Had Piles For 9 Years

Dominion Inspector of Steamboats Cured by Dr. Chase's Ointment.

False modesty and fear of the surgeon's knife prevent most people from appealing to their physicians for a cure for piles.

Many people suffer on year after year, robbed of their rest and sleep by the terrible itching, when they could be entirely cured by a single box of Dr. Chase's Ointment. Mr. O. P. St. John, Dominion Inspector of steamboats, living at 218 Shaw street, Toronto, states:—"I suffered for nine years from itching piles, at times being unable to rest on account of the annoyance caused by them. After trying almost all remedies in vain I began the use of Dr. Chase's Ointment, which entirely cured me. I cannot speak too highly of it. I have recommended it to several friends, all of whom have been cured by its use." Dr. Chase's Ointment is recognized by physicians, druggists, and the public in general as the only absolute cure for piles; 60 cents a box, at all dealers, or Edmanson, Bates and Co., Toronto.
