Courtesy and Cheerfulness a Combination with which we Spice Every Sale Some people have an idea that drug stores are pretty much the same the world over. They do not consider the fact that stores have character just the same as individuals. Study the stores in any place and you will soon learn as to how they differ. At our store customers are greeted with a happy smile and a word of welcome. Courteous attention is given to customers while shopping here. All packages are neatly wrapped. In fact our service throughout is marked by care. We do everything in our power to guard customers' interests. WE SHALL APPRECIATE AN OPPORTUNITY TO PROVE TO YOU THAT OUR DRUG STORE IS "DIFFERENT." GOLDYWN PHOTOPLAYS PRESENTS GERALDINE FARRAR ---In---"Shadows"

Famous Star and Beautiful Operatic Diva Star in Impelling Photoplay. From Alaskan Dance Halls to Inner Circles of New York Society.

THE STORY

Known as Cora Lamont, she was one of the most reckless women in Alaska, but she thought that page of her life blotted out when she became the wife of Judson Barnes, a conservative New Yorker. Then comes a sharker who knew her in the old life, and who offers her a choice between aiding in the swindle about to be perpetrated upon her husband and a revelation of her antecedents. What happens then forms the vital story in which the doubly gifted star has yet to be seen.
