## and PRINCE COUNTY CHRONICLE

### Western Locals

This column is reserved for news of local interest but advertising of a new nature may be inserted at a cent a word strictly payable in advance.

—START the 1937 pups right with vita-crumble meal distributed by Brace's. L-835-3-30-21.

—FRENCH BALM for chapped skin at Taylor Drug Co., Kensington.

—FLASH.—Dealers and housewives it's real economy to buy Robin Hood Flour now. L-1038-3-30-61.

—CONFINED TO HIS HOME.—The many friends of Mr. Austin O'Connell, Freetown, will be sorry to learn he is confined to his home with a severe attack of flu and quinsy.

### REBELS FACE

(Continued from page 1)

lated that more than 500 officers and men at that Moroccan aviation base revolted against the insurgent command there.

Reports from insurgent Algerians said 50 conspirators within General Franco's regime and 200 government prisoners had been shot last week-end. A number of new aviators were among those slain.

Algerias, La Linea and San Roque were centres of the revolt. Twenty soldiers were among those reported killed. Authorities declared the Government prisoners had helped to foster the revolt. The military commandant at La Linea was relieved.

### DISSATISFACTION RIFE

A Carabineer visiting here today said insurgent soldiers were dissatisfied by treatment from their commanders and had protested against reductions in wages.

Bayonne reports said many had been shot for plotting against foreign, particularly Italian, members of Franco's armies. Insurgent quarters in France denied knowledge of any outbreaks within the Franco Regime.

Malaga advices said a number of Italian volunteers in the insurgent Army had been shot, suspected of participating in a conspiracy against the insurgent administration at Algeciras.

Reports said about 20 Carabineers with a number of sergeants, corporals and recruits had been executed at Malaga. They were said to have been from Pavia Province, Italy.

BAYONNE, France, March 30 — (AP) — A purge of insurgents who revolted against Italian influence in the civil war has caused many deaths and still is continuing. Basque reports from Northern Spain said tonight.

Italian and other foreign soldiers with the insurgents never were popular with much of the army. The Basque dispatches reported that when insurgent armies, including Italian soldiers, suffered defeat on the Guadalupe front this feeling was said to have been intensified.

### PLOTS UNCOVERED

Plots to end the Italian participation in the civil war were uncovered and several scores of persons were executed, the Basque advices said. It was reported the movements were directed merely against foreign activity in the struggle and not against General Franco, the insurgent Commander-in-Chief.

A Gibraltar dispatch said revolt had broken out within the insurgent ranks in Southern Spain and in Spanish Morocco, resulting in many executions. This account indicated the uprising was directed against the insurgent commander.

Insurgent sources in France met the reports of 'disaffection with the statement: "We are in close contact with all Nationalist (Insurgent) Spain and we have no such information. These reports are fantastic."

### PROTEST "INVASION"

Reliable informants declared "Regardless of the truth or falsity of the accusations of executions and plots — that the role the Italians have played in the war has created serious dissatisfaction among the Spanish Insurgents.

Two Spanish insurgent colonels were reported to have killed themselves at Burgos as an expression of protest against what they called "the foreign invasion."

There was said to be little feeling against Germans fighting in the insurgent armies. Their numbers are less.

### COUNTERFEIT MONEY CIRCULATED

(C.P. By Guardian's Special Wire) FREDERICTOWN, N. B., March 30 — Counterfeit money in the form of 50 cent pieces is being passed extensively in this city, bank officials reported today. The coins are made of lead.

### Carleton and Vicinity

Mr. John Myers, of North Carleton, spent the week-end in Fredericton.

Miss Myrtle Murray, of Summerside, spent her Easter holidays with friends in Borden.

The schools in this vicinity reopened Tuesday morning after the Easter holidays.

Mr. and Mrs. Thomas McMillen, of North Carleton, spent the week-end in Cape Traverse, the guests of Mrs. McMillen's parents, Mr. and Mrs. Harry Crossman.

Mrs. Peter Ranahan, who has been visiting Mrs. Michael McCarville, of Carleton, returned to her home in North Carleton last Thursday.

Mrs. Charles Campbell of Shelton, spent the past week in Carleton, the guest of her daughter, Mrs. Heber Myers.

Mr. Leonard McCarville, of Carleton, was a passenger to Charlottetown on Saturday.

Miss Marion McWilliams, of Cape Traverse, has secured a position in Summerside.

Miss Margaret Woolner, principal of Carleton School, returned Monday evening from her home in Rustico where she spent the Easter holidays.

Mr. and Mrs. Bruce Campbell, of Augustine Cove, returned Saturday morning from Charlottetown where Mrs. Campbell had been a patient in the Prince Edward Island Hospital.

Mr. Ralph Olsen who has been spending his holiday at his home in Borden, returned to Summerside last Tuesday.

Mr. Dingwell of Midgell left on return Friday evening after spending a pleasant visit with his daughter, Mrs. Irving Toombs, of Bedeque.

Mr. James Bartlett of Cape Traverse returned Monday evening from Truro, N.S.

Friends of Mr. and Mrs. Haszard Gardiner of Cape Traverse will regret to learn of the illness of their infant son.

Mr. C. J. Matheson with his mother and sister returned Friday from California where they spent the winter months.

Mr. Bert Cahill of Boston, is visiting in Carleton, the guest of Mrs. Michael McCarville.

Miss Doris Gillespie, teacher in Carleton School returned to her home on Monday after spending a pleasant week in Charlottetown.

Mr. John Campbell and little son Jackie, of Amherst, are visiting relatives and friends in Carleton and Cape Traverse.

Mr. Lloyd McWilliams of Augustine Cove spent the week-end in Carleton, the guest of his friend, Mr. Dick Carver.

Miss Dorothy Saunders of Charlottetown, spent the week-end in Carleton, the guest of Mrs. Harry Muttart.

Mrs. Norman MacDonald returned to her home in Kensington Monday evening after spending the Easter holidays with her father, Mr. M. Guignon, of Cape Traverse.

Mr. Francis McAvinn, principal of Cape Traverse School returned Tuesday morning after spending the Easter holidays with friends in Kinkora.

Mrs. Helen Bell returned to her home in Carleton Monday morning after spending Easter with her son and daughter-in-law, Mr. and Mrs. Charles Bell of Charlottetown.

Mrs. Michael McCarville, who spent the week-end in Charlottetown, returned to her home in Carleton Monday evening.

A pleasant gathering took place in North Carleton last Friday when Mr. and Mrs. Heber Myers had as their guests Mrs. A. S. Wartman and Miss Maria Campbell of Moncton, Mrs. J. W. Waugh of New Annan and Mrs. C. R. Staver, of Summerside.

Friends in this vicinity will regret to learn of the illness of Gordon Dixon, little son of Mr. and Mrs. Jack Dixon, of DeSable, Gordon, who underwent an appendix operation in the Prince Edward Island Hospital Saturday morning is doing as well as can be expected.

Mr. and Mrs. Jack Deegan, Miss Marion Deegan, Miss Marion McWilliams, Miss Jennie Boates and Mr. Ernest Deegan motored from Carleton to Summerside on Monday and comment very favorably upon the job done in opening the highway, which was badly blocked with snow in some places.

Mr. Stanley Linkletter and Mrs. Fred Bell, of Carleton, motored to Summerside on Monday to see their mother, Mrs. Gordon Linkletter, who broke her right arm on Saturday when she was knocked down by a youth who was riding a bicycle on the sidewalk. Mrs. Bell is remaining with her mother for a few days.

Mr. Arthur McInnis, Insurance Agent, of Charlottetown, was in Carleton Monday on a business trip.—D.

### Govt. Measure

(Continued from page 1)

als in Charlottetown were officious at that time; they called themselves the agricultural advisory board, and they got a resolution through, asking to have this Province made a separate area. That meant that all our meat products had to be killed at inspection points." He pointed out that the proposed Wood Islands ferry could ship live cattle and butter to Nova Scotia, but it would be difficult to get the Dominion Inspector, who lives at Charlottetown, to go down there and grade all the butter for shipment into the sister Province. He strongly suggested that action on the bill be deferred until the agricultural committee had reconsidered it.

Mr. Hughes (Fifth Kings) said Dominion regulations are frequently not well adapted to this little Province, and since the Legislature has not the details of the Dominion Act before it, he agreed with Mr. Jones that action should be deferred.

Hon. B. W. LePage said that after listening to the discussion he was more than ever convinced that the bill was being promoted in the best interests of the people of this Province. He believed in the grading of all our products, and especially of butter.

Hon. John A. Campbell: "It is only once, perhaps, in a dog's age, that we have the courage to stand up and express our views." He thought the small producers had a right to have their views represented, and it was on their behalf that he was speaking. "Why pass regulations here according to the regulations of other Provinces?" he asked. "Let us pass regulations here to suit Prince Edward Island, and never mind what Nova Scotia or New Brunswick are doing. They put it over us every time. The bill now wants to gobble up the whole thing and the little fellow will be put out of business. This is the time, when they are trying to get the edge of the wedge in, to look out. I say that we are not legislating in the interests of the small farmers, as we should be."

Mr. Jones: "It is absolutely futile to pass this bill at this time because the Province of Nova Scotia has not yet graded its own production."

Hon. Mr. LePage: "I understand the Province of Nova Scotia at the present time is passing this Dairy Bill."

Mr. Jones: "All the more reason for referring it to the agricultural committee, and let us find out whether or not Nova Scotia is doing this. If Nova Scotia and New Brunswick are doing it, then concurrent legislation here might be advisable, but for the present there is no necessity for it at all. I would have to vote against the bill."

Mr. Wright (Fifth Kings): "We would be able to discuss the matter more intelligently after the agricultural committee had discussed it and reported back to this House."

Premier Campbell said that while he believed the bill was in the best interests of the Province, there was a difficulty in the fact that the members did not seem to be familiar with the Dominion Dairy Act and particularly with regulations already passed by the Governor General in Council. He therefore concurred in Mr. Wright's suggestion.

After some further discussion, Hon. Mr. Dennis moved that progress be reported, the committee asking leave to sit again.

The Legislature met yesterday at 3 p.m.

The hour appointed by His Honour the Lieutenant-Governor to receive the House and their address in answer to His Honour's Speech at the opening of the present session having arrived, Mr. Speaker and the House proceeded to the Council Chamber and being returned, the honourable Speaker reported that His Honour had been pleased to receive the Address and give reply thereto, signed by His Honour, which Mr. Speaker read.

On motion of Premier Campbell, an Act to Amend the Land Assessment Act 1924 was read a third time.

An Act to Amend an Act respecting the Office of Sheriff.

An Act to Amend the P. E. I. Old Age Pensions Act, 1931.

An Act to Amend the Election Act, 1922.

An Act to Amend the Succession Duty Act.

On motion of Hon. Mr. Prowse the House went into committee with Mr. Wright in the chair on second reading of an Act to Amend an Act to Incorporate "The Cundall Home."

The bill gives the corporation power from time to time to arrange with the Prince Edward Island Hospital for the establishment and maintenance in and upon the residential property occupied by Henry James Cundall at the time of his death of a home for nurses in training at the said Hospital.

The promoter explained that in 1927 when the Charter was obtained by the Cundall Home, arrangements were made with the Y.W.C.A. whereby girls were

boarded at small expense. Since that time the Y.W.C.A. has practically ceased to function and the Cundall Home trustees are now anxious to enter into an agreement with the trustees of the P. E. I. Hospital so that nurses in training may be provided with boarding accommodation.

Premier Campbell suggested that the bill might be beneficially amended by broadening its provisions to include arrangements with any other hospital or sanatorium in the Province.

The bill was agreed to after some discussion.

Summerside Legislation

On motion of Hon. Mr. Allen the House went into committee with Mr. Stewart in the chair on second reading of an Act to Amend the Summerside Incorporation Act 1903 and amendments thereto.

The bill empowers the Town Council to borrow and expend, for the purpose of paying off the present indebtedness in respect to permanent streets constructed in 1936, the sum of \$100,000; and \$10,000 for sewalls fronting on Water Street, constructed in 1936; and a sum not exceeding \$50,000 that may be hereafter expended for general permanent work.

Mr. Wright: "May I ask the promoter how much is owed by the Town of Summerside?"

Hon. Mr. Allen, after several minutes of figuring and with the assistance of the Provincial Auditor, said the Accounts showed a debt of \$83,452 less \$191,355 sinking fund. He stressed the healthy condition of the sinking funds and the high rate of Summerside bonds on the market.

The borrowing clauses were agreed to.

Sec. 7 of the bill empowers the Town Council to close that portion of Maple Avenue running west from Duke Street to Northumberland St. in connection with the proposed enlargement of the Municipal Airport.

The promoter, after emphasizing the need of more airport accommodation, read letters he had received from Mr. H. G. Muttart, original donor of the land opposing the closing of this area for the purpose specified.

After some discussion, the section was allowed to stand over.

Sec. 8 changes the date of the Civic Election from the third to the first Tuesday in February. It was agreed to.

Progress was reported, the committee asking leave to sit again.

Vital Statistics Act

On motion of Premier Campbell the House went into committee with Mr. Foley in the chair on an Act to Amend the Vital Statistics Act.

The bill provides that from and after the 30th of June 1937, each secretary of the trustees of school districts shall be district registrar of the school district for which he is secretary; provided always that the Registrar General may in his discretion appoint another person to be district registrar, in which case the Registrar General shall forthwith notify the secretary of the trustees of the school district affected of such other appointment.

The promoter explained that the purpose was to avoid confusion.

Mr. Stewart: "Who is the Registrar General?"

Premier Campbell: "I am the Registrar General at present but it is proposed that in future he shall be the Minister of Health."

The Premier also referred to the present duplication of registration which he said was unnecessary, and which it was proposed to eliminate by concentrating the work in the Department of Health.

The importance of prompt and accurate registration of births and deaths was discussed by Mr. Saville, Premier Campbell, Hon. Mr. McIntyre, Mr. Hughes.

The bill was reported agreed to.

Public Health Act

On motion of Hon. Mr. McGuigan the House went into committee with Mr. Wright in the chair on an Act to Amend the Public Health Act.

The bill amends the statute to enable the City Clerk, Charlottetown or the Town Clerk, Summerside, to bring a legal proceeding, such action is deemed necessary. It was agreed to without discussion.

### RAILWAY REVENUES INCREASE

OTTAWA, March 30 — (CP) — Gross revenues of Canadian Railways during the year ending Dec. 31, amounted to \$331,510,406 an increase of 7.9 per cent, compared with \$307,402,602 in 1935, the Dominion Bureau of Statistics reported today.

Operating expenses increased from \$261,761,607 in 1935 to \$281,618,561 or by 7.6 per cent, and the operating income increased from \$33,305,014 to \$37,056,190.

Freight traffic measured in ton miles was nine per cent. greater than in 1935 and passenger traffic was also nine per cent. heavier. The average number of employees was 125,102 as against 119,874 in 1935. The total pay roll amounted to \$174,413,148 in 1936 and \$164,851,311 in 1935. An average annual wage per employee of \$1,394 in 1936 and \$1,375 in 1935.

The 1936 pay roll and number of employees are exclusive of \$2,496,077 for relief labor charged to the Dominion Government. This maintenance of way work lasted from May to November and for seven months the average number of relief laborers was 5,732. The average monthly wage was \$62 for these seven months.

Canadian National Railways Canadian lines earned \$154,178,174 in 1936 as against \$144,518,641 in 1935, an increase of 6.7 per cent. The United States lines also showed improved revenues, raising the system gross revenues to \$186,610,489 as against \$173,000,444 in 1935.

System operating expenses increased from \$158,926,248 to \$171,477,690 and operating income was reduced from \$7,424,121 in 1935 to \$7,206,142. This does not include interest and other income items.

Canadian Pacific Railway company gross revenues increased from \$128,962,239 in 1935 to \$138,461,549 or by 7.4 per cent. Operating expenses increased by \$7,867,450 and the operating income by \$913,586, or from \$22,397,523 to \$23,311,110.

### Would Speed-up Five Year Plan

MOSCOW, March 30 — (AP) — The Russian Government told its workers today to intensify industrial and agricultural production, lest the second five-year plan fall far short of its mark.

Alarmed over a slump in output and particularly delays in the spring planting campaign, the Government warned that work in both industrial and agricultural branches had been "unsatisfactory" and must be "corrected immediately."

### Magnetic Box To Fight Disease

NEW YORK, March 30 (AP)—A new medical instrument, a box in which a human body is converted into an electromagnet, 15,000,000 times a second was exhibited at the first international conference on fever therapy today.

The Magnetic Box creates an artificial fever, for use in treating many different diseases. The magnetic fever is made by a very small electric current and its results on a full grown man are fevers running from 105 to 110 degrees Fahrenheit.

In the box, shaped like a miniature auto trailer, the patient lies with his head protruding outside through an inch-thick curtain. He lies on a two-inch deep mattress. Beneath it is a single loop of wire roughly the outline of a human back from neck to waist.

A current alternating 15,000,000 times a second flows through this wire, making it an electromagnet. The patient's body lies in the magnet's "field."

An electric bulb, if held in the space occupied by the human torso, would light without connections. In the human body, the magnetic field induces "Eddy Currents."

The magnetic force acts directly on the body's "electrolytes," the electrically conducting salts in blood and other body fluids. It heats them in a few seconds.

The box is air-conditioned so that its temperature keeps step with the rise of the magnetic fever.

Fever treatment, plus drugs, Dr. Neumann said, "will cure most cases of early syphilis promptly, surely and painlessly. Most cases of syphilis can thus be aborted in one or two months."

Banana heife, one of the yellow-beige tones that are gaining prominence in spring sports coats and suit styles, is used for a three-piece swapper suit shown for resort wear. A green scarf matches the green straw braid sallor.

Frank Easter, Mrs. Margaret Easter, Mrs. Frank N. Easter, Mrs. Henry Parker, Mrs. Davis Mitchell, Davis Mitchell, Herbert Bowman, Geo. Clark, Mrs. G. W. Clark, Joise Younker, Walton T. Toombs, Mrs. W. T. Toombs, Earl McRae, Murdoch A. MacLeod, Mrs. Murdoch MacLeod, Mrs. Rederick MacLeod, Cecil J. Stewart, Mrs. Cecil J. Stewart, Clifton Stewart, Mrs. Martha Stewart.

### URGES LEAGUE

(Continued from page 1)

ed, all the Bibles in Quebec could be seized and destroyed and all the churches padlocked. The Bible contained passages which could be construed as tending to promote Communism within the meaning of the law. No teaching of history, economics or literature would be possible without the universities and schools being padlocked.

"I believe that hatred will not eliminate Communism," said Mr. Lapointe. "I wonder if many members of this House have read the recent encyclical of Pope Pius XII on Communism. He indicated that justice and charity were the two best agencies with which to combat Communism."

"I believe that is so. All Canadian citizens should unite to preach the true doctrine. I have been thinking about this matter for some time and if I find support for the idea I should like to organize a league of Canadian citizens for the purpose of spreading education throughout the length and breadth of Canada."

"The purpose of this organization would be, to preserve the democratic state in Canada; to combat Communism; and Fascism and to counteract the reactionary activities of all subversive and revolutionary forces which seek to overthrow the democratic state by force and violence."

"To guard the religious heritage of Canada from the protagonists of foreign and atheistic doctrines of the state, I suggest every lawful way to the end that Canada may remain a place of safety, that the welfare of her citizens and their wives and children be guarded and that peace, order and good government may be maintained in our Dominion."

### CAPE TRAVERSE W. I.

The regular meeting of Cape Traverse Women's Institute was held at the home of Mrs. Edward McPherson on March 18th. Meeting opened by singing Institute Ode, followed by Creed. Roll call was responded to by eight members and three visitors. Twelve new members were enrolled at this meeting. Minutes of last meeting were read and approved. It was decided to have all squares for quilt pades in at next meeting. Reports of committees were then heard and new ones appointed. Sick committee reported brushes needed. The order was turned over to school secretary to buy. New school committee, Mrs. Douglas Bell, Mrs. Raymond Harvey, new program committee, Mrs. Keith Lord, Mrs. Vernon Muttart. Correspondence was then read and secretary reported \$14.00 proceeds from St. Patrick's party. Six members subscribed for Institute News.

It was voted to discontinue the year sick in district for the present. Next meeting at the home of Nona Wright, Thursday evening, April 15th, roll call to be answered by each member paying 10 cents to buy cups and saucers. Mrs. Keith Lord and Mrs. Melbourne Howatt were appointed to take charge and purchase same. New lunch committee, Mrs. Keith Lord, Mrs. James Campbell, Mrs. Harold Cutcliffe, Miss Evelyn Bell. Questionnaires on National Events and Canadian Industries were discussed and filed by Mrs. Keith Lord and Mrs. Harold Campbell. A program consisting of singing, the Jones, and a common mistakes in English were much enjoyed by all. A dainty lunch was then served. Collection \$1.35. Meeting closed with National Anthem. A hearty vote of thanks was extended to the hostess.

### MURRAY HARBOR NORTH

On the evening of Wednesday, March 10th, a group of the young people of Murray Harbor South, under the auspices of the Ladies' Aid Society of the Presbyterian Church there presented their play "Eyes of Love" to a very appreciative audience in the Public Hall at Murray Harbor North.

Rev. E. Hensley Staver presided and introduced the players. In a few well chosen words he gave a number of hints as to the nature of the play and of the plot that was to be unfolded as the play went on.

The following is the cast of characters in the order of their appearance on the stage. Carolina, a negro servant; Mrs. Elmer Stewart; Gailya, an adopted daughter; Miss Carrie Chapman; Reta, a two-faced friend; Miss Jean White; Burt Wade; Reta's brother; Mr. Ray Brooks; Mrs. Barry, Gailya's foster-mother; Mrs. Margaret White; Lora, a lively house-maid; Miss Florence Stewart; Clark, a busy butler; Mr. Vere Richards; Judge Barry, Gailya's foster father; Mr. Ross White; Royal Manton, Burt's rival; Mr. Bruce Stewart; Jim Rankin, the manacled man; Mr. LeRoy White; prompter; Mrs. David Brooks.

All of the characters took their parts splendidly. If one were to attempt to make comparisons one would be tempted to say that Miss Carrie Chapman in playing the role of Gailya simply excelled herself. In fact, without stooping to flattery this could truly be said of all of the other characters as well. In short the play as a whole was really excellent.

The greater part of the specialties between the acts were furnished by the Murray Harbor South orchestra made up as follows: Miss Edna Senebaugh, guitar; Mr. Silas Senebaugh, guitar; Mr. Harris Jordan, violin; Mr. Alfred Chapman, violin; Mr. Percy Senebaugh, cello; with Mrs. J. McKay accompanist at the organ.

The instrumental music was of a high order and the audience was

held as though spellbound. Between the first and second acts Miss Carrie Chapman and Miss Edna Senebaugh, each playing a guitar accompaniment, sang very beautifully as a special number: "Will the Roses Bloom in Heaven". As an encore Miss Chapman sang a selection entitled "The Comical Ditty" with guitar accompaniment by both herself and Miss Senebaugh. A goodly sum was realized. The gathering was closed with the National Anthem.

CRISP WHITE LOOKS WELL ON DARK DRESSES

With dark dresses wear touches of crisp white next to your face. Keep them spic and span however, slightly dingy ones are too dreadful.

held as though spellbound. Between the first and second acts Miss Carrie Chapman and Miss Edna Senebaugh, each playing a guitar accompaniment, sang very beautifully as a special number: "Will the Roses Bloom in Heaven". As an encore Miss Chapman sang a selection entitled "The Comical Ditty" with guitar accompaniment by both herself and Miss Senebaugh. A goodly sum was realized. The gathering was closed with the National Anthem.

### Belfast

Belfast friends of the Carrier Bros., Earncliffe, regret the loss they sustained by losing their lovely dwelling house by fire recently. We understand they are planning to re-build soon and much lumber has been hauled across the bay since the fire, the weather seeming to keep colder for a time to enable the crossing over the ice to be considered safe.

The Federal Dairying Co., Eldon, has engaged Mr. Faber Dreelan of Orwell Cove as butter-maker for the coming season. Mr. Dreelan comes highly recommended so likely he will prove a worthy successor of Mr. Rupert Hubley who served in the same capacity upwards of twenty years and left this summer to accept a position with the Fishermen's Union at Pinette.

Mr. Percy MacLean has returned to his home in Eldon after a pleasant visit to friends in Boston and vicinity and Maine.

A jolly evening was enjoyed by the youth and beauty of Point Prim at the home of Mr. and Mrs. Donald Neil Murchison when a surprise party was held, March 23rd, in honor of their eldest son, John Alexander
