**Fast Relief for Colds. Stops Sneezing - Ends Sniffling**

"I suffered for weeks from a stopped-up condition in my nostrils. A bad cold prevented easy breathing; my nose and throat were mucous-clogged. I made up my mind to use Catarrh-o-sons. Its vapor gave me breathing comfort instantly. My swollen, sore nostrils were cooled and soothed. I stopped coughing. I didn't sneeze. It was almost unbelievable the lasting benefit I derived from Catarrh-o-sons. The surest way I know of to head off a cold is to inhale the germ-destroying vapor of Catarrh-o-sons. It is splendid for irritable throat, and helps to destroy the bacteria that excites Sore Throat, Bronchitis. Complete outfit, 50c; smaller size 25c. at all druggists.
