MCGILL UNIVERSITY NOTES.

Mr. L. N. Pickard, Medicine '02, of this city has been appointed a member of the Business Board of the McGill Outlook. Mr. Pickard enjoys a wide popularity among the students of his year, as well as those of the Medical Faculty in general.

Miss Elizabeth Irving of Vernon River, who is pursuing the Donalda course, leading up to the degree of B. A. was elected President of the class of 1902 at its annual business meeting. Miss Irving has attained great success in the prosecution of her studies, and enjoys a merited popularity among her class mates.

The arts faculty heartily welcomes Prof. Jas. E. Le Rossignol on Economics and Political Science, and M. Segal, of Paris, the New French professors. These men come with the highest recommendations and will doubtless attain great success in our college life.

McGill seems to have taken on new life and vigor in the football world this season, and has placed strong teams in the Intercollegiate, Intermediate, and Junior Leagues.

The Session team under the Captaincy of Kenny, of Ottawa, has thus far one victory and one defeat on its "slate." It scored its first victory over "Varsity of Toronto, on the 20th inst., by a score of 13-4. It was a memorable game, and victory was snatched by the crimson and white from almost certain defeat in the last ten minutes of play. The team, however, seemed to be "off" at Kingston and went down before the Queen's men by a score of 16-2.

The Intermediate and Junior Teams have gone through their league series most successfully, and have respectively

secured the Intermediate and Junior Championships of the province. McGill Football Club owes much to her new Manager, Mr. Mason, who understands the game both from the point of view of business, as well as of sport, and also to Capt. Kenny, who has led to victory one of the strongest teams Canada has ever known, and whose ability and experience have already wrought marvels for Football in McGill.

"Winter Finds Out What Summer Lays By."

Be it spring, summer, autumn or winter, someone in the family is "under the weather" from trouble originating in impure blood or low condition of the system.

All these, of whatever name, can be cured by the great blood purifier, Hood's Sarsaparilla. It never disappoints.

Bolls—"I was troubled with boils for months. Was advised to take Hood's Sarsaparilla, and after using a few bottles have not since been bothered." E. H. GLADWIN, Truro, N. S.
