PROBING THEFT AT RAILWAY —It is learned that an investigation is going on in the city at present regarding the theft of cigarettes from freight cars in the local railway yards. The value of the stolen goods is reported to be in excess of $2500. The thefts were conducted on a small scale over a period of time, it is understood. As far as could be learned last night nobody was charged yet in connection with the case.

BRIDE TO BE SHOWERED. — An interesting event took place on Wednesday evening, when Miss Claire MacMillan, an October bride-to-be, was the recipient of numerous lovely gifts at a shower tendered her at the home of Mrs. Ewen Campbell, Fitzroy Street. The gifts were rolled in, in a barrel while those present joined in the singing of "Roll Out the Barrel." The accompanying verses were read by Miss Norma Currie. During the social hour which followed refreshments were served. The evening was brought to a close by singing "For She's a Jolly Good Fellow."

2500 FIREARMS REGISTERED. —More than 2500 firearms, of all types, sizes and ages were registered at the Royal Canadian Mounted Police barracks in Charlottetown during the past few weeks. The "Mounties" were assigned the task of registering them under regulations compiled by the Federal Government. Most of the firearms registered were shotguns and rifles. Revolvers and pistols were supposed to have been registered at least two years ago, but unaware of this a number of people produced these weapons to be registered. One of the firearms presented was an ancient piece, known as a muzzle-loader which when stood butt end on the floor was six feet high. The shot is forced into the barrel by a ramrod and packed solidly, then by means of a cap on the loaded end, the shot is discharged. The weapon weighed 25 pounds.

Y'S MEN HOLD OPENING MEETING.—The Charlottetown Y's Men's Club held the first meeting of the 1940-41 season last night in the Reading Room of the Y.M.C.A. With but few exceptions, all the old gang showed up last night and had an enjoyable dinner followed by a profitable business meeting. President E. V. Bell occupied the chair and the meeting was opened with the singing of "O Canada," following which Y's Man Burleigh Taylor said grace. Rev. H. L. Denton, who usually said grace, was one of the Y's Men who has left the province and will not be in attendance at this year's meetings. Before the business part of the program, a most delightful sing-song was held. Y's Man Taylor was the leader. Y's Man Jack McNair, who generally leads the sing-songs, was suffering from a cold and although present, did not fill his usual role. The meeting was honored last night to have listed among its members the International Regional Director for the Maritimes, Mr. Claude Smith. He was recently appointed to this office at an International Conference held at New York. Y's Man Smith is a prominent member of the Charlottetown Y's Men's Club. Following the business session, the members repaired to the Bowling Alleys where a friendly game of bowling was played.

BRIDE-TO-BE HONORED —On Thursday evening of last week, Mr. and Mrs. Lincoln Wood, Central Royalty opened their attractive new home to a large number of friends and neighbors, in honor of Miss Marion MacLeod, whose marriage takes place later this month. To the strains of the wedding march played by Mrs. Alex Agnew the bride-to-be was ushered to an artistically decorated chair by Mrs. William Ward, and presented with a lovely bouquet by little Miss Wilma Wood. Mrs. Brent Howatt then read an address of heartiest felicitations, and Miss Ruth Wood brought in a beautiful silver service, which she presented on behalf of the community. After Miss MacLeod had thanked everyone, Col. F. I. Andrew, master of ceremonies, called upon Mr. W. H. Smith and Mr. M. W. Wood, both of whom expressed their pleasure at being present at the happy occasion and extended their best wishes to the bride-to-be. A vocal solo and reading by Mrs. Arthur Roper; piano solos by Mrs. Alex Agnew and Mrs. M. W. Wood; and a clever skit by Messrs. Eugene Cullen, Harry MacAusland and William Ward were all very much enjoyed. After an hour spent in song and social intercourse a delicious lunch was served. The evening was brought to a close by singing "Auld Lang Syne."

Mr. W. E. Enman arrived from Halifax last evening and will be in the city for a short time. He is a guest at the Peardon House.
