POLO SHOE POLISH

A "MINUTE-POLO-SHINE" will keep your shoes black for a week—if they do dull a trifle, a couple of quick rubs will make them as bright as ever. Ask your grocer or shoeman for Polo—the polish in the BIG box—black or tan. The tan both cleans and polishes. 10¢

This year we have devoted our whole time personally to the home garden: Mr Campbell taking charge of the retail market, and we believe we are in a better position than ever before to attend to our large number of customers at home and abroad.

Below we give a partial list of our plants:

Our market business is open every day. It will be to the interest of customers to call there when at all convenient and personally select their plants. Flowers have been so much improved of late years that the old time stock would not be recognized.

Please remember to send cash with orders, and write plainly, sign name and address. Every season we receive a number of orders without a signature.

S. S. LESSON

ISAIAH'S PROPHECY CONCERNING SENNACHERIB.
Isa. 37: 14-28.

GOLDEN TEXT.

"God is our refuge and strength, a very present help in trouble."—Ps. 46: 1.

POINTED SUGGESTIONS.

By Rev. D. W. Spider.

It is not a matter that should put the faith of anyone in jeopardy to learn that there are those who discount the value of prayer. Their philosophy is of little worth and their sneer is vain. What is the wisdom of arguing against a fact? The fact that the steamship crossed the Atlantic cannot be dislodged by a thousand learned arguments which appear to demonstrate the impossibility of such a thing or the absurdity of expecting it. The fact is, God heard the prayer of Hezekiah and answered it. Your mother will tell you God heard her prayer and answered it. Let others bump their witless logic against that granite, if they will, but our wisdom is to believe and act.

The prayer of Hezekiah, with all that it meant of surrender to the teaching of the prophet, was God's opportunity. The Almighty was waiting to save Jerusalem. He had greater reasons for doing it than respect for Hezekiah's prayer. For His own sake. No one can serve David's sake. No one can serve a spiritual argument he makes to move the hand of God.

A fair inference from the teaching of the lesson is that the preservation of a country from the successful invasion of a hostile enemy is not dependent upon meeting army with army or fleet with fleet. Righteousness exalteth a nation. It is not hoisted on bayonets.

Let the patriotism which swells in the breast of the Canadian on July 1st be sure that it is not an enemy and grounded in the peace principles which which this Confederation came into being. Navies are no more needed to patrol the coasts than armies are needed along provincial boundaries. But righteousness and the fear of God are needed everywhere. If such shall be in sincere evidence, if such have His hawk for the nose of any menacing Sennacherib.

There is something of great importance to learn from the fact that the Lord has so often chosen to carry out His purpose by the hands of a few or by the salvation and sanctification of a remnant. Perhaps Lincoln's idea is pertinent. It is this: It does not matter if God is on our side nearly so much as it does that we should be on God's side.

While natural causes are not sufficient to account for the defeat and ignominious downfall of Sennacherib—the blasphemer. Pride forges the weapons for its own destruction. The sight of it is so that it has passed into proverb long ago: "Pride goeth before destruction and a haughty spirit before a fall."

It is a good thing to have large reserves of faith. And it is a bad thing to confound one's wit with his faith. Because one cannot plan his way through a difficulty or because he fails to see the resources at hand which would make a plan workable he ought not to think that his extremity is, after all, the extremity. God is infinite.

There is little doubt that the claim will hold good that the greatest makers of history have been those who have most unreservedly believed in the fact of God in history. It is said that John Wesley read the newspapers to learn what God was doing. And he was so busy a man to waste time trying to discover the undiscoversable. The swift and mighty movements of our time as they are recorded are as the pages of the word of God to devout students.

Take notice of Hezekiah's trouble. The cause of it was a letter—an insolent and threatening letter. But take notice what he did with it. He spread it before the Lord.

HERE ARE FOUR PEOPLE WHO TESTIFY

That GIN PILLS Positively Cure Rheumatism

Rheumatism is a dreadful disease. Only those, who have had it, can appreciate the agonizing pain—the excruciating torture—that racks the body when Rheumatism sets in. No wonder those, who have been cured of Rheumatism by GIN PILLS, are so grateful and so enthusiastic. They gladly testify that GIN PILLS cured them and want all the world to try GIN PILLS.

MANY KINDS OF MEDICINE

you to know how thankful I am for

In New Brunswick, GIN PILLS have cured hundreds of men and women of Rheumatism. Mr. Wilson of Hartfield, N.B., is one of the many who owes his good health and strength to GIN PILLS from Back Ache and Rheumatism the great relief I have obtained from the use of GIN PILLS. I am sounding the praises of GIN PILLS to everyone suffering as I did." Robert M. Wilson.

Back to Nova Scotia for the fourth letter from D. J. Lawyer of Ogden.

"I have been bothered with Rheumatism so bad that I could not work. A doctor tended me and told me to go to the hospital but all to no good until a cousin told me to try GIN PILLS. I did so, and after taking a few boxes, I am perfectly well!"

These written words and signed statements from well-known people are the best possible guarantee of the value of GIN PILLS. They prove that GIN PILLS will give prompt relief—and will completely cure—every trace of Rheumatism, Sciatica, Lumbago, Pain In The Back, Kidney Trouble or any weakness of the kidneys or bladder. You may try GIN PILLS before you buy them. Write us for free sample box. If you can't get the regular size boxes in your neighborhood, send to us enclosing the regular retail price of 50c. a box or 6 for \$2.50. National Drug and Chemical Co. of Canada Limited, Dept. C. E., Toronto, 62

COULD NOT WORK

HIS FATHER WAS TROUBLED

Alex. Moore Esq., is one of many hundreds who know that GIN PILLS will cure Rheumatism. He writes from Newburgh, Ont.

"My father had been troubled with Rheumatism for a number of years. He tried two doctors but got no relief, when my uncle insisted on him trying GIN PILLS. He purchased a box and after taking GIN PILLS for a week, found that they were giving him much relief. He then bought three more boxes, which were the means of curing him. He is now a strong man—in good health—able to attend to his daily work—and all the credit is due to GIN PILLS."

They know about GIN PILLS down in Nova Scotia too. In fact, GIN PILLS are the old standby all over the Maritime Provinces because GIN PILLS really cure Rheumatism. An old gentleman in Yarmouth, N.S. says:

"I have been bothered with Rheumatism for the past year and have taken a good many kinds of medicine, but found no relief. A friend advised me to try GIN PILLS and after taking a few boxes, I felt like a new man. I want the relief they gave me and would advise all sufferers to take GIN PILLS!"
