rev. and Mrs. Davies a pantry shower. The ladies touched by these unexpected signs of their parishioners' goodwill and generosity, and thanked all who participated in each of these gifts, most heartily.
