Canadiens Chalk Up Second Straight Win Over Leafs; Getliffe Gets Winning Goal

By FRASER MacDOUGALL
Canadian Press Staff Writer

TORONTO, March 26—(CP)—Montreal Canadiens today held a one game margin over Toronto Maple Leafs in their best-of-seven Stanley Cup semi-final play-off scoring a 2-1 victory last night over Leafs in the third game of the series.

It was the second straight series victory for the Canadiens, National Hockey League champions, who had beaten Leafs 5-1 Thursday in Montreal after receiving a 3-1 setback in the opener last Tuesday.

Forward Ray Getliffe climaxed Tuesday evening's performance by scoring the winning goal for the Canadiens last night midway through the third period of a typical play-off game which was bitterly contested from beginning to end. In fact tense, thrilling play kept the crowd of 14,505 persons in a continual uproar.

Referee Bill Chadwick ruled with an iron hand, imposing 16 penalties, nine in the first period, five in the second and two in the third. The Canadiens drew nine and Leafs seven. All minors, they covered almost the whole range of hockey sins from hooking, roughing and tripping to holding the puck and having an extra player on the ice. In the first period both teams drew blanks at playing two men short. However, none of the three goals was scored during the penalties.

The Canadiens went into the lead on a fluke goal in the first period which they had the major share of the play. The score came on a rebounding shot from the stick of defenceman Glen Harmon from outside the Toronto defence. It struck rookie Ted Kennedy's leg and glanced into the nets past goalie Bibeault.

Leafs fought back for the tying goal which came midway through the second period off George Boothman's stick after Bill Durnan had blocked two successive drives from him and Kennedy on a passing play engineered by defenceman Getliffe (Babe) Pratt.

By the time Getliffe scored, with assists from Phil Watson and Murph Chamberlain, both teams were obviously tired from the gruelling pace but they continued to play inspired hockey. In the last minute Leafs took Bibeault out of the nets and used six forwards in a vain effort to penetrate the formidable Montreal defensive barrier.

Bibeault's play was sensational particularly in the first period when Canadiens rifled 18 shots at him while Bill Durnan was called on to handle only five from the Leafs. From then on the play was more even, Canadiens getting 16 shots in the second and third periods to 12 by Leafs.

Coach Dick Irvin and his Canadiens were highly pleased with the win although Irvin said he was surprised at the way Leafs "bounced back after their Thursday night drubbing." Coach Clarence (Hap) Day and his Leafs were gloomy and Day said he believed Harmon's goal was the break which decided the game. Irvin called that goal "the only break we've had in this series."

The Earl of Athlone, Governor-General of Canada, and Princess Alice attended the game.

Before the second period opened Mervyn (Red) Dutton, managing director of he N.H.L. presented the Calder Trophy to Gus Bodnar of Toronto as outstanding rookie of the year. Canadiens, whose Bill Durnan ran a close second to Bodnar in voting for the award, led the applause by capping their sticks enthusiastically on the ice.

All Stars-S'side Airmen Meet Here Again Tuesday

Seeking their second victory on Forum ice the fast skating R.C.A.F. team from Summerside tangle with an All Star city league hockey team, plus a forward line from the Kelly's air force team in an exhibition game at the Forum on Tuesday night.

Victors over the Army in their only other appearance here Summerside Airmen will meet much stiffer competition on Tuesday than was the case before — and at that Army gave them quite a battle. The All Stars will likely be composed of a line from the station at Charlottetown, a line from the Army and another group of forwards from the remaining teams in the league. Probable defence positions were not announced but it is official said that every team in the city league would be represented on the squad.

The last two exhibition games drew much favorable comment from fans who witnessed them and although the scoring ran into double figures nevertheless the brand of hockey was very good It is hardly expected that Tuesday night's game will see a repetition of the same high scoring but rather should be a close-checking, close scoring encounter all the way through.

Black Hawks Shutout Wings To Take Lead In Series

CHICAGO, March 26—(CP)—The Chicago Black Hawks took a 2-1 lead in their series "B" Stanley up hockey playoffs with the Detroit Red Wings by shutting out the present champions 2-0 tonight at Chicago Stadium before a crowd of 17,138.

It was a hard-fought battle all the way with 12 penalties called, nine in the furious first period which saw the Hawks go out in front 1-0 on Joe Cooper's shot from the blue line. Cooper had taken the puck when goalie Connie Dion of Detroit kicked it out a second earlier.

The marker came at 11.06 while both teams were shorthanded. Bill Jennings of the Wings and Johnny Gottselig of Chicago had gone to the penalty box a short time before, the former for high-sticking and Gottselig for elbowing during a short-lived private brawl.

Following a scoreless second stanza, Clint Smith gave the Hawks their second marker at 11:30 of the final period, taking the rebounding puck from the boards and slashing a terrific drive past Dion just inside the blue line.

Midway in the second chapter the Hawks batled for more than a minute with only four men on the ice as a result of penalties to Mush March and Cooper.

Doug Bentley of Chicago and Joe Carveth of Detroit provided the evening's principal row when they squared off mid-way in the first period, whereupon players from both teams jumped into the fray. Bentley and Carveth drew high sticking penalties for the tussle.

Chicago won the first game in Detroit, and the Wings took the second. They meet here again Tuesday night, then adjourn for a Thursday session at Detroit Olympia.
