Organization Of S'side Kinsmen Club Completed

Organization of a Kinsmen Club was completed in Summerside last night at a supper meeting held in the Olympia. Mr. W. A. Currie, Summerside and Mr. George Sinclair, Charlottetown, deputy district governor spoke.

Mr. Currie was instrumental in the formation of the Kinsmen Club of Moncton which was the first to be formed in the Maritimes. He outlined his experiences with the Moncton club and encouraged the members of the Summerside club to persevere in their efforts, stressing that there was plenty of opportunity in Summerside for another service club without fear of overlapping.

Mr. Sinclair explained the ideals and the objects of the Kinsmen organization and from his experience gave words of advice to the Summerside club. He answered many questions put to him by the members about the duties of the different officers and committees and pointed out what should be he immediate objects of a new club.

The election of officers resulted in the following being appointed.

President Harold E. Gaudet; vice president Maurice Mill; secretary J. Elmer Murphy; treasurer E. Earle McDonald; Directors: Messrs Arthur Clow, Elmer Offer and Harry MacFarlane.

It was decided that the reghlar meetings of the club should be held on every second Tuesday evening.

On motion of Harold Gaudet and seconded by Maurice Mill it was unanimously decided to elect Mr. W.A. Currie an honorary member of the club.

The meeting concluded with a sing-song with Harold Gaudet at the piano. —S.

He has two brothers, Elmer Jay and Everett Jay, serving with the Royal Canadian Navy.

S'side Town Council Meeting

At the regular monthly meeting of the Summerside Town Council on Monday night the wages of Ernest Arsenault, electric light department employee were fixed at $21. a week. Edward Jerrier was appointed a linesman at $20. a week, to be raised to $22. after a certain amount of service.

The motion was made by Councillor D.F. McNeil and seconded by Councillor R.L. Mollison.

It was decided on motion of councillor McNeil and seconded by Councillor J.L. Gorrill that the council chamber be cleaned and painted and lineoleum be laid on the floor. Councillor McNeil said it would be then in keeping with the other parts of the building which had been renovated last fall.

Councillor Mollison said he agreed that the chamber should be cleaned and painted but did not see any necessity of laying linoleum.

Councillor McNeil said that soldiers were returning home now and then and he understood that the Canadian legion welcomed them on arrival. They are given cigarettes and a lunch and in his opinion, he said, the town should bear part of this expense. "We have never done anything for these boys coming or going", he continued, "and I think some of the council should be on hand to welcome them. After all they have fought for us and we, who stayed at home, should show some appreciation of what they have done". He therefore moved that the sum of $50. be voted to the Canadian Legion for this purpose.

Councillor Mollison said he was willing to second the motion but he would like to have it changed to $10. a month.

After some discussion the motion was ammended to read $10. a month for the balance of this year and passed.

On motion of councillor Henry Wedge and seconded by councillor Gorrill the property committee was authorized to make any necessary repairs to the exterior of the building.

On motion of councillor Mollison and seconded by councillor Wedge Mr. Joseph B. Wood was appointed chief assessor for the town for the year 1945 at a salary of $200 and Mr. Everett Phillips was appointed assistant assessor at a salary of $160. a year. —S.

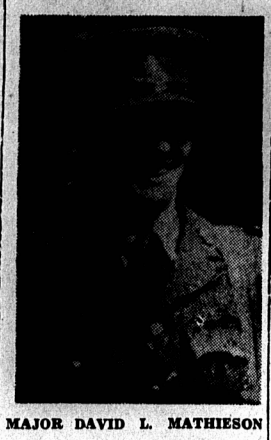
Appointed K. C.



MAJOR DAVID L. MATHIESON

who has been appointed a K. C., by the Executive Council. Major Mathieson returned in December from active service overseas. He is now stationed at Ottawa, attached to the Adjutant General's Branch. Maj. Mathieson is a son of former Chief Justice J. A. Mathieson and Mrs. Mathieson of Charlottetown.

K. Of C. Monthly Meeting Held

The monthly meeting of the Knights of Columbus was held last evening with a large attendance of members. Meeting opened and closed with prayer by the Chaplain the Most Rev. James Boyle, D.D.

Reports of committees were received and showed all the council activities as going along smoothly. Messrs D.E. Noonan, Roderick MacDonald, William Hughes, Cecil Costello reported for the sick committee.

Dr. J.A. MacMillan announced having received a letter from the Souris Council that they had their last regular meeting with everything going along smoothly and indorsed the brief presented on Boys Camp movement.

The executive was empowered to appoint a committee of six to make up a directorate for further plans. Under the heading "Good of the Order" Mr. Wilfred Smith was presented with a silver spoon recognizing the arrival of the new member in his home. Dr. Herb Johnston gave the large gathering a masterful talk on the social duties of Catholics.

Mr. Wilfred Smith moved and Mr. Connie LeClair seconded an unanimous vote of thanks which was tendered the speaker.

It was also announced that the members of the Council will attend Holy Communion in a body at the Basilica on Sunday morning at the eight o'clock Mass and will afterwards assemble at the Charlottetown Hotel for breakfast.

Rev. Father Dowcet who is preaching the Lenten Sermons at the Basilica will address the members. In the evening the Council is sponsoring a sacred Concert in the Holy Redeemer Hall in aid of the Social Service.

The Grand Knight Mr. R. A. MacDonald presided.

Ministerial Ass'n Monthly Meeting

The regular monthly meeting of the East Prince Ministerial Association was held in Trinity Church parlor on March 12.

Dr. A.S. Murray presented a most interesting paper on tomorrow's church. In his presentation of the subject the speaker brought forth several points on which it will be necessary that the church re-think its position in order to meet the problems of the immediate and more distant future.

A lively discussion of the points presented by the speaker followed, all present taking part.

Devotional exercises were conducted by Rev. E.J.O. Fraser and several items of a business nature discussed under the guidance of the president Rev. O. Carnegy. The secretary was instructed to request the P.E.I. Ministerial Association to reconsider the proposal of the East Prince Association for amalgamation of all Ministerial Associations in the Province.

In accord with a request from the Y's Men's Club a committee was appointed to confer with a committee from the body on the practability of co-operation in the Boy Scout movement.—S.

Trinity Men's Association Hold Monthly Meeting

On Monday evening, March 12, Trinity Men's Association held their regular monthly meeting in the Social Hall with ninety-five men present.

President Crockett welcomed visiting delegations from Zion and the Baptist churches and wished them success in organizing Men's Associations in their respective churches.

Guests included: Rev. J.M. Murchison, Saint John, N.B.; R. J. Rupert, J. P. Campbell, Geo. W. MacLeod, Ernest Cudmore, Willis Nicholson, Reg McNutt and Roy Leard, Souris.

The speaker of the evening was Dr. J. C. Houston who chose as his subject: "A New Approach to the Alcohol Problem." He reviewed the work of the Research Council of the studies of alcohol which is affiliated with the American Association for the advancement of science and headed by Dr. Carl B. McKinley, former Dean of the George Washington Medical School.

The Council was organized in 1937 with the purpose of conducting an unbiased study of the relation of alcohol to the health of the individual and of disseminating the results of its study in a socially useful manner. Ninety percent of the personnel of this organization are members of the medical profession.

The first study of the Research Council was a survey of all the literature about alcohol and its effect on the individual. The Carnegie Foundation granted $25,000 for this one study and it took two years to complete. Another work undertaken by the Council and not yet completed is a study of the relation of alcohol to automobile drivers. Experiments have proven that a man is intoxicated when his blood contains three-twentieths of one percent of alcohol. The most important project of this organization is a study of alcoholism, the Disease. The speaker referred to the fact that there is no institution in Canada existing for the purpose of treating chronic alcohol addicts who are without means.

Other activities of the Research Council include: the sponsoring of a Summer School, publishing information covering the results of their studies, organizing a National Committee on Education for Alcoholism, interesting the business men of New York in investigating the alcohol problem as it affects the economic side of business.

In closing, Dr. Houston expressed the hope that the work of Dr. MacKinley and his Council in the field of alcoholism would eventually compare with the work of Dr. Trudeau in the field of tuberculosis. At the conclusion of the address a hearty vote of thanks, moved by C. H. Black and seconded by L. W. Shaw was tendered the speaker.

The meeting adjourned with the singing of the National Anthem.

WINDOW SHADES

Your window shades can perform a multitude of jobs for you, so purchase them wisely, give them proper care and they should be able to ensure privacy, darken your rooms for sleeping, prevent rug-fading and insulate against heat loss in winter and heat intake in summer. Be sure there is as little filler as possible in the shade you select. The window shade should be closely woven and made of quality fabric that will hang straight, resisting cracking and warping. Water colour shades are loosely woven, cannot be washed with soap and water and are not as resistant to cracking and streaking.

More Than Stock-in-Trade

Naturally, we're pleased when customers tell us that they like Holman's because they find it a courteous store; we're proud of that reputation in Prince Edward Island. But we frequently want to get beneath the surface of those chance remarks — we're more interested in the store wide feeling hat has given us that reputation.

We who make up Holman's—from mailboy to buyers—think of the courtesy as more than mere stock in trade. When we offer to try and get a hard-to-find item—when we are able to offer an unexpected service—we are genuinely pleased. We try to make our courtesy more than surface good manners, because our goal is really to serve you better.
