PLAYED PIPES.—In the report of the Drama "Shaun Aroon" in Kelly Cross Hall on the 20th, the pipe music was furnished by Mr. Albert McLeod not Mr. McDonald as stated.

NEW SHERIFF.—Mr. A. J. Dougan, who was sheriff for Queens County under the Arsenault government, has been again appointed to that position in succession to Mr. F. W. Hughes whose appointment expired on the 31st ult.

FLOWER THIEVES.—The favourable weather of the past two weeks has effected a grand change in the appearance of the country and the town. Leaves on the trees, grass on the lawns and flowers everywhere. Charlottetown is already beautiful and will be more so in the course of a week or two. It has been noted with regret that thieves, young or old, have picked and carried off many of the tulips and other flowers blooming on the most carefully kept premises. The police should look after the rascals. They are particularly aggressive and destructive in the western part of the town.

PERSONALS

Mr. and Mrs. Joseph McCarey have returned home from an extended visit to Baltimore.

Mr. L. J. Gay of the Royal Bank returned to the city yesterday from relieving the manager of the branch in Eldon, Belfast.

Mr. R. R. Webster, Marie, left yesterday afternoon for Owen Sound, Ont., to attend the meeting of the General Assembly.

GOLD DUST
 MADE IN CANADA
Wash Silver Now!
 A Secret Worth Knowing
 THIS simple method saves both time and rubbing. Dissolve in each gallon of boiling water in a tin, aluminum or galvanized vessel, two tablepoons of Gold Dust. Be sure to have enough of the solution to cover the pieces of silver entirely. Leave the pieces in the boiling solution and in contact with the vessel for at least one minute. Remove; rinse, allow to dry, then polish with a soft cloth or chamois.

A few drops
 of Absorbine Jr., to an ounce of water, makes a Mouth Wash that will free the teeth of injurious germs. Used morning and night, it will arrest Pyorrhea and Sinus—and change white, spongy, bleeding gums into firm, pink, healthy gums.

GOODYEAR MADE IN CANADA

A Complete Line of Tires

Goodyear recognizes the definite need for a number of different types of tires. Goodyear builds in the All-Weather Cord the acknowledged tire leader of the World in mileage, road-grip and beauty. Its price is lower than ever before. But in order to have still less invested in your car you may want a tire at a still lower price. So with road-grip equal to any but the All-Weather Tread, Goodyear has produced other high-quality, low cost-per-mile tires bearing the Goodyear name.

HIGH-PRESSURE TIRES

Wingfoot Fabric

An outstanding selection by the manufacturers of light cars. Heavily demanded the world over; guaranteed—bears the Goodyear name. Hundreds of thousands sold during past five years; only a fraction of 1% presented for adjustment.

Wingfoot Cord

Goodyear's recognition of the fact that many people want to consider seriously the amount they invest in their cars. Excelled in road-grip by the All-Weather Tread only; excelled in mileage by no other.

All-Weather Fabric

A tire which many years ago introduced the idea of, and proved the value of, Oversize and Road-grip. A popular and low cost-per-mile tire, especially for dirt roads or business cars where road-grip and cost-per-mile are more important than the riding quality of low air-pressure.

All-Weather Cord

The peak of road-grip and mileage combined. A great number of Canadian tire repairmen and car dealers say that its mileage exceeds by at least 25% the mileage of the next best cord tire. Its road-grip is apparent upon examination; more appreciated in use. Minor accidents—the result of stopping a few inches too late—cause most of the repair bills to fenders, lamps and radiators. Even collision insurance does not cover these small bills of less than \$25.00—but these bills are a high percentage of annual tire cost. Road-grip combined with surplus mileage makes the All-Weather Cord the most widely-used cord tire in the world.

BALLOON TIRES

For Your Present Wheels

Flexible, low pressure tires which act like pillows of air under your car. Developed by Goodyear so that you can have balloon tire advantages without change of wheels or rims. Go on most present cars—at relatively small increase over the price per tire which you have been paying. The Goodyear Selected Dealer can tell you what size of balloon tire replaces your present tires and can equip your car with two or four balloon tires as you wish.

For New, Smaller Wheels

Should your car not provide sufficient clearance for Goodyear Balloon Tires on your present rims, see your Goodyear Selected Dealer, your car dealer, or the nearest Goodyear branch, regarding new, smaller wheels, and Goodyear Balloon Tires to fit.

TRUCK TIRES

All-Weather Cord

Massive pneumatic tires which cushion trucks over all kinds of roads. Enlarge your trucking radius greatly. Add speed and so reduce costs. Give the road-grip of the All-Weather Tread. Protect fragile loads. Render splendid mileage.

All-Weather, All-Rubber Cushion

Cushioning and road-grip added to the all-rubber truck tire. Saves the truck and the load to a surprising extent. Resists skidding. Gives splendid traction—starts the truck off without "spinning" wheels. All-Weather Tread can be recut when the original blocks are worn down.

MOTORCYCLE TIRES

The All-Weather Tread protects the motorcyclist just as it does the motorist. Its great road-grip is needed even more in rounding corners and in travelling country roads. Just as famous for mileage as its bigger brothers.

BICYCLE TIRES

The smallest tire of the Goodyear line—but the same high quality as any Goodyear Tire. Has the sharp-edged blocks of the All-Weather Tread to protect against skidding. Tough tread stock resists punctures and gives very long mileage.

The Goodyear Selected Dealer

There are about 10,000 tire dealers in Canada—about four times too many. Too many profits, too much duplicating of effort, too many stocks of tires. Now Goodyear sells through only 2,500 selected dealers. And because the Goodyear line is the leading line, these selected dealers in every community make it possible for

you to get Goodyear Tires from the concern best fitted to give you heping value and real service.

Let the Goodyear Selected Dealer show you his complete line, explain the advantages of each and tell you of the service they are giving your neighbors.
