**COLES-SMITH WEDDING**—One of the most charming fall weddings was performed at Harmony Hall, Vancouver, when Emily May, youngest daughter of Mr. and Mrs. G. H. Smith, became the bride of Horace Arthur Coles, youngest son of Mrs. and the late Henry A. Coles, P. E. I., Rev. A. E. Cooke officiating. Mrs. Ruby Smith, sister of the bride, was maid of honor. Miss Edna Smith, niece of the bride, was bridesmaid, while Mr. L. Walker supported the groom. Mr. R. Tebault and Mr. W. Price were ushers. Miss Beth Brown sang, "Because" during the signing of the register, accompanied by Miss Pearl Kerr. The petite blonde bride wore white satin with train and veil, caught with tiny orange blossoms, and carried a shower bouquet of white carnations and roses. Immediately after the service, the wedding party received the congratulations of their many friends. Mr. A. D. McPhadden proposed the toast and the groom responded. The large number of beautiful gifts, testified to the popularity of the bride and groom, among which was a lovely case of Rogers Silver, from the staff of the Swift Canadian Company of which the bride was a member for a number of years, and a beautiful silver tea service from the staff of A. B. Balderston Company, associates of the groom. Mr. and Mrs. Coles will take up their residence in Vancouver.

**Railways Reduce Fares For Winter Exhibition**

MONTREAL, Nov. 4—The arrival of the early winter season will witness a series of fairs at important centres in Eastern Canada, designed to promote the interests of Canadian agriculture and encourage higher national standards for farm products, for which considerably reduced fares will be in effect on the railways in Eastern Canada, according to C. P. Riddell, Chairman, Canadian Passenger Association.

These events will consist of the Maritime Winter Fair at Amherst, N. S., November 7 to 12; Ottawa Winter Fair at Ottawa, Ont., November 10 to 13; Royal Agricultural Winter Fair at Toronto, Ont., November 18 to 26, and the Ontario Provincial Winter Fair at Guelph, Ont., December 1 to 3.

Railway fares for these events will consist of single coach fare for the round trip; or single first class fare for the round trip, the latter good in sleeping cars or parlor cars on payment of regular charge for such accommodation. A liberal time allowance will be in effect for the return movement, extending beyond the closing date of each event.

The territory in which these reduced fares apply will cover an extensive area, those for the Amherst, N. S., Fair applying from all stations in the Maritime Provinces, while fares for the Ottawa, Toronto and Guelph Exhibitions will include a wide radius, commencing in North-Western Ontario and embracing an extended territory eastward thereof, which in the case of the Toronto Fair will also include the Maritime Provinces.
