

A Great Success

People appreciate our efforts to save them money. It is like finding money—buying pianos, organs, sewing machines, etc., without the heavy commissions added.

From all parts of the country we hear nothing but words of praise about our new venture. From \$5 to \$10 saved on Pianos. From \$25 to \$35 saved on Organs. From \$10 to \$20 saved on Sewing Machines.

Why not save it? Remember we give you only the best goods—nothing cheap or trashy. We have a reputation for this—we intend to hold it.

We shall be pleased to see you at any time.

J. MACKINTOSH & CO

Halifax, N.S.—St. John, N.B.

We own and offer for sale \$5,000,000 of Stanfield's Limited 6 per cent bonds due January 1st, 1931

The strength of these securities is appreciated when it is realized that the average net earnings for a succession of years of the Textile Knitting Mills Company (the total undertaking of which was assumed by Stanfield's Limited) show an annual surplus over the bond interest and preferred dividend requirements of the new Company without regard to the returns from the manufacture of worsted yarns, the net earnings from which are comparatively estimated at \$1,000,000 a year.

Price par and interest, yielding 6 per cent.

—A. A. Lafarge, M. P. arrived last night from Ottawa. Mr. Lafarge says that the Tunnel project is rapidly gaining in popularity both in and out of Parliament. He has not the slightest hesitation in stating that if Sir Wilfrid asked for a resolution of the House endorsing it, it would be carried by practically unanimous vote.

—A number of Summerside people are interesting themselves in a project to build a floating bath in the harbor. The success that has attended the bathing facilities provided at Crescent Beach at the east end of the town is a pretty good assurance that a bath more conveniently situated would prove a still greater success. During the past two summers the bathing houses at Crescent Beach, with accommodations for about fifty people, were in constant use and were not large enough to meet the demands. It is hoped the new project will meet with the success it deserves.

—The regular monthly meeting of the West Cape Temperance Society was held in the Springfield Hall, on Monday evening, May 13th, 1927. The president, Rev. A. D. D. McLean; duet; Lettie McDonald; duet; J. and Mrs. McDougall; reading; Olive McDougall; recitation; Clara Wilkinson; reading; Winifred Brooks; duet; Lilla Harris and Olive Harris; the pledge; Rev. A. D. McLeod; organ; L. Annie Dymont. The meeting was well attended, the hall being filled to the door. The president gave a lucid and convincing address on the benefit of the pledge and went on to show the success of Prohibition singing is quite a feature of these free meetings and the exercises were well interspersed with singing of Gospel Hymns. It was an evening well spent.

—Two gentlemen in orders can be comfortably accommodated. Apply at the Guardian Office, Summerside. 5-1613f.

—Caps Travers reports that the ice in the straits off that point has all disappeared. Many sailing craft passed through on Wednesday and Thursday together with large steamers. Great preparations are being made for lobster fishing and herring netting are now being set.

—Yesterday the Minto arrived in port at 10:30 a.m. She brought mail, passengers, and the following freight: Two cases sugar, three cases flour, half case way freight and coal. The steamer reports a good deal of ice yet in the Straits and was obliged to come around the east end of Pictou Island.

—An affair that it is feared will have a serious ending, occurred a few nights ago at Wellington. It appears that a young man named Albert Perry, while under the influence of liquor, cleaned a house and created a disturbance. The owner of the house struck him on the head with a stick and followed up the punishment with kicks and blows. The victim was terribly injured and at last accounts it was feared he would not recover. Dr. Delaney is in attendance.

—The holiday question which has for many years been an unsettled one in Summerside, has at last been solved. Yesterday the merchants, with the exception of the confectioners and druggists signed a compact agreeing to close their places of business not only on the 24th of May but also on Thanksgiving Day. This is as it should be. Both employers and employees are entitled to the few holidays allotted to the weary of other places. Country patrons will kindly remember that on the 24th of May the Summerside stores will be closed.

ANOTHER GREAT DISCOVERY.

A well known gentleman in Black Bay, Ont., Mr. John Cowan, has discovered an absolute specific for Rheumatism, and writes: "I was afflicted with Sciatica and chronic Rheumatism which I contracted years ago. The disease had a great hold in my blood, and it was hard to make any impression on it. Reading of Ferruzone I was convinced of its merit and it is certainly the best I have ever tried." Why it just drove away the Rheumatism. Even stiffened joints sufferers will experience quick results. The reason is that Ferruzone acts through the blood and thereby destroys the cause of the disease. Price 50¢ per box at all dealers.

\$50,000,000 FOR ADVERTISING

"James B. Duke, the tobacco king of Long Branch, New Jersey, recently claimed in an interview that he had spent more money in advertising than any other living man. He said that the figures would reach fifty million dollars.—Newspaperman."

Yet James B. Duke is today one of the wealthiest men in the world. When you see a liberal advertiser you see a rich man. The business man who in this age of advertising is afraid to invest any money in publicity will never accumulate a fortune.—Record.

HAD THIRTY-TWO BOILS AT ONE TIME

Two Bottles of Burdock Blood Bitters Cured Him.

Imperfect organic action makes bad blood, so, too, bad blood, in turn, makes imperfect action of every bodily organ. If the blood becomes impure, poisoned or contaminated in any way from constipation, biliousness or any other cause, some especially weak organ becomes diseased thereby, or the whole system may suffer in consequence.

Pimples, boils, blotches, ulcers, festering sores, abscesses, tumors, rashes or some serious and perhaps incurable blood disease may result. There is no medicine on the market today to equal the old and well-known remedy,

BURDOCK BLOOD BITTERS

for all cases of bad blood.

Mr. Ernest B. Tupper, Round Hill, N.S., says: "I think Burdock Blood Bitters a great medicine for boils. I had them so bad I could not work. I had thirty-two on my back at one time. I used only two bottles of B.B.B. and they completely cured me. I cannot recommend it too highly." Price \$1.00 per bottle or 6 bottles for \$5.00.
