TRANSFERRED— Jack Saunders of the F. W. Woolworth Co., left on Sunday for Fredericton, having been transferred to the New Brunswick capital. Mr. Saunders will take a post as assistant manager in the new branch. The departure of the likeable young Islander will be deeply regretted. He had become a general favorite in all circles. Mr. Saunders was numbered among the outstanding golfers in the town and was one of the longest hitters to ever play over the Amherst course. —Amherst Ex. (The Mr. Saunders referred to above is a son of Mrs. E. Saunders, Orlebar Street).

POPULAR SHOWER.—On Tuesday, Nov. 5, at the spacious home of Mr. and Mrs. Frank Jewell, Belfast, a very large crowd gathered to tender a miscellaneous shower to their daughter, Etta, who shall be a participant in an important event in the near future. The home was very prettily decorated with house plants and autumn leaves. To the strains of the Wedding March played by Alfreda Noonan, the bride was escorted by Mrs. Frank Rahout to her seat of honor beneath a beautifully decorated "Umorella." A very lovely and heavily laden carriage of gifts was then wheeled in by little Miss Ruthie Jack and Master Leigh Jewell. The parcels were then opened by Clara Affleck, Helen Bowness and Mrs. Reginald Murray, and very nicely arranged on nearby tables by Jean Affleck, Goldie Jack, Georgie Sobey and Blanche MacDonald, while the many and comical verses were read by Alice Noonan and Mrs. Charlie Arsenault. The bride then in a few well chosen words thanked one and all for their lovely gifts and extended to all a hearty welcome to visit her in her future home in Freetown. All joined in singing "For She's a Jolly Good Fellow." Then followed a dainty lunch served by the girl friends of the bride. The rest of the evening was very pleasantly spent by music, games, etc. At a late hour all departed to their respective homes, after extending to the bride their best wishes for her future happiness.

ROSS CREDIT UNION ANNUAL MEETING—The annual meeting of the Ross Credit Union was held at the home of W. C. Robertson. The directors report was submitted by the President Mr. Ernest MacCabe. Due to the fact that the Union had only been doing business a short while, the directors recommended that no dividend be paid. The treasurers report showed the assets of the Union to be $242.52. The Credit Committees report showed that loans totalling $270.00 had been made. The report of the Supervisory Committee was given by Rev. D. K. Ross. It was decided to open for business on the 2nd and 4th Monday's of each month. A committee consisting of Mr. Ernest MacCabe, Rev. D. K. Ross and Elliott Robertson was appointed to look after the Educational program for the winter months. The following are the officers: Directors — Pres., Russel Driscoll. Vice Pres., Ernest MacCabe. Anniversary Celebration

REV. DR. RYAN

Rev. Wofford M. Ryan, B.A., D. D., will be the preacher at the anniversary services in Trinity United Church next Sunday, the 10th. November inst.

Dr. Ryan is a son of the parsonage. His father, the late Rev. William Ryan, D.D., (who passed away a few years ago at the great age of 101 years), held many important charges in the Methodist circuits of the Maritime Provinces. Dr. Wofford M. Ryan was educated at Mount Allison University and in 1933 received the degree of D. D. from Pine Hill. After serving as pastor of several congregations of the Methodist Church, he came to Charlottetown in 1922 and was the greatly esteemed minister of the First Methodist Church when in 1925 that congregation entered the Union and took the name of Trinity United Church. Subsequently, Dr. Ryan ministered to United Church congregations at St. John, Bridgewater, Hamilton (Bermuda), and Summerside. Dr. Ryan now resides at Auburn, Nova Scotia. He has retired from pastoral work, but his services are often called for as preacher on special occasions.

Annual Meeting Girl Guides

REPORT OF CHARLOTTETOWN DISTRICT COMMISSIONER

Following is the text of the report of Mrs. W. M. Rowe, District Commissioner and President of the local association:—

"The work of the local association has been carried on along similar lines to those of other years. Our most serious problem has been a lack of sufficient numbers of trained Guiders to conduct our companies. It is our earnest hope that this year will see not only every company sufficiently and efficiently staffed, but that there will be in each company one or two reserve Guiders ready to fill any vacancy which may occur. At this particular time it is a solemn duty to do all that lies in our power to so train our youth that they may be more worthy citizens of an Empire which is being preserved for them at such a price.

"Our total Guide membership for this District is 562. This is made up as follows: Guides 297; Rangers 63; Sea Rangers 6; Brownies 144; Guiders 53. There are 12 Guide companies, 4 Ranger companies, 1 Sea Ranger patrol, and 10 Brownie Packs. The Brownies led the way in First Class work, seven of them securing their First Class Badges. The highest Guide award, the Gold Cord, was awarded to Jean Bevan, of the 7th company, and Muriel Frizzel, also from this company, won the All Round Cord. Thirteen Guides from the 7th company took the Junior St. John Ambulance test, and all received their certificates. Fourteen Rangers from the 2nd company received certificates for their Senior St. John Ambulance test. In addition to a large number of Second Class Badges, more than 120 Proficiency Badges have been earned by the various companies. The latter Badges include the following: Health, Cook, Pioneer, Swimmer, Athlete, Ambulance, Child Nurse, Cyclist, Emergency Helper, Fire Brigade, Naturalist, Needlewoman, Sick Nurse, Singer and Gymnast.

Princess Alice Inspects Guides

"An event of unusual interest was the inspection of Guides and Brownies by H.R.H. Princess Alice in August. The colorful ceremony took place on the beautiful Government House grounds, which were kindly placed at our disposal by His Honor, Lt.-Governor LePage. Miss Mabel Matheson and Mrs. K. M. Martin were in charge of the Guides and Brownies, respectively, and were warmly complimented by Her Royal Highness on the excellent appearance of the Companies and Packs.

"During Empire Week, our Guides, Rangers and Brownies, with all others throughout the Empire, were purchase of two Flying Ambulances asked to contribute $100,000 for the and a Motor Life Boat for the use of His Majesty's Forces. It is interesting to note that the total amount raised was $242,375, or over twice that which was requested, so that, in addition to the gifts specified, other valuable help was also given. Over $11,000 of this amount was raised in Canada, and over $200 in Charlottetown.

"On Empire Day all our Companies and Packs again directed their efforts towards beautifying their Wild Flower Sanctuary in Victoria Park. Many fine specimens of wild flowers were planted, but, owing to the numbers of children who play in this particular area during the summer, it is doubtful whether our flowers will have a chance to survive.

"As usual, on Guide Sunday, all our Companies and Packs attended special services in their respective churches.

"In March the Guiders' Club sponsored a singing competition. Songs were carefully chosen, and the majority of the companies received very valuable training by capable musicians previous to the contest. First place went to the 7th Company, 2nd to the 6th, and 3rd to the 1st and 2nd combined.

Service Activities

"The service activities conducted during the year are worthy of special mention. The 1st Ranger Company knit sweaters for the I.O. D.E. war services, assisted the League of Mercy and the Red Cross. The 2nd Ranger Company made medicine cabinets and scrap books for the League of Mercy, knit sweaters for soldiers, and provided a Christmas dinner and clothing for a needy family. The 4th Ranger Company are industriously piecing together a large quilt. Some of the Guide companies dressed dolls for the Scout Toy Shop, provided Christmas dinners and toys for needy families, and rendered numerous pieces of service in their own churches. Our Brownies, too, have been busy, some Packs made gifts for their mothers at Christmas and for Mother's Day. At Valentine time one Pack filled boxes with gifts for two shut-in Brownies, and took turns writing letters to one of the little shut-ins. A number of the Packs donated toys to the Santa Pals.

"One of the highlights of the year for the Local Association was the Patrol Leaders Rally in January. Over fifty Patrol leaders sat down to supper provided by the members of the association, and later Miss Matheson conducted games and demonstrations and at campfire there was a sing-song and a talk by our vice-president, Mrs. J. A. Lawson. All were delighted with the fine spirit in evidence throughout the evening.

"An extremely important service was rendered on National Guides' Day, October 26, when the Guides undertook to promote the sale of War Saving Stamps. That their efforts were highly successful is shown by the amount of the day's sale which was $793.25. The credit for this excellent showing goes to the president of the Guiders' Club, Miss Lillian Duchemin, to her assistants, and to the Guides who worked so enthusiastically.

"Guides were asked to assist during National Registration week and acted as ushers and attendants at the various booths throughout the city.

"At Easter, Brownie Leaders and Guiders had the opportunity of attending a one-day training course led by Miss Armitage, a Diploma Guider. All are looking forward to a longer course during the coming Christmas holidays.

Regret Departure of Secretary

"It was with genuine regret that we parted with Miss Wilson this Autumn. Her zeal for Guiding and the efficiency with which she carried out her numerous duties, has set a high standard for us all, and I know we will each do our best to maintain the high ideals she held before us during her term of office as Provincial Secretary.

"To our Guiders goes our very sincere appreciation for the manner in which they are devoting themselves to the welfare of their companies, and I would bespeak for them the whole-hearted co-operation of all mothers of Guides, church committees, and friends of the movement generally. Our appreciation is also extended to Mrs. Harry Cudmore for the valuable assistance she is rendering Guiding, by conducting Secondary Training Classes. On behalf of the Local Association I wish to thank Hon. Mr. Dennis, Minister of Agriculture, for making it possible for the Guides to hold cooking courses in Prince of Wales College, to the I.O.D.E. for their continued interest in presenting flags to our new companies, to our Provincial Commissioner, Mrs. Reay, our Division Commissioner, Miss Gillan, for their help at all times, to the press for the valuable publicity given to us, to the examiners of the various Badges, and to all who have in any way assisted in our work.

"My personal thanks are extended to the officers and members of the Local Association, without whose loyal support and co-operation it would have been impossible to carry on."

WINTER SHIPPING FOR WELSH COAL

SWANSEA, Wales, Nov. 7 -(CP)- West Wales anthracite coal circles have high hopes that trade with Canada will be continued during the winter months.

In view of the external markets lost to the anthracite trade in France and Italy, there is grave danger that may collieries may have to close down.

A conference, attended by D. R. Grenfell, minister for mines, was held of all the interests concerned and it is understood that negotiations which have been proceeding here and at London for an arrangement whereby shipments to canada would continue all the year round are making favorable headway.

Usually the season extends from April to November and during that period substantial trade is carried on with the Dominion. The St. Lawrence River is closed by ice in the other months and shipments, in the ordinary course, cease until the first open water.

BUSINESS ACTIVITY

TORONTO, Nov. 6 —(CP) —Business activity in Canada is currently at its highest level in more than 20 years, according to the chart prepared by Wood, Gundy and Company, Limited which is adjusted for changes in population and seasonal variation.

The chart shows the index at 132.2 in September compared with 105.7 in September 1939 and about 128 at the peak of the 1928-29 boom.

CANADIAN WOMEN MARK CLUB WORK

LONDON, Nov. 6 —(CP) —Organizations set up in London for the comfort and entertainment of Canadian troops are already acquiring a history.

The oldest of them, the Officers' Club founded by Mrs. Vincent Massey, wife of Canada's High Comissioner, celebrated one year of active service in October when a midday patrol ate the 16,063rd lunch served at the club.

The surroundings are as quiet and homely as London's bomb-scarred west-end nowadays allows; the membership is free to all officers of Canadian services and prices are nominal - for instance, tea and cakes cost sixpence - while the service is maintained by Canadian women who give gladly of their time. As far as possible the meals are Canadian in style.

Names in the visitors' book are of men from all parts of Canada from the Arctic to the international boundary, and from all ranks - from acting sub-lieutenants of the Royal Canadian Naval Volunteer Reserve to Air Commodores and from generals to flight-lieutenants.

When first established by Mrs. Massey as what might be called a commissioned edition of the now famous Beaver Club, organized for the men of the ranks the Officers' Club was housed in rooms made available by Percy Clews, European Manager of the Canadian National Railways. The club outgrew this accommodation, however and transferred to quarters loan- by the Cunard Steamship Company.

TURNIPS

We are open to buy carlots of bulk turnips on the lines between Charlottetown, Souris and Charlottetown and Murray Harbor.

Farmers or dealers in these localities who are interested please contact the office.

These turnips do not have to be trimmed as close as bagged turnips because we intend to use them for waxing.

This should attract farmers who are having difficulty in securing farm labor.
