SQUEALER SHOT

NEW YORK, April 29.—Suspected of "squealing" to the district attorney, Jerry Maida known as Jerry The Lunchman was murdered at forty-first street to-day being shot by gangsters. Five members of the Pane Kelly gang were arrested.

PLANT DESTROYED

RALPHIGH, N. C., April 28.—The plant of the News and Observer, the daily morning newspaper owned here by Josephus Daniels, secretary of the navy, was destroyed by fire yesterday afternoon. The loss is perhaps \$75,000, partly covered by insurance. The News and Observer plant was one of the most complete in the south.

The fire took place when the streets were deserted. People were attending the opening game of the North Carolina baseball league between Raleigh and Durham. Mayor Johnson, who left the game early, discovered the fire in Secretary Daniels' newspaper building and gave the alarm, but the firemen were late in starting work and when they did go into action they found water pressure too low to be of much use.

Gentlemen—I had my leg badly hurt, the pain was very severe and a large swelling came above the knee. I expected it would be serious—rubbed it with MINARD'S LINIMENT, which stopped the pain and reduced the swelling very quickly. I cannot speak too highly of MINARD'S LINIMENT.

GROWING INSTRUCTIONS.

(From Yesterday's Evening Guardian) During last week Miss Katherine James of the Provincial Department of Agriculture has been addressing meetings in Lots 18 and 20 in the interest of Women's Institutes. She everywhere met with a very kindly welcome from the women and in nearly every case institutes have been organized and are starting out with considerable enthusiasm. At Kensington, Mrs. Dr. Darrach is President, Mrs. Dr. Houston, Vice-President, and Mrs. Dr. Gillis, Sec-Treasurer. The other directors are Mrs. G. E. Brown, Mrs. Jas. Lynds. The women of Margate decided that it would be better for them for the present to unite with the Kensington section. At Darnley an institute was formed with Mrs. Crozier as President, Miss Marion Sutherland, Vice-President, and Miss M. McNeill and Mrs. W. Cousins as the other directors. Institutes were also formed at Mashpee, French River, and Long River. The people of Park Corner decided that for the present it would be better to unite with one of the neighbouring districts, perhaps with Long River. The movement since its inception has met with a hearty response. The women feel there is a justification for the starting of institute. The statement is often made that there are now a sufficient number of organizations for women in connection with the churches. This is probably true of the town and the city, moreover no other organization seems to fill the place which the Women's Institutes occupy in the lives of its members. Many are of the opinion that the work of the institutes exists wholly in the consideration of food and food values and methods in housework. True, much valuable information and many good suggestions along these lines are given and received at institute meetings but a glance at one of the reports of the Women's Institute issued by the Ontario Dept. of Agriculture will show that the work undertaken is very comprehensive in this and that the possibilities for good both to the individual and to the community are very great, provided the work is taken up with enthusiasm and in the right spirit. Most of the subjects are such as bear directly upon the daily life of the home keeper and every woman, after the first feeling of strangeness wears off can take an intelligent and profitable part in the discussions. Miss James is establishing a sufficient number of institutes to occupy all her time, it is possible that she can look after about 40 sufficiently. After these have been formed no more will be organized for a time at least. For the next two weeks she will be at liberty to meet with women in various parts of the Province to discuss it with them. It would be well for those wishing to organize to correspond with the Department of Agriculture.

"I used without success several remedies which were recommended to me. I then used Cuticura Ointment and Soap, giving him a bath every morning with hot water and Cuticura Soap, and then applied a thin layer of Cuticura Ointment on the parts affected. RHEUMATISM KEPT HIM IN BED

Suffered Tortures Until "Fruit-a-tives" Cured Him

MCMILLAN'S CORNER, ONT. Sept. 30th, 1910

"Your remedy, 'Fruit-a-tives' is a perfect panacea for Rheumatism. For years, I suffered distressing pain from Sciatica or Sciatic Rheumatism, being laid up several times a year for days at a time. I went to different doctors who told me there was no use doing anything—it would pass away. They gave me mustard plasters and other remedies that did no good. Plasters took no effect on me—except to blister me and make raw spots. I took many advertised remedies without benefit, but fortunately, about two years ago, I got 'Fruit-a-tives' and they cured me.

Since then, I take 'Fruit-a-tives' occasionally and keep free of pain. I am satisfied 'Fruit-a-tives' cured me of Rheumatism and they will cure anyone who takes them as directed. If this letter would be of value to you, publish it." JOHN B. McDONALD.

Indeed, this letter is of value to us and to the thousands of sufferers from Rheumatism, Sciatica, Lumbago and Neuralgia. It points the way to a certain cure. See a box for \$2.50 retail size, 25c. At dealers or from Fruit-a-tives Limited, Ottawa.

FACE COVERED WITH PIMPLES

Spread on Limbs. Red and Inflamed, Became Sores, Had to Tie Hands While He Slept. Well, Thanks to Cuticura Soap and Ointment.

St. Cesaire, Quebec.—"My child was scarcely two months and a half old when his face and arms became covered with little red pimples which a little later spread on his limbs. The pimples were very red and inflamed. They were like a little red spot which soon became a little larger and raised up. There were four or five together. These pimples caused him to scratch so that we had to tie his hands while he slept. The itching made him suffer so much that he cried part of the night, waking up most of the people in the house. The pimples became sores and were very painful.

"I used without success several remedies which were recommended to me. I then used Cuticura Ointment and Soap, giving him a bath every morning with hot water and Cuticura Soap, and then applied a thin layer of Cuticura Ointment on the parts affected. They gave great relief with the first application. After using one box of Cuticura Ointment and a little more than one cake of Cuticura Soap my child was completely cured.
