IN MEMORIAM

ALEXANDER MACLAUCHLAN

On Friday, March 20, 1936, Mr. Alexander MacLauchlan of Stanhope, P.E.I., passed away after a long illness of two years. Although so long confined to his bed with weakness he never gave up hope of recovery till the end drew near. Mr. MacLauchlan, who was fifty-eight years old, had, on different occasions resided in the United States returning home to Stanhope frequently. His last residence abroad was in Boston where he lived eight years up to his return two or three years ago. He was a son of the late Duncan MacLauchlan of Stanhope, and his wife Euphemia MacPherson. While resident in Stanhope Mr. MacLauchlan lived with his brother James, from whose home the funeral was held. The services were conducted by Rev. Thos. A. Wilson of West Covehead, Minister of the Stanhope Congregation of the United Church of Canada. The text of the funeral address was Romans 8: 38. "I am persuaded that neither death nor life - nor things present nor things to come - shall be able to separate us from the love of God which is in Christ Jesus our Lord." A great many people assembled to pay their last respects to a departed friend and neighbor. Mr. MacLauchlan never married, but he leaves to mourn their loss, two brothers, James in Stanhope and Archibald in Boston, Mass., and also two sisters, Christina, a nurse on the Medical Staff of the United States Army, at present stationed in Honolulu, and Mary Belle, Mrs. D. L. Murphy of Boston, Mass.

His remains were laid to rest beside the graves of his father and mother in the family plot in the West Covehead United Church Cemetery. The pall-bearers were Messrs. Ira Carr, Ashley MacLauchlan, Thomas Horgan, Frank Marshall, Rupert Ross and J. W. McCabe.

MRS. CHRISTINE MACDONALD

By the death of Mrs. Christine MacDonald on Tuesday morning, March 24th, Lorne Valley lost one of its oldest and most highly respected citizens. Mrs. MacDonald was born on the Isle of Skye, Scotland in the year 1845. In the year 1862, when she was but a girl of seventeen, she, along with her parents migrated to the Garden of the Gulf. They selected Bellview as their island community. After a number of years she married Mr. Alex. MacDonald of the same district. They had one daughter, and Mr. MacDonald died May 10, 1898. When her husband died she sold her farm in Bellview and moved to Charlottetown where she lived for 25 years. Then in the year 1929 she moved to Lorne Valley where she has resided ever since.

There are left to mourn Mrs. Frank Hatton of Providence and three grandchildren also of that place. A brief funeral service was held at her late residence, the Rev. T. Owen Hughes officiating. The remains were taken to Valleyfield church at a distance of 17 miles from Lorne Valley.

The funeral which was largely attended, despite the inclement weather, was held Thursday afternoon, March 26 at Valleyfield Presbyterian church.

The clergyman officiating at Valleyfield was the Rev. Mr. Sinclair. He conducted the service and paid a fitting tribute to a faithful and upright life.

Mrs. MacDonald endeared herself to her friends and all with whom she came in contact. She possessed in high degree those qualities that make for good citizenship, a kindly spirit of helpfulness and fellowship, good moral character and a sense of loyalty to the finest and best in life.

Mrs. MacDonald will long be remembered for her Christian character, her fine qualities of mind and heart, and for her loyalty to her church.

In the words of St. Paul she could say, "I have fought a good fight, I have finished the course, I have kept the faith."

Mrs. MacDonald was not feeling as well as usual for the greater part of the winter but her death was a great surprise to all who knew her. The hearse was driven by Mr. Allan McSwain of Lorne Valley. The pall-bearers were: Messrs. Kenneth MacBeth, Reuban MacCannell, and Murdoch MacDonald.

POINT PLEASANT NOTES

Another sign that Spring is just around the corner is evident by the fact that on March 18th Mr. Clarence Reynolds came across a live toad in his woods. Quite early we think for toads.

A very enjoyable evening was spent at the home of Mr. Joseph Jenkins on Friday, March 20th when about twenty friends and relatives gathered. The evening was spent in music and step dancing. Violin music was furnished by Mr. Edward Munn, accompanied by Miss Jean Jenkins and Mr. Edward Jenkins supplying several step dances which were greatly enjoyed by all. After this a dainty luncheon was served by the hostess, Mrs. Jenkins, in her kindly way.

The ice in Murray River is almost gone and the fishermen are starting to repair for the coming fishing season.

The many friends of Mr. Lester Jenkins will regret to learn that he met with a painful accident, having cut his hand quite badly while splitting wood.

Mr. Chester Cooper our popular teacher was a visitor to town on Saturday.

The many friends of the grand old man of Point Pleasant, Mr. Alex. MacInnis are pleased to know that although he is in his 85th year he is quite active, being able to be out almost every day all winter cutting wood and doing other chores. Mr. MacInnis says this is the mildest March he can remember. We all hope his activity will continue.

CANCER CAUSES MOST DEATHS

REGINA, April 1-(C.P.) -Heart disease and cancer cause more deaths in Saskatchewan than any other ailment, Dr. R. O. Davidson, Deputy Minister of Health, told the Social Service Council of the province in an address.

From 1914 to 1919 heart disease caused 30 deaths for each 100,000 population. This figure has now reached 80 for the same population.

Despite ravages of the two diseases the Saskatchewan Department of Health has lowered the death rate for many other maladies.

When the department was first organized communicable diseases caused most deaths. Ten years ago diphteria cases averaged 200 a year. Today there are less than 20 annually.
