A BIG FORESTER'S COURT.

The thousand and more of members of the Independent Order of Foresters in this province will be interested in the following item from the Citizen:—
"A movement is on foot to amalgamate all the English-speaking courts of the Independent Order of Foresters in Ottawa, into one court. If the proposal is carried on, this court will have 1,400 members and will be twice as large as any other I. O. F. court in the world. This pointed out by these who have broached the scheme that by the amalgamation, over \$500 a year will be secured and a Forestry temple will be built. The matter will be brought before the city courts in the near future, by those interested."
