Mr. J. M. Murley, who represented the Charlottetown Rotary Club at the International convention recently held in Minneapolis, returned home Friday night. This convention is rated as the most unique and universal congress held in the world Rotarians from forty-four countries of the world were present, including 278 from the British Isles. Four hundred Canadian delegates from every city in Canada took an active part in the many fraternal and social functions. Mr. Norman Somerville of Toronto, gave the most stirring address of the convention and was given a magnificent ovation among speakers of international renown.

Mr. Tom Sutton of Mexico, was the constant companion of the Maritime delegation during the earlier days of the convention and it was with a feeling of great satisfaction that his election to the Presidency of Rotary International was heard.

The outstanding social function was the President's Ball when thirteen thousand Rotarians, their wives and guests from Minneapolis met and enjoyed an evening of unalloyed pleasure. Mutual understanding and the advancement of peace through a world-wide fellowship of business and professional men is the peculiar object of Rotary International and such gatherings go far towards bringing about this happy condition.

As time goes on, the number of veterans of the Great War becomes less. Year succeeds year, and those who are left recall that many who had shared with them the brunt of the battle in defence of their king, their Empire and their flag have "gone west."

But their memory will not perish from this land, on whose high altar of duty they freely laid themselves—a willing sacrifice in the time of her peril. In the hearts of their comrades their memory will endure while life shall last and in the fabric of the nation which they saved— in the mighty work which they have accomplished, their name liveth forevermore.

Arithmetic, History and French will be given today and Algebra, Geometry and Latin tomorrow. Five hundred and forty students are taking the examinations this year, probably a record in the history of the Island. Charlottetown leads with 190; Summerside, 160; Montague 90; Alberton 60; Souris, 40.

ENJOYABLE VISIT.—Mr. J. W. Newsom of Crapaud returned home on Monday evening after a very successful and enjoyable visit to Montreal, Toronto, Ottawa and other leading Canadian cities. Mr. Newsom found that the farms in all the localities he visited were very much inferior to those on the Island and that though there are many other attractions for those who live there, on the whole there is no place which can provide greater opportunities for an enjoyable residence than his own province.

The Prince Edward Island Light Horse, the 1st Prince Edward Island Highlanders, the 26th Field Ambulance, and the 8th Signal Company, about 250 strong all went into camp yesterday.

Officers from the permanent staff at Halifax have charge of camp activities this year.

The old 105th battalion has now become the 1st Prince Edward Island Highlanders. They look as if they will have a knessy time in their smart new uniforms.

There are two new units this year, the 26th Field Ambulance Corps, and the Infantry Camp School. The latter is to be recruited from the 1st Highlanders.

It looked most unpromising for horse racing at nine o'clock in the morning when the special train with race horses pulled out from Charlottetown. Mr. George Callbeck, of Summerside, who was mainly responsible for staging the races there on Dominion Day was certainly doing some worrying, but nature proved kind and in a few hours everything was changed and a bright sun was drying up the track and spreading radiance over everything. It would be hard to conceive a more perfect afternoon unless objection could be taken that it was a trifle too hot. The torrents of rain had turned the race track into a veritable mud pile at the lower turn, but by heroic work on the part of the caretaker, and the assistance of a number of automobile owners who volunteered to drive around the course it was put in pretty good condition by starting time. Upwards of 2000 people were in attendance and enjoyed a snappy program of horse racing. The three heat plan, or every heat a race, was tried out for the first time and gave good satisfaction, the afternoon's sport ending earlier than usual and there being no tiresome, long drawn out contests. The following is the summary.

THURSDAY

A double wedding of much interest to friends in this Province took place on June 30th at 8 p. m. at the First Presbyterian Church, Boston, Mass., when Miss Florence M. MacLeod became the bride of Mr. Herbert MacKenzie, and her sister Christine became the bride of Mr. Alexander MacDonald. The ceremony was performed by Rev. Dr. Watson in the presence of the immediate friends of the contracting parties. The brides were daintily gowned in pink georgette and carried bouquets of white carnations. Both couples were unattended.

Following the ceremony a reception was held at the home of Mrs. J. R. Aznive, a sister of the brides, at Mattapan, Mass. The young couples have come to the Island to spend their honeymoon and on their return will reside in Boston, Mass.

Mrs. MacDonald and Mrs. MacKenzie are daughters of Mr. and Mrs. Angus N. MacLeod, formerly of Valleyfield, P. E. I.; Mr. MacKenzie is a son of the late John A., and Mrs. MacKenzie, Hartsville, and Mr. MacDonald is a son of Mr. D. M. MacDonald of Hopedale.

Previous to the wedding both brides were tendered miscellaneous showers at the home of their parents in Boston, Mass.

DYSART - CONROY. — On Wednesday morning at 9.30, a very popular wedding was solemnized in the R. C. Church, the contracting parties being Mr. Frederick Royce Conroy, barrister of this city, and Miss Thyrza Dysart. The nuptial ceremony was performed by Rev. Father LeBris. The bride looked most charming in an ensemble suit with French hat of rose and delst blue. Miss Agnes Mugan, the bridesmaid, wore a suit of French kasha cloth with picture hat. The best man was Col. W. C. Craig, Mr. John Mugan giving the bride away. The service at the Church was attended by a large number of friends, Mr. Gerald Patterson and Mr. Leonard Aipdale being the ushers. During the service, Mrs. McNeill sang very beautifully the song "Love's Coronation." The wedding breakfast was served at the home of Mrs. J. J. Mugan, some twenty guests being seated. Toasts were eloquently presented by Col. Craig, Judge Buckles and Alder Brehaut. The happy couple left during the day for a motor trip to the Maritime Provinces and the southern States and are not expected back from their tour until Fall. A great many beautiful presents testified to the popularity of bride and groom. (North Battleford Optimist.)

(The above is a son of the late Dr. Conroy and Mrs. Conroy. They are to arrive in the city this week to visit his mother, Mrs. Conroy.)

The passing to her heavenly reward of Mrs. James G. Hughes, (Bessie Hannah Cook) on May 19, 1928, in the sixty-eighth year of her age, has been an increasingly felt loss to her loved ones and neighbors of Covehead. Mrs. Hughes was a woman of outstanding Christian character, sincere, loyal, consistent and true. A woman of exceptionally good judgment, for more than fifty years her life witness for Christ has ever been "holy reasonable" and we sincerely believe "acceptable to God." She was married in 1879 from her girlhood home in York, P. E. I., and for nearly fifty years since Mr. and Mrs. Hughes have lived in Covehead, in which place Mr. Hughes was born. Through her strong and earnest Christian influence her husband was won to Christ within two years of their marriage, and together they have since been staunch supporters and active workers in the Methodist and in the United Church. The Christian influence of this good woman's life can only be rightly measured in heaven above. Besides her bereaved and sorrowing husband, she leaves to mourn a faithful Christian mother, three sons, William Parmenas, George Hibbert and John Franklyn, all resident in Covehead, and two daughters, May Eveline, (Mrs. Leslie Bryenton, of Winsloe), and Lottie Hannah (Mrs. Herbert Vessey, of York). Mrs. Hughes also leaves three brothers, Artemas Cook, of Mount Stewart, Gorham Cook, of East Royalty, and Pope Cook, of York, and three sisters, Emily (Mrs. Wm. Sellar, of Mount Stewart), Mrs. Mary Jane McMillan, of Salt Lake City, and Minnie (Mrs. E. H. Dutchman, of Denver, Colorado. Rev. E. Boothroyd, of York, and Rev. W. H. Palmer, of Winsloe, assisted in the funeral service, which was conducted in her late home in Covehead, by her pastor, Rev. Thos. A. Wilson, who spoke from Numbers 23.10, "Let me die the death of the righteous, let my last end be like his." A very large funeral procession followed the remains to the United Church cemetery in York, where they were reverently laid to rest. The pall-bearers were Messrs. Geo. T. Bearisto, Frank Howard, Jas. Duck, Herbert Vessey, J. A. Allen and Charles Auld.

Catholics of Charlottetown united yesterday to extend a colorful and impressive greeting to His Excellency the Papal delegate to Canada, and Newfoundland, Archbishop Andrea Cassulo, representing His Holiness Pope Pius XI., on this, his first visit to Prince Edward Island. Thousands of people crowded the streets until the congestion was so great that the parade of cars from the S. S. Hochelaga was diverted to less frequented streets and many who waited hours for a glimpse of the church dignataries were disappointed. The Apostolic Delegate was accompanied by Private Secretary Monsignor Bearzoth.

His Excellency arrived at 1.30 by S. S. Hochelaga, gaily decked with flags and bunting in honor of the distinguished visitors who was accompanied from Pictou by Right Reverend Monsignor J. C. McLean, V. G., Rev. J. J. McDonald, Rev. A. J. McIntyre, Justice Arsenault and F. J. Casey.

His Lordship the Bishop of Charlottetown boarded the steamer extending hearty greetings and welcome to the Papal Emissary, after which he was driven to the Bishop's Palace where, on the steps, after being presented with a large basket of flowers he bestowed the Apostolic blessing while hundreds knelt and bared their heads in respect and reverence.

Eight Fourth Degree members of the Knights of Columbus and the Boy Scouts acted as a guard of Honour. The following Knights in full uniform with sash and sword, took up their position on both sides of the car: Hon. John A. Macdonald, Dr. W. J. MacMillan, M. P. P., Adrian F. Arsenault, M. P. P., William Moran, Andrew Hennessey, D. B. Macdonald, Thomas Campbell and W. M. Flynn.

The League of the Cross Boy Scouts who marched ahead of the car, were under command of Assistant Provincial Commissioner, P. J. Hapenny. They were: Arthur Moran, Troop Leader; Jack Schofield, Johnny McAleer, David Sheppard, James Lightizer, Prosper Peters, Stanley McClintick.

- St. Joseph's Sodality.
- L'Assumption Society.
- Benevolent Irish Society.
- Children of Mary.
- Knights of Columbus.
- Catholic Clergy.
- Choir Boys.
- Pages.

The League of the Cross Band furnished music for the occasion. The weather was fine and warm and the parade, which in certain respects resembled a Corpus Christi procession made an impressive and colorful spectacle.

The little flower girls and boys, the boys choir and Children of Mary arrived about the steps of the Palace made a very pleasing appearance. Appropriate hymns, including patriotic songs and O Canada by the children were sung with great zest and fervour.

The Palace was decorated to suit the auspicious occasion.

In the evening a procession was held from the Palace to the Cathedral, where at 8 o'clock His Excellency was tendered addresses from the Clergy and Laity; His Lordship Bishop O'Leary and Mr. J. J. Johnson, K. C. reading the respective addresses.

D. McGuigan, J. D. Stewart, K. C. His Excellency was received at the University by the Rector, Rev. James Murphy. The dinner was presided over by His Lordship Bishop O'Leary.

His Excellency called on His Honor Lieut. Governor Heartz at 5.30 yesterday evening, who returned the call last night previous to the general reception in the Bishop's Palace.

This morning His Excellency will celebrate Mass in the Cathedral at 7.30 and on Friday morning at the same hour he will celebrate Mass for all the Societies, both men and women, of the parish.

At 10 o'clock a visit will be made to the Hospital, Sacred Heart Home, Orphanage and Mount Saint Mary. At 2.30 His Excellency will visit Notre Dame Academy and thence to Saint Joseph's Convent.

At 10 o'clock on Friday morning His Excellency will leave for Alanmor (Dalvy) where a dinner will be tendered him by the Knight's of Columbus, after which he proceeds to Souris, visiting the different parishes en route.

The Dinner promises to be one of the outstanding events of the entertaining of His Excellency. The Knights have made extensive preparations and to date nearly all reservations have been taken up.

FRIDAY

—BAD ACCIDENT—Mr. Angus Cameron, son of Mr. Samuel J. Cameron, of Summerside, met with a regrettable accident as the result of a collision between automobiles last Wednesday night. The accident occurred near Searletown Hall and was the result of the two approaching cars trying to avoid a couple of cyclists on the road. Mr. Cameron was thrown out through the roof of the car by the impact but oddly enough none of the other occupants of either car sustained anything more serious than a bruise or two. Mr. Cameron was removed to a nearby residence and at last accounts his condition was such that it was considered advisable not to remove him for some time.

The Guardian regrets to chronicle another sad drowning fatality, and coming as it does within two weeks of the last sad tragedy makes the circumstances all the more pathetic.

The victim was Master Nelson Carver, thirteen year old son of Mr. Nelson Carver of Alexandra, who in company with his older brother Delno, boarded a small sail boat in Pownal Bay, near their home. The boys evidently were going for a sail on the Bay. Not being able to untie the anchor rope they decided to cut it, but unfortunately cut the halyard holding the sail in place; the gaff and sail fell, knocking the boys overboard. Nelson was unable to reach the boat and was drowned, while his brother, it is alleged, swam to the boat and managed to pull himself to safety. The survivor was about 15 years of age.

The spot where the tragedy occurred, it is reported, is only from 6 feet to 8 feet in depth. The boy who was drowned could not swim.

He leaves to mourn besides a sorrowing father three brothers and one sister, namely, Elmer, Lloyd, Delno, Hazel. His mother predeceased him three years ago.

The Guardian extends sincere and respectful sympathy to the bereaved.

The body was recovered within two hours after the drowning.

Coroner Houston, who was summoned, decided that an inquest into the drowning was unnecessary.

The funeral will be held on Saturday afternoon from the residence of his father to Birch Hill Cemetery.

Services at the home will commence at 12.30 p. m.

HAYWARD—SEMPLE. An event of interest to many P. E. Islanders took place in the First Presbyterian Church Boston Mass on Saturday Evening June 2nd at 7 o'clock when the Rev. Dr. Watson pastor of the church united in the Holy bands of matrimony Miss Jean Semple daughter of Mr. Watson Semple of New Glasgow P. E. I. and Mr. Russell Hayward son of Mr. and Mrs. C. B. Hayward Everett Mass.

The Bride who was unattended was given in marriage by her uncle Mr. John Warren, Medford. Mass. and looked charming in a lovely gown of pale orchid silk georgette with picture hat to match. The spacious Parlours were filled with only intimate friends and relatives who gathered to witness the union of this popular young couple. Previouse to her marriage the bride was the guest of honor at several showers. On each occasion she received many useful gifts including sterling silver, pyrex, and cut glass, linen, china, and several substantial cheques, etc. These with the many good wishes they received on their wedding day testify to the esteem their friends hold for them.

A quiet but exceptionally pretty wedding was solemnized at St. Simeon and St. Jude's Church, Tignish on Wednesday, June twenty-seventh when Marion Cornelia, third daughter of John A. Hackett was united in marriage to Philip Noonan, son of Mrs. J. E. Noonan, Bedeque. Rev. Father Gregory McLellan performed the ceremony and was the celebrant at the Nuptial Mass, assisted by Rev. Father William McCabe. The altar was banked for the occasion with white lilacs and ferns.

The bride who was given in marriage by her father, wore a model gown of oyster white crepe with rhine stone trimmings. She wore a large mohair and silver hat with silver shoes and stockings. An ermine neck piece completed the ensemble. She carried a shower bouquet of ophelia roses and lilies of the valley.

The bride was attended by her sister Miss Dorothy Hackett who wore orchid georgette and carried an arm bouquet of butterfly roses.

The groom was attended by his brother, Mr. Henry Noonan.

After the ceremony a buffet lunch was served at the home of the bride.

Going away the bride wore a grey and beige ensemble with beige hat and beige shoes and stockings.

The death of Mr. George Cameron occured on Sunday July 1st, 1927 at Wellington under very sad circumstances. Mr. Cameron returned from the Uniter States about ten days previous to his death accompanied by his wife, two children, and his mother-in-law Mrs. David L. Cameron who had spent the winter with them. He had not been feeling well for the previous few weeks, but it was believed the change of climate would quickly restore him to his wonted health. On Sunday he was stricken with spinal meningitis and after a very brief and distressing illness passed away the following Sunday. He was about thirty-five years of age and his passing at such an early age is deeply regretted. He leaves to mourn his untimely death a widow, formerly Leena Cameron, and two small children, his mother and father Mr and Mrs. Peter B. Cameron, Ellis River, Lot 16 and several sisters and brothers to whom we extend sincere sympathy. -N-

A meeting to consider the report of the special committee charged with the investigation of a new site for the Prince Edward Island Hospital was held in St. Peters Parish Hall last night. Mr. W. K. Rogers, Chairman, of the Board of Trustees presided.

Mr. W. F. Tidmarsh read the report, which was as follows:

REPORT

Charlottetown, P.E.I.
July 5, 1928.

Your committee appointed to select a suitable site for a hospital within the city limits, begs leave to report as follows.

Your committee viewed the sites on Longworth Avenue. While these properties are very desirable, we consider the cost beyond the financial ability of the Hospital Board.

The only site that your committee feels like suggesting is situated on Kent Street. It comprises the residence and land, owned by J. D Stewart, Esq., of the following dimensions, namely, 180 x 160 feet; a small strip of land adjoining, owned by the estate of the late Mr. Samuel Lowe; and the lot a-joining it, owned by Mr. Henry Lowe. The combined frontage of these lots on Kent Street is 360 feet, the depth 160 feet.

The total cost of these properties is $17,500.00.

If additional property is required the Meikle Lot 126 x 160 feet, adjoining the Lowe Lots and extending through to Fitzroy Street, could be purchased at a reasonable price.

The house on the Stewart Property contains twenty-two rooms, and might be converted into a Nurses Home.

These lots have a southern frontage and the situation may be considered quite desirable. If accessibility is the object in removing the hospital from the present site, the property referred to meets the requirements.

In considering the cost of purchasing property in the city, it should be born in mind that the present hospital site should be worth, say $12,000.00, which might be applied to the purchase of the Town Site.

Respectfully submitted,
W. F. TIDMARSH,
For self and others.

Mr. Tidmarsh moved the adoption of the report.

Mr. Justice Haszard enquired if the motion meant that acceptance of the report meant that the trustees were bound to buy the lot so described.

Mr. Tidmarsh said that this was not the intention. But it would be desirable to have the trustees committed to buying that, or some other site further into town than the present one.

Mr. Murdock MacLeod considered the adoption of such a report would place matters no farther ahead.

Dr. Johnson asked if the committee had considered the noise from the pork factory and the shunting of trains which would be worse there than at the old site.

Mr. Justice Haszard then moved in amendment that it is the opinion of this meeting that the new Hospital be built on the present site. The motion was seconded by Mr. Murdock MacLeod.

Mr. S. A. MacLeod thought that perhaps the committee needed more time. He would be quite willing to give them a month, if it would help in arriving at a decision. The board of trustees did not want in any way to force matters.

Mr. Tidmarsh said the time had been quite short, still, they had canvassed various sites pretty thoroughly, and the site described had been the only one available.

There was some further discussion which was taken part in by Mr. Justice Haszard and Mr. W. F. Tidmarsh.

As the motion to adopt the report was not seconded, Mr. Justice Haszard's motion to build the new Hospital on the present Hospital property was brought to the consideration of the meeting.

Mr. Mathieson said that in a matter of this kind it was desirable to have unanimity. The speaker said there seemed to be no better site than the one mentioned in the report of the special committee at present available. It is not so very much nearer than the old site, and is not very much farther from the railway.

Mr. Rogers said that the previous evening he had had a talk with an elderly gentleman, a very prominent citizen who had spent three or four months in the hospital. This gentleman was very emphatic in his opinion that the hospital should remain where it was. There was room to put the new building farther away from the railway track.

Dr. Yeo said that, as a member of the special committee, and after having investigated all possible sites, he had come to the conclusion that the present one was the best. He had formerly thought the Hospital should be moved nearer the centre of the city, but had now come to the conclusion that the new building should be erected on the present property.

On being put to the meeting, the resolution that the new Hospital be built on the present property was carried with only one dissenting vote.

After a vote of thanks had been tendered to the Rector, the Church Wardens and congregation of St. Paul's Church for their kindness in allowing the use of the Parish Hall at the meetings, the assembly adjourned.
