#### Try Making Your Own Cough Remedy

You can save about \$2, and have a better remedy than the ready-made kind. Easily done.

If you combined the curative properties of every known "ready-made" cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.

Get from any druggist 2 1/2 ounces of Pinex (50 cents worth), pour it into a 16-oz. bottle and fill the bottle with syrup, using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is 16 ounces of really better cough syrup than you could buy ready-made, and saves easily \$2. Tastes pleasant and never spoils.

This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes so gently and easily that it is really astonishing.

A day's use will usually overcome the ordinary cough and for bronchitis, croup, whooping cough and bronchial asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break up severe coughs.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

It affects every organ and function in some cases it causes catarrh; in others, dyspepsia; in others, rickets; in still others, weak, tired, languid feelings and worse troubles. It is responsible for run-down conditions, and is the most common cause of disease.

## ONE IN EVERY HOME

This window card is given to every purchaser of a Victory Bond with the request that it be hung in the window at least for the duration of the campaign.

In every home in Canada a Victory Bond! That is the Victory Loan objective this year.

Last year Canada made a War Loan record.

Aiming at one bond to every 20 of the population Canada responded by taking one for every ten, 9.6 to be exact.

Now that we all have learned to invest in bonds.

—now that we know how greatly Canada benefits from Victory Loans.

—now that our wonderful fighting men and our noble allies have brought Victory almost within our grasp.

—it is almost certain that one in every five of our people will bring forward their savings and lend them freely to Canada.

That will mean an average of one Victory Bond for every home in Canada.

One in every home!

Display your card in your window. Persuade your neighbour to do the same.

If you do this and you, and You and YOU—if we are all skimping, working, saving with the one end in view, to win the war—Canada's Victory Loan 1918 must meet with overwhelming success.

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada.
