

MILTON CLEANS YOUR FALSE TEETH PERFECTLY

LEAVE THEM IN MILTON WHILE YOU SLEEP OR DRESS

The Milton methods are simplicity itself: *Just this while you sleep*—If you take out your plate at night, add half-a-teaspoonful of Milton to the glass or cup of cold water in which you leave it. In the morning rinse it in clean cold water. *Or this while you dress*—If you sleep with your false teeth in, put them, on rising, into a glass containing equal parts of Milton and warm water (just enough fluid to cover the plate). When you are dressed, take them out, rinse and wipe. In both cases the result will be—teeth glistening, gold parts glittering, not a trace of 'film,' food or grease, and a plate utterly free from infection. Not the slightest harm to the plate, teeth or mouth (ask your dentist). Of all dealers, 35¢, 65¢ or \$1.

—SUCCESSFUL SALE—Messrs H. F. Ramsay and A. M. Henson, Cutknife, Sask., who brought the car containing eighteen fine work horses had the satisfaction of disposing of them all by auction. They brought figures that made the venture safe. The buyers all pleased with their purchases, and they believe that the animals are all that they have been reported. This is the first visit of these gentlemen to Eastern Canada, and they are delighted with the reception given and the encouragement to their return. *Y.*

—TRAVEL TALK WELL ATTENDED—In the Epworth Hall, Summerside, on Monday evening, a very interesting talk "My Unsentimental Journey" was given by Rev. J. P. C. Fraser before an appreciative audience, presided over by Mr. A. S. MacKay. Rev. Mr. Fraser's graphic word pictures of his experiences from the time when he stepped on to the ocean liner at Halifax and all through his sojourn in Italy were followed with the keenest interest and greatly enjoyed. His description of Rome, Naples, and other cities which he visited and of the different nationalities with which one becomes acquainted, thrilled and inspired his hearers. A hearty vote of thanks to the gifted speaker was moved by Mr. T. M. Linkletter and seconded by G. B. McNutt, and tendered by the chairman, Mr. A. S. MacKay. The singing of the National Anthem brought a delightful evening to a close.—S

—\$30,000,000 BRIDGE?—Premier Saunders, on his recent visit to Ottawa, informed The Guardian that while discussing continuous communication with the mainland he was informed by officials that the suggestion of Mr. A. E. McLean, M. P. for a bridge across the Straits between Borden and Tormentine had received a good deal of thought and was considered by leading engineers to be quite practical. It was estimated that the cost would be approximately thirty million dollars. Other matters discussed by Mr. Saunders while in the Capital were referred to in yesterday's Guardian.

—SISTERS AND PUPILS ENTERTAINED—The choir of St. John the Baptist Church, Miscouche, under the very capable leadership of Mr. A. J. Poirier entertained the Sisters and pupils of the boarding school at Notre Dame Convent at Miscouche to a delightful programme of music last Saturday evening. Between selections given by the band were several solos and songs rendered by the choir. The reputation of the Miscouche choir is already established and the men and women of the district are noted for their fine voices and musical talent. The former are to be congratulated on their fine rendering of the selections by the band, considering that they have only been practising together for one month. The Sisters and pupils wish to thank Mr. Poirier and members of the choir for their kindness in providing such a pleasing entertainment at the Convent.—S

—QUIET WEDDING—A quiet wedding was solemnized at the Presbyterian Manse, Summerside at 6.30 a. m. on Tuesday, when Miss Jean Phillips of Summerside was united in marriage to Mr. Leyton Dalton, of Truro, N. S. The bride and groom were unattended. Rev. C. J. St. Clair Jeans performed the ceremony. The bride looked charming in a dress of delectable blue georgette and wore a lovely corsage bouquet of pink carnations. Her close fitting hat of silver grey velvet cleverly designed in pansy flower effect was very chic, with stockings and satin slippers to match. A sumptuous wedding breakfast was served at the home of the bride's sister, Mrs. John O. Cobb, to the bridal party and a few immediate friends. The happy young couple left on the early morning train on an extended honeymoon to Portland, Maine, where they will visit the bride's sister, Miss Fanny Phillips, afterwards visiting Boston and New York, and returning by way of Truro, where relatives of the groom reside. The bride's travelling dress was of navy blue georgette and coat of independent blue with opopossu trimming. Mr. and Mrs. Dalton will make their future home in Summerside. A host of friends join in wishing them every happiness and prosperity.—S.

LETTER OF SYMPATHY

Mt. Stewart, Feb. 23, 1929
Mrs. Artemas Cook
Mount Stewart, P. E. I.
Dear Mrs. Cook,—We, the officers and members of Mount Stewart Women's Institute desire to convey to you sincere and heartfelt sympathy, in the recent loss of your youngest and dearly beloved daughter, Mrs. Clarence Coffin.

We realize that your sorrow and loneliness are intensified because of your three little grandchildren left motherless, and we know any words of

of kindness we have to offer at this time are of but little comfort. We feel you are sustained by the words of The Master, who said, "Blessed are they that mourn, for they shall be comforted."

We cannot understand why one so young and accomplished should be called away so soon but we are assured 'All things work together for good' and we bow our heads in submission to The Divine Will.

Again we express our truest sympathy and would refer you to the following beautiful and appropriate literature.

Safely, safely gathered in, No more sorrow, no more sin. God has saved from weary strife, In its dawn this young fresh life, Which awaits us now above, Resting in the Saviour's love, Jesus, grant that we may meet There, adoring at Thy feet.

Signed on behalf of Mount Stewart Women's Institute,
Mrs. A. B. Martin
Miss Bessie MacLeod.
