

GREAT MIDSUMMER CLEARANCE SALE BIG FEAST OF BARGAINS FOR AUGUST

Rather than store away odds and ends, the accumulations of the busy season, we have determined to cut the price at once and give the public the benefit, while the goods are fresh and seasonable.

We have gone through our entire stock, and collected all odd lots and broken sizes in the different departments, and marked them at prices that are sure to move them out with a rush and leave our shelves clear to receive our Fall Stock the first instalments of which are already beginning to arrive. There will be no money in this sale for us, but we find it better to convert the goods into cash—even at a loss, than to carry them over to another season; then we'll have the room, and that is what we are after just now, besides keeping our stock clean and fresh, and giving our customers seasonable snaps, which they are sure to appreciate. Following is a list which is sure to make our store a busy bargain centre while the goods last:
