STOCK QUOTATIONS

Morning Stock Letter

NEW YORK, Oct. 23—According to European reports Russia is less willing to help the Loyalists. This news may help to lessen the tension of the European situation. Copper stocks are strong in London this morning. General Motors third quarter statement will be published on Monday. Dividend meetings scheduled for today are Mont. Ward and Lehn and Fink. In view of the slight improvement in the news from Europe and the fact that yesterday was the fourth successive day of decline for the industrials, we think there is a very good chance that the general market will improve some time during the day. Among the low priced stocks which tried to do better yesterday was White Motors. The coppers also stood out as did the paper stocks.

TORONTO, Oct. 23—Sladen Malartic: In accordance with listing regulations, Sladen Malartic Mines Ltd. have advised the Toronto Stock Exchange that an additional 18,000 shares have been taken up at 55 cents per share under option agreement November 5th. Balance of option comprises 190,000 shares at 55 cents and 300,000 at 65 cents, the latter block being stock donated for treasury purposes.

Gillies Lake: New ore sections area being located in development work at Gillies Lake in the Porcupine area. In addition to the cutting of the number 10 vein on the 300 foot levels, officials state that a second diamond drill hole cut this vein fifty feet south of the first hole where it showed widths of 5 feet and grade of $12 per ton.

PRODUCE

MONTREAL, Oct. 23 — (CP) — Prices for butter, cheese, eggs and potatoes ruled quietly steady on Montreal open produce market today. Volume was light.

Butter was quoted around 23 1-2 cents per pound for carlots or less of No. 1 while lots to retailers were 25 for solids and 25 1-2 for prints.

Graded egg shipments in carlots or less were quoted at 45 to 46 cts. a dozen for A-large, 43 to 44 for A-medium, 35 to 36 for A-pullets, 25 1-2 to 26 1-2 for B and 22 1-2 for C.

Cheese averaged 12 1-4 to 13 cts. per pound for Ontarios and 12 1-8 to 1-4 for Quebecs.

Potatoes: Que. and N. B. Mts. 80's $1.10 to $1.15; Que. No. 2 80's 90 to $1; P.E.I. Mts. 90's $1.25 to $1.30.

MINING

TORONTO, Oct. 23 — (CP) — Spotty strength in the golds and an indefinite price action over the rest of the board marked Toronto mining market trading today. Golds recorded a narrow gain.

Interest stood out in Moneta and Paymaster. Moneta held around 1.45 until the last hour when it bounded to 1.72 .94-35, gain of 34 cents. Paymaster was up 9 cents.

Teck Hughes quieted down and closed at 5.15, unchanged. Wright Hargreaves gained 15 cents. McLeod-Cockshutt advanced 20 cents.

Price adjustments were narrow in the base metal group.

Your Will

Your responsibility for the welfare of your dependents cannot be laid down even at death. It is as necessary to provide for competent administration of your affairs after you have gone as it is to acquire the assets essential for your family's protection now. Provide for their future welfare—bring yourself complete ease of mind—by preparing your Will wisely, and appointing The Eastern Trust Company executor and trustee. We will gladly assist you.
