Army And Navy Will Split $70,000 From Last Night's Game In Cleveland

By Judson Bailey
Associated Press Sports Writer

CLEVELAND, July 8—(AP)—Success was stamped on baseball's All-Star Service spectacle today as the major league representatives and Army and Navy players scattered, but there was a question in everyone's mind whether another such game ever would be attempted.

Alva Bradley, President of the Cleveland Indians and host to 62,094 fans last night at the Municipal Stadium, said the Army Emergency Relief Fund and the Navy Relief Society would be able to divide approximately $70,000 from the game.

"It was great," he enthused to Lieut. Gordon (Mickey) Cochrane, pilot of the Service Stars and to others today. "It was a tremendous task to put over, but we did, and we'd gladly try it again next year if we thought we could raise $70,000 for the Army and Navy."

But there was no secret that the "red tape" encountered from officials, the difficulty of selling the show to the fans and the fact that the game itself was no test—the American League All-Stars won 5-0—made it doubtful that the venture would be undertaken on the same pattern next year.

It was apparent that the prominent baseball players who now are soldiers and sailors have been doing more than playing baseball since entering the armed services. Most of them have been glad when they could play once or twice a week.

Use scrap Rubber

NEW YORK, July 8—(AP)—While denying that baseballs used by the two major leagues this season had lost any of their resiliency, the Spalding Company admitted in a statement released here today that it had been necessary to use scrap rubber in the cores since last January instead of the pure crude rubber formerly employed.

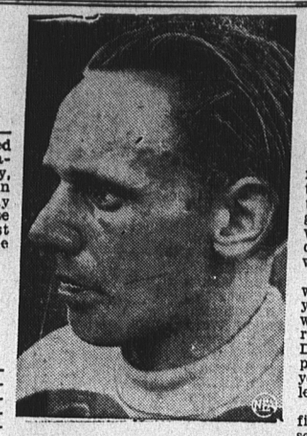
Fewer Building Contracts This Year

Contractors in Charlottetown report a slump in the building business at present. With the exception of one large project, the rebuilding of the Woolworth Building, things are very quiet in the construction line.

Two factors enter into the picture when the reason for this slow down is considered. The first is the difficulty in obtaining building material and the second is the shortage of labor.

For the first six months of the present year the total value of the projects is in the vicinity of $28,000 which paradoxically is about twice as much as the corresponding period in 1941 although there were four permits fewer issued this year. The Woolworth Building, which is costing $18,000 provides the bulk of the construction outlay this year jumping the figure higher than the total of six months last year.

However, dwelling construction alone this year is only slightly more than half as much as for the first half of last year. Permits for new buildings and for repairs to old ones totalled $5,800 to the end of last month in 1942 compared with $9,800 for the same time in 1941.



Forty-eight hours after lowering world mile record to 4:06.2, Gunnar Hagg of Sweden with 8:47.8 cut 8.2 seconds off Miklos Szabo's recognized two-mile mark and 5.4 off figure hung up by Taisto Maki.

Hole-In-One Scored At Belvedere Club Yesterday

For the second time within a fortnight a hole-in-one was made on the Belvedere Golf Club links yesterday. And for the second time the golfer who scored the lucky shot was a doctor. Another odd coincidence was the fact that both shots were made on hole No. 6.

Dr. H.H. Pierce was the golfer who performed the difficult feat yesterday when he sank the ball with one shot during the qualifying round for the Club Championship. Dr. W. L. MacDonald was the first player to realize the ambition this year when he made a hole-in-one less than two weeks ago.

Pilot Officer Lloyd Greer led the field in the first division with a score of 73 and Dr. C.H. Beer the second with 100 in the round yesterday.

The standing in the first division was as follows: PO. Lloyd Greer, 73, Lac. George Millard 75, F.t. Lt. Robins 83, Dick Bagnall 85, J. Likely 86, C. J. MacLean, 86, Lac. Louis Mair 86, Cecil Dowling 88, Sgt. J. F. Hellofs 88, Ralph Jenkins 90, R. T. Holman 90, Ray Moore 93, H.L. Sear 93, Lac. Jim Malone 95, W. A. Gaudet 95, and M.A. Howatt, 96.

The gross scores for the second division were as follows: Dr. C.H. Beer, 100, A.R. McInnis 101, D.B. Bishop 106, P.O. Art Parry 107, Dr. H.H. Pierce 113, R E. Giggey 125 and Dr. E S. Giddings, 126.

The playdowns for the club championship will now get underway and will continue for several weeks until the finals are reached.

Some of the veteran golfers were surprised yesterday at the form shown by 13-year-old Cecil Dowling who kept pace with the best of them in the first division. The youngster placed well up in the division going around the course in 88 strokes.

DiMag learns Varieties of Bronx cheer

By Sid Feder
Associated Press Sport Writer

NEW YORK, July 8—(AP)—In the Bronx, they are specialists at the Bronx cheer, and Joseph Paul DiMaggio is learning all the varieties this season, because the citizens are letting him have the entire list every time he pokes his head out of a dugout.

This Bronx cheer, as you probably have heard, consists of placing the tongue between the lips and giving off with a sound that definitely is not a pat on the back.

Now Joe is the first to admit that DiMaggio is having his worst season at bat since he arrived on the big league scene, but he figures there's nothing wrong with him that a base knock or two wouldn't cure. And what's more, he wouldn't be at all surprised if the three singles he whacked in the two All-Star games just concluded didn't indicate that he may be coming out of it.

If that's the case, and he starts to rattle the American League's fences again as he's done for half a dozen years, the Yankees' lean slugger expects the fans will stop making those noises at him, because they make his ears ring and other things.

Cards sell Warneke to Chicago Cubs

ST. LOUIS, July 8—(AP)—In the midst of a desperate drive to overtake Brooklyn Dodgers, St. Louis Cardinals today sold lean Lon Warneke to the Chicago Cubs for the waiver price of $7,500 in a deal that puzzled baseball fans.

The 33-year-old veteran pitcher, last member of the famed mud-cats' band of Cardinal cutups, has not been fully effective this season. Late rounding into form, he has won six games and lost four, scarcely the record of a has-been.

Last year, Warneke won 17 games, including a no-hit triumph over Cincinnati, and lost only nine. His all-time major league total is 183 victories and 108 defeats.

He was probably the highest salaried man on the St. Louis roster with a contract calling for about $15,000, and one critic was unkind enough to say the money might have influenced the decision to let him go.

However, officials of the team were positive in saying the deal was based solely on other considerations. They said Warneke was slipping and his home run ball was coming up with too frequent regularity.

Three Local Golfers To Play In Tourney

Three Charlottetown golfers leave Saturday morning for St. Andrews, N.B., to play in the N.B.-P.E.I. tournament for the two-province championship. They are: Bob Holman, Pete Kelly and William Beer. These players will represent the Belvedere Golf Club in the matches which will be played on July 13, 14, 15.

Jimmy Power In Bad Spill At Truro Races

Jimmy Power, popular Charlottetown horseman was badly bruised in an accident at Truro yesterday afternoon, it was learned. He was sideswiped by another horse while scoring Bebe McElwyn in the second heat of the 2.16 trot and pace. Another horse following him went over him, together with the sulky and driver.

Jimmy, however, was able to drive the McElwyn horse for the heat and to drive his own Paul Abbe in the 2.26 trot and pace. Another driver took the McElwyn horse for the third heat.

The accident left the Charlottetown driver badly bruised. He drove his own car part of the way to Charlottetown after the races but came the last part of the trip with Dr. F. C. Dougan.

It was Jimmy Power's second accident this week. Tuesday he was injured when he was thrown from a sulky when a horse he was training stumbled.

A number of spills occurred at yesterday's Truro meet, it was learned.

War Memorial Bill Debated

OTTAWA, July 8—(CP)—Conservative House leader Hanson said in the House of Commons today that 25 per cent of taxes paid for war purposes was being diverted to other purposes.

Protesting measures adopted by the government to provide compensation up to $2400 for fishermen suffering equipment losses due to the war, Mr. Hanson said the provision should have been made by statute and not by order-in-council.

"The whole principle on dealing with public money on this basis is wrong," Mr. Hanson said in debate on the war risk insurance bill.

"It should be done under a statute and it should not be left to the discretion of the minister no matter how fair-minded he may be.... I wonder what the people of this country who now are being called upon to pay more and more and more in the way of direct taxation, will think when they find out that 25 per cent of all the taxes they pay for the purposes of the war effort is being diverted to other objects.

"This is the indictment against the budget: 25 per cent of the money which the people are to contribute is being frittered away on useless agencies which are costing huge sums of money and are in no way connected directly with the war."

STILL LESS FLOUR

LONDON — (CP) — The flour supply to bakers in France is reported to have been cut by 40 per cent although the quantity from which it was reduced already was insufficient.

ENCOURAGE MINERS

LONDON — (CP) — The Miners' Welfare Association has inaugurated scholarships for young miners to help maintain their interest in their vital work.

3,162 AIR PRISONERS

LONDON — (CP) — British airmen who have become prisoners of war number 3,162, says a written Parliamentary reply.

DESTROYER FOR NORWAY

LONDON — (CP) — One of the world's largest destroyers, just completed in a British shipyard, has been handed over to the Norwegian Navy, Norwegian authorities announced.

South wins Intl. League All-star game

BUFFALO, N.Y., July 8—(CP)—Running true to advance predictions, the South defeated the North 6-1 in the first International League All-Star benefit game before a crowd of 6,352 here tonight.

The throng, slightly below expectations, contributed a total of $6,453 to the bat and ball funds for the armed forces of the United States and Canada, divided on a ratio of 75 and 25 per cent, respectively.

Hank Edwards of Baltimore and Newark's George Stirnweiss exploded the main power as Bill Meyer's victors collected 11 hits off four hurlers. Al Vincent's Northern crew was restricted to six blows by three curves in a game which saw 37 players in action, 19 of them on the losing side.

Edwards poled one of two homers rammed by the Southerners and, by adding a double, drove in three runs while Stirnweiss combined a triple with two singles for tops in quantity. The other circuit swat was supplied by Ed Majeski.

Bobby Coombs, hurling the first three-inning tour, became the winning pitcher when he was provided with a lead of four runs. Nick Strincevich, the Northern starter, suffered the defeat after being touched for four markers over these same frames.

Sal Maglie, working the last trick for the winners, yielded only one hit, smacked by rival pitcher Mat Surkont in the ninth inning.

No one on the North side connected for more than a single except Surkont.

South	301 020 000—6	11 0
North	000 100 000—1	6 1

Coombs, Barrett (4), Maglie (7) and A. Robinson, Becker (7); Strincevich, Kraus (4), Brandt (7), Surkont (8) and Dapper, W. Robinson (8).

Will Set Ceiling On Women's Fur-Trimmed Clothes

OTTAWA, July 2—(CP)—Price ceiling for women's, misses' and children's fur-trimmed cloth coats and fur-trimmed suits will be determined by the "appropriate" administrator of the Wartime Prices and Trade Board, it was announced today.

F.B. Walls, co-ordinator of the textile division, has instructed that no manufacturer "shall sell nor offer for sale such goods until his maximum price has been fixed by an administrator," the Board announced.

(Furs are exempt from the general price ceiling.)

The new order incorporates several provisions of board orders issued early this year, but removes the clause which leaves to discretion of manufacturers maximum prices for the fall and winter season of 1942-43.

Under the new ruling manufacturers are required to submit cost sheets and state prices quoted to retailers during the corresponding season of 1941. The administrator will then fix the maximum price, not to exceed that in the basic period (Sept. 15-Oct. 11) by more than the five per cent increase already authorized and the "actual" increase in cost of fur, including the manufacturer's normal percentage.

For every sale of such garments, manufacturers are to deliver to the purchaser an invoice disclosing to jobbers or retailers the price or decrease in price, if any, allowed by the administrator.

Y And Army Meet Tonight

The Army and Y. M. C. A. softball teams send the City League into the second section when they meet in a scheduled game at Victoria Park tonight.

The Y wound up in first place in the first section by winning every match they played. However, the Army were beginning to challenge them in the latter part and the new Navy team gives promise of providing stiff opposition in the second half.

The Army boys captured second place in the first section and the Navy was third. However, the latter team was disrupted when some of their players left for service elsewhere in Canada just as they began hitting their stride.

The Y will go out tonight to retain their winning streak but the boys in khaki are out to paint a different picture in this half. All in all it promises to be a closely contested game, Ray Stull, the spark-plug of the Y, will again be on the mound this evening.
