**NERVILINE CURES PAIN.**

This is the testimony of sufferers in every part of the Dominion. Mr. Benjamin Dillon of Leed, Ont., states, I am not in the habit of puffing up proprietary medicines, but I feel it my duty to add to the testimony as to the marvellous value of Nerviline as a remedy for pain. Nothing I think equals it as a universal remedy and householders ought to feel it as much a necessity as bread itself. Sold by dealers in a medicine everywhere.

Our school is progressing favourably under the able and efficient management of Miss B. Dockendorff.—Our genial miller Mr. E. Warren is doing a rushing business in his mill. The farmers are busily engaged hauling their mussel mud.—What might have been a serious accident occurred on the Bedeque road recently as Mr. James McLean, one of North River's oldest residents, was going along the road he was attacked by a vicious bull and would have been seriously injured only for the assistance of his niece Mrs. J. A. McIntyre. Such animals should not be allowed at large.—Mr. and Mrs. Hezekiah McNeill of Inkerman have been visiting in North River, guests of Mr. Joseph and Mr. Neil McNeill.

The funeral which took place last Wednesday and the large concourse of people who assembled to pay their last respects to the departed testified to the esteem in which he was held.—The Young People's Literary Club, which was recently organized meets every Friday evening in the Public Hall. Mr. John McDonald is its President.—Mr. Ewen Mackinnon, our genial grocer, is doing a thriving business.—A party of young people assembled at the home of Mr. Allen Ferguson last Thursday evening and a very pleasant and enjoyable time was spent. Villet and Miss Macneill.

THE Evangelistic meeting in the Y. M. C. A. last night was the best attended of any of the week night series yet held. The singing was hearty and a deep interest was shown by many in a desire to live a better life, by rising to their feet when the opportunity was given. Mr. Bell spoke from Eph. 2:8. "By grace ye are saved through faith, and that not of yourselves it is the gift of God." The words grace, faith and gift, were strongly emphasized. Most striking illustrations were used by the speaker as he endeavoured to impart the truths that each word embodied. He first showed that man is saved by the free and unmerited favor of God. Second that faith is only the instrument that connects man with the Divine power that saves; and thirdly that this gift of salvation is free and can be had by the mere acceptance. The discourse throughout was a powerful appeal to the unbelievers as the teaching was so plain that a fool need not err therein. Meeting to-night at 7.45. Let everybody come.

**PAINTERS AND PAPER HANGERS.**

Here is a Message from a Tradesman to His Fellow Workman all Over Canada.

PICOU, Ontario, Mar. 25.—Richard Kelly, of Picou, is a well-known painter and paperhanger. Mr. Kelly requests the publication of the following:—"I wish this to catch the eye of every painter and paperhanger in Canada. We all of us suffer from Kidney Disease. There seems to be something our work which brings it on. I have found a cure. Dodd's Kidney Pills will cure the worst cases of Kidney Trouble that any of us have ever had. I suffered for three years. My back was dreadful. "Inflammation of the Kidneys followed and I went to bed. The first box of Dodd's Kidney Pills helped me. Four boxes cured me. They are the painter's and paperhanger's best friend. Everybody in Picou knows me, and the people can vouch for what I say of my own case."
